### FAMILIES TURN OUT FOR EGG-stravaganza

Hundreds of Lakewood Forest residents turned out for the Eggstravaganza event on April 3, hosted by the Civic Association. The weather was a bit rainy but that didn't dampen the spirits of everyone looking to have a little spring fun.

And fun, it was! Neighborhood children picked up 2,000 candy filled eggs, played games, made a few crafts, and had fun in the petting zoo. The Lakewood Forest Garden Club gave out flower seed packets to the kids, and the Lakewood Forest Fund provided snacks and drinks for all. The Civic Association also thanks the volunteers who made the event possible. It takes a lot of people to support an event enjoyed by so many families.

We look forward to doing it all again next year – with even more eggs!

## April Meeting

The Lakewood Forest Garden Club met for the virtual general meeting on April 9. President Eleese Lester-Baier oversaw an enjoyable time for socializing and conducting business.

Terri Cole introduced her friend, Bee, who has been a chef for 28 years. She presented a marvelous program on "Edible Flowers" that captivated our imagination and opened up a whole new world of gardening ideas.

Carolyn Calvert gave an inspiring reading called "God is Our Gardener."

Sheila Anderson has done an outstanding job of representing the club at Federation meetings. She reported that Adam Black, a botanist and Director of Horticulture at Peckerwood Gardens, addressed underutilized native plants in our landscape designs.

## Plant Swap

A plant swap on March 30 turned out to be much more than exchanging plants. The outdoor event more importantly was a time of sharing stories and renewing friendships.

## Yard of the Month

Yard of the Month for April was judged by members of the garden club at the end of March. Congratulations to First Place Winner Shanna Kopp at 11610 Idlebrook Drive, Honorable Mention Debra and Kenneth Winters at 11606 Laneview Drive and Honorable Mention Joanne and Steve Matava at 11711 Laneview Drive.

May Yard of the Month was judged the last week of April.

## SUMMER TIME WATER SAFETY

Source: [www.championsfire.org](http://www.championsfire.org)

Now that the heat is here and swimming pool usage will soon be in full swing, CESD would like to remind everyone to be careful in and around bodies of water. Don't take water safety for granted!

**Drowning is the leading cause of injury or death for young children ages 1 to 4.** Nationwide, three children die every day as a result of drowning. But you can help to prevent accidental drowning. Here are some tips:

**Make life jackets a must.** If you plan on visiting natural bodies of water, make sure life jackets are worn. Even if your child is a good swimmer in a swimming pool, it doesn't mean that he/she won't encounter something in a natural body of water that could drown them.

**Bathtubs can be dangerous too!** Remember that a child, especially babies, can drown in only one inch of water. Bathing in bathtubs is a regular household routine but can turn deadly very quickly. Never leave a baby in a bathtub unsupervised, even for what you think is "just a minute."

**Learn CPR.** Learn cardiopulmonary resuscitation (CPR) and get recertified every two years. CPR can help a child stay alive with little or no brain damage. For more information on Cypress Creek EMS CPR classes, visit [www.ccems.com/education/cpr-first-aid-schedule](http://www.ccems.com/education/cpr-first-aid-schedule).

**Be on the lookout.** Adults watching kids near water should avoid distracting activities like playing cards, reading books, using electronic devices, or talking on the phone.

**For more information about all kinds of child safety, visit [www.cdc.gov/safechild](http://www.cdc.gov/safechild).**
