TREATMENT & PAYMENT AUTHORIZATION

As a patient of BTAMC, I authorize treatment for myself, or the identified minor. I consent to clinical assessment, treatment, testing or tele-health services, including audio/visual or audio only encounter. I understand BTAMC uses an integrated, team-based approach to evaluation and management. Services may include primary medical care, integrated behavioral health, preventative/additional dental services, patient outreach/support and assistance, care management services, and/or some specialty services. Additionally, our integrated care specialists may provide consultation, behavioral health assessments, counseling interventions or support services, as you and your BTAMC provider decide are appropriate. I authorize BTAMC to release my medical information for the continuum of care with other medical providers and facilities, or with insurance payors to seek reimbursement for services provided.

I understand that I am financially responsible for all service charges for myself or identified minor, whether or not the service(s) are covered by insurance. BTAMC will submit claims to my insurance company to secure payment for all services provided. I understand charges not covered by insurance such as, co-pays, co-insurance, deductibles or sliding fees are my responsibility. I understand that I may apply for Sliding Fee Discounts or set up payment arrangements with the BTAMC Billing Department. I understand any checks returned by my financial institution will incur a \$25.00 charge.

◆ Social History ◆		
What type of exercises do you perform, duration & frequency?		
In what type of residence do you live (i.e., house, assisted living, nursing home)?		
What are your hobbies?		
Do you drink alcohol?	What type of alcohol?	No. of drinks per week?
Are you a current smoker?	If you smoke, how many packs per day?	
Are you a former smoker?	If so, what year did you quit?	No. of years you smoked?
On average, how much did you smoke per day?		Do/Did you use other nicotine products?
Are you sexually active: Yes / No	Do you have sex with: Men / Women / Both	How many partners have you had during the past 12 months?
Are you concerned that you may have been exposed to HIV? Yes / No		

Due to the complexity of the medical insurance industry, it is important that we know whether you have an existing doctor. These physicians are often referred to as your PCP Primary Care Provider. For many insurance plans, he or she is the only provider who can approve of you receiving non-emergency care for things such as office visits, X-rays, lab tests, cardiac stress tests, colonoscopy, and referrals to specialists, etc. If we see you for non-emergency care and order such things without PCP approval, you would then be billed personally for the costs. By signing this statement, you acknowledge this responsibility. Your signature also indicates that you have no other PCP.

Clinical Intake Information

Broad Top Area Medical Center, Inc. utilizes physician, nurse practitioner, and physician assistant providers. When scheduling your new patient appointment, we must know your past medical history, medications, and current problem to determine which type of provider can best meet your needs. For this reason, we ask you to provide the following information. Be advised, there is no guarantee or assurance that our provider will determine the continued need for or initiation of a controlled substances as part of your management plan.

List All Prior Medical Providers: _____

Broad Top Area Medical Center, Inc.
2023 SLIDING FEE SCALE DISCOUNT PROGRAM – PATIENT EDUCATION

FEDERAL POVERTY GUIDELINES

Broad Top Area Medical Center Inc., (BTAMC) is a non-profit Federally Qualified Health Center, our Mission is to provide access to affordable, high-quality healthcare without discrimination based on one’s race, color, sex, disability, age, creed, or national origin. BTAMC will provide in-scope services to all patients, regardless of their insurance status or ability to pay. Every patient may apply for our Sliding Fee Scale Discount Program (SFS) to determine qualification. Patients may choose to decline the benefit program.

Eligibility for Sliding Fee Discounts is based on the federal poverty level (FPL) income guidelines which are adjusted annually and operate in accordance with other federal program regulations. **All** patients are encouraged to apply. Uninsured and under-insured patients may qualify for the program based on their household size and their family’s income. Sliding Fee Scale Discount Program applications are available on-line or at our reception desks.

Important discount program points are:

- The Sliding Fee Scale provides significant discounts for BTAMC’s **Medical** and **Dental** services.
- The Sliding Fee Scale **is not** an insurance program – it is a benefit offered to ALL patients.
- You may qualify for the program, even if you have medical insurance coverage.
- You must apply for the program to determine eligibility for Sliding Fee Scale Discounts
- You must provide documentation for proof of income to complete the application process.
- Your eligibility is based on the gross income for your household and your household size.
- You are encouraged to re-apply anytime your household income or household size changes, such as when someone becomes unemployed, or you add a family member – even then the change is temporary.
- **You must renew applications and submit proof of income, annually.**
- The Sliding Fee Scale benefit year is from **March 1st to the last day of February.**
- Applications & questions can be submitted to the office in person, by mail or via secure Email to:
enrollment@broadtopmedical.com

2023 POVERTY GUIDELINES FOR THE 48 CONTIGUOUS STATES AND THE DISTRICT OF COLUMBIA

* For families/households with more than 8 persons, add **\$5,140** for each additional person.

ON THE TABLE BELOW PLEASE CIRCLE FAMILY SIZE & ESTIMATE ANNUAL HOUSEHOLD INCOME FOR 2023

We ask all patients to share their annual household income. We collect this information because we receive federal funding for assistance programs that benefit patients with lower incomes. Thank you!

Broad Top Area Medical Center, Inc. will strictly prohibit video and voice recording of consultations and will not be tolerated at any time.

Privileged communication between the patient's and the physician's relationship is private and should remain confidential. The patient has an obligation to be honest with their provider; just as it is the physician's duty to be fair and honest in their patient's care. Informed consent must be expressed, mutually to disclose Protected Health Information (PHI) at any time.

Potential Adverse Outcomes of Recording:

Recording may inhibit free and trustful information exchange.

Recording may hinder a patient's acknowledgment of recent events or problems that they perceive, might affect their independence if they know family members may access the information.

Recording might create fear for a patient about physical conditions being revealed when found on physical examination.

Recording may prompt providers to become guarded and introduce defensive medicine in a previously, trusting relationship.

Recording may mutually affect the patient's reciprocal sense of trust.

Recording could inadvertently, record Protected Health Information (PHI) about other, unrelated parties within the office.

Implementation:

To insure confidentiality and privacy of patients, their family & caregivers, our employees and **ALL** Protected Health Information (PHI) electronic recording is strictly prohibited. As a patient, family member, or caregiver, I agree to adhere to this policy by signing below.

Your provider will create a printed record of your visit or a copy of the visit summary with a signed authorization to release information.

CONTROLLED SUBSTANCE AGREEMENT

Patient's Name: _____ Date of Birth: _____

Controlled substance medications (i.e. narcotics, tranquilizers, stimulants, benzodiazepines and barbiturates) are useful, but have a high potential for misuse. They are closely controlled by local, state, and federal governments. They are intended to reduce pain, improve functions, and/or ability to work; manage anxiety, reduce distractibility and improve attention.

Management of Attention Deficit Disorder with or without hyperactivity may involve the use of controlled substances. The ADD management plan includes assessment and reassessment of your need for therapy. The plan may also include behavioral therapy, educational support, counseling, or other therapies established between the patient and a single provider.

Management of anxiety may involve the use of a controlled substance. Anxiety management includes assessment and reassessment of your need for therapy. The use of a benzodiazepine is intended for short term use in the management of anxiety. The use of a long-acting medication for generalized anxiety disorder may be warranted. The plan may also include behavioral therapy, educational support, counseling, or other therapies established between the patient and a single provider.

Pain management involves a thorough history and physical for the cause of the pain. A plan of management will be established between the patient and a single provider. The pain management plan often involves multiple therapies that include but are not limited to physical therapy, regular exercise, yoga, osteopathic manipulative therapy, and massage therapy. Pain management may also include specific pain medications prescribed based on the types of pain present. It is mandatory that all aspects of the plan are adhered to.

If a controlled substance is determined by my provider to be appropriate for the management of my pain, anxiety, distractibility, or other medical condition, I agree to the following: **(Please initial to acknowledge your responsibility)**

- _____ **1.** I am responsible for the controlled substance medications prescribed to me. If my prescriptions are misplaced, stolen, or if "I run out early", I understand that this medication will not be replaced regardless of the circumstances.
- _____ **2.** I am responsible for the storage of my medications in a safe place. I understand if someone besides myself takes this controlled medication, it can cause harm which includes but not limited to, drowsiness, fatigue, altered mental status, respiratory depression or death.
- _____ **3.** Refills of controlled substance medications:
- _____ **a)** will be made only during regular office hours Monday through Friday, during face to face or formal telehealth visit, at the interval determined by your provider and during a scheduled office visit. Refills will not be made at night, weekends, or during holidays.
- _____ **b)** will not be made if "I lost my prescription", ran out early, or misplaced my medication. I am solely responsible for taking the medication as prescribed and for keeping track of the remaining.
- _____ **c)** I understand that I must call at least 72-hours ahead to schedule an appointment.
- _____ **4.** It may be deemed necessary by my doctor that I see a medication-use specialist (pain management), or I am already seeing one and receive my controlled substance medications from that specialist **who is _____**. I understand that if I do not attend such an appointment, or I am dismissed due to non-compliance, BTAMC will not assume my medication management. I understand that if the specialist feels that I am at risk for psychological dependence (addiction), my medications will no longer be filled. This management is exclusive; I will not seek controlled substance medications from any other organization, practice, or provider.

____ 5. I agree to comply with random medication testing and pill counts on demand. I will be held accountable for the proper documentations and use of any medications.

____ 6. I understand that if I violate any of the above conditions, my prescriptions for controlled medications may be terminated immediately and I may be dismissed as a patient. If the violation involves obtaining these medications from another individual, or the concomitant use of non-prescription illicit (illegal) drugs, I may also be reported to other physicians, pharmacies, medical facilities, and the appropriate authorities.

____ 7. I understand that the main treatment goal is to improve my ability to function and/or work and reduce, not eliminate my pain. In consideration of this goal, and the fact that I am being given potent medication to reach my goal, I agree to help myself by following better health habits, exercise, weight control, and avoidance of the use of tobacco and alcohol. I agree to follow the entire treatment plan as developed by myself and my physician. I will meet with my physician to discuss any changes that I want to make to my plan before making any changes on my own.

____ 8. I do understand that taking a controlled medication does have risks which may or may not happen. These risks include tolerance, dependency, addiction and hyperalgesia (elevated sensitivity). There are side effects to controlled medications and by taking these medications, I understand that I may experience nausea, constipation, drowsiness, itching, vomiting, respiratory depression and/or fatigue included but not limited to these signs and symptoms.

____ 9. I understand the long-term use of controlled substances may have unknown risks associated with chronic opioid use. My physician will advise me of advances in the field and will make necessary treatment changes.

____ 10. I further understand that if I violate this controlled substance agreement due to non-adherence to medical directions, such as, failing to take medications as prescribed, utilizing other illicit drugs, abuse of controlled medications, or failure to follow the entire treatment plan, I may be subject to dismissal from this facility.

I also understand that not following my prescriber's directions on when and how to take my medication can cause serious complications which include but not limited to altered mental status/confusion, respiratory depression or death. I further understand that when my controlled medication is taken with other medications/substances which include but not limited to benzodiazepines, sleeping agents, narcotics, alcohol, and other illicit drugs, serious complications can occur such as altered mental, status confusion, lightheadedness, respiratory depression and even death.

____ 11. If I display disruptive behaviors such as: Yelling, Foul and Abusive Language, Threatening Gestures, Public Criticism of Staff, Insults and Shaming Staff, Intimidation, Invading One's Space, Slamming Down Objects, Physically Aggressive or Assaultive Behavior, or Assaultive Behavior or being Uncooperative with Office Staff; such as, refusing to complete requested documents or providing requested samples. Dependent on severity, I may first be asked to leave the office without being seen. If I refuse to give a sample or I am repeatedly disruptive or uncooperative, my care may be terminated.

____ 12. I agree to use only one pharmacy for narcotic medications. If I choose to change pharmacies, I will notify BTAMC before going to a new pharmacy. **My pharmacy is:** _____
My pharmacy's phone number: _____

____ 13. If I am unable to pick up a controlled medication myself, I delegate:

Name: _____

Relation: _____

Phone number: _____

____14. I do understand if my delegate misplaces my prescription, the controlled medication will not be filled early.

____15. If I chose to change my delegate, I will notify the office of the new delegate and their information.

I certify the following:

____ 1. I have fully informed my prescriber of any past or present substance use (including alcohol, prescription medications, or illicit substances) so that we can discuss the benefits and risks of using a controlled substance in my treatment.

____ 2. I will not share, trade, or sell a prescribed controlled substance, as this would be considered diversion and is a crime.

____ 3. I understand that drug testing/screening is a routine part of the care of patients being prescribed controlled substances. I understand that I may be responsible for the costs of testing or screening, if it is not covered by my insurance. The cost of drug testing/screening is not covered by the Sliding Fee Scale Discount, and I will be responsible for payment, up front.

____ 4. I will notify the office if I will be out of town. This allows for the occurrence of a random pill count and a required 4-hour response time.

This treatment agreement may be discontinued if I do not meet the conditions described above. Violation of the above guidelines may lead to termination of my care with Broad Top Area Medical Center, Inc.

I have been fully informed by _____ regarding the warning signs and symptoms of a substance use disorder with regard to this medication. I know that some individuals may develop a tolerance to the medications, necessitating a dose increase to achieve a desired effect; and in doing so, increase the risk of becoming physically dependent on the medication. This may occur if I am on the medication for several weeks. Therefore, When I need to stop taking the medication, I must do slowly and under medical supervision, or I may have withdrawal symptoms.

Patient Signature: _____ **Date:** _____

Witness Signature: _____ **Date:** _____

Witness Signature: _____ **Date:** _____

____ By initialing, I have been given a copy of the controlled medication agreement.

Patient Learning Assessment Form

PATIENT LEARNING ASSESSMENT

As a part of the Broad Top Area Medical Center, we strive to meet the diverse needs of our patients. Please complete the following questionnaire to assist us in making every attempt to meet your learning needs. Please let us know if you need help in completing this form. Thank you.

1. Are you able to read? Yes No
2. Are you able to write? Yes No
3. Do you want to learn about your health needs? Yes No
4. Please indicate your highest level of education (last grade of school completed)? _____
5. Please indicate your dominant language: English Spanish Other (Specify)
6. Do you need a translator? Yes No
7. Do you use a hearing aid? Yes No
8. Do you use any other device (s) to aid in communication? Yes No
If yes, please explain: _____
9. Please indicate any possible barriers to education:
 None Cultural Emotional Limited Learning Ability Learning Deficit Physical
Limitations Religious Visual/Hearing Limitations
10. Please check preferred learning style (s). Please check all that apply.
 Reading a handout or pamphlet
 Watching a demonstration and then doing the task
 Listening to someone provide explanation of the topic
 Watching the topic on video
