

**TOWN OF STRATTON
CEMETERY COMMISSION**

**Minutes
May 22, 2013**

Members present: Larry Bills, Chris Liller and Kent Young.

Meeting came to order at 3:00pm at the Stratton Town Office as warned and the Commission proceeded to the cemeteries to review future improvements and to place flags on veterans' graves.

The Commission agreed that Ball Cemetery should be extended by acquiring additional property perhaps through a boundary line adjustment if practicable. The Commission also agreed to get pricing on stone markers to be placed at the entrances of each cemetery with names and 911 numbers engraved on each. The Commission also discussed having trees trimmed at the entrance of Willis Cemetery and to clear a potential entrance sufficient for a backhoe to access the cemetery, as currently the surrounding stone wall does not have a sufficient entry way.

Chris Liller moved to adjourn. Larry Bills seconded and the meeting adjourned at 4:05pm.
