**Company address: 507 Paw Paw, Benton Harbor, Mich.**

**MAGNIFICENT**—Mexico figures prominently in Avion Travelcade plans for the summer of 1960. These ancient Indian ruins will be among the many historical sites visited by trailerites who participate in the trip.

## Avion Announces 'Travelcade' Trips

Anyone for Alaska . . . Mexico  
. . . Central America?

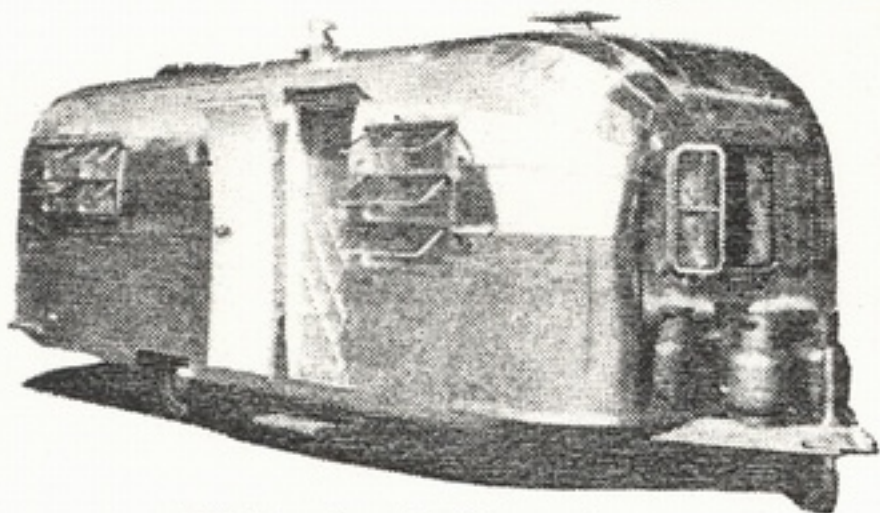

Now is the time to make plans for an Avion Travelcade, accord-

ing to officials of Avion Coach Corporation, Benton Harbor, Michigan. Travelcade is described as a copy-righted term for a group of travel trailer owners touring together in an organized unit and sharing mutual pleasures, inter-

## **TRAVEL TRAILER**

**All Avions  
are Guaranteed to  
Last a Lifetime**

**30' Imperial  
26' Regal  
23' Rover  
20' Explorer**

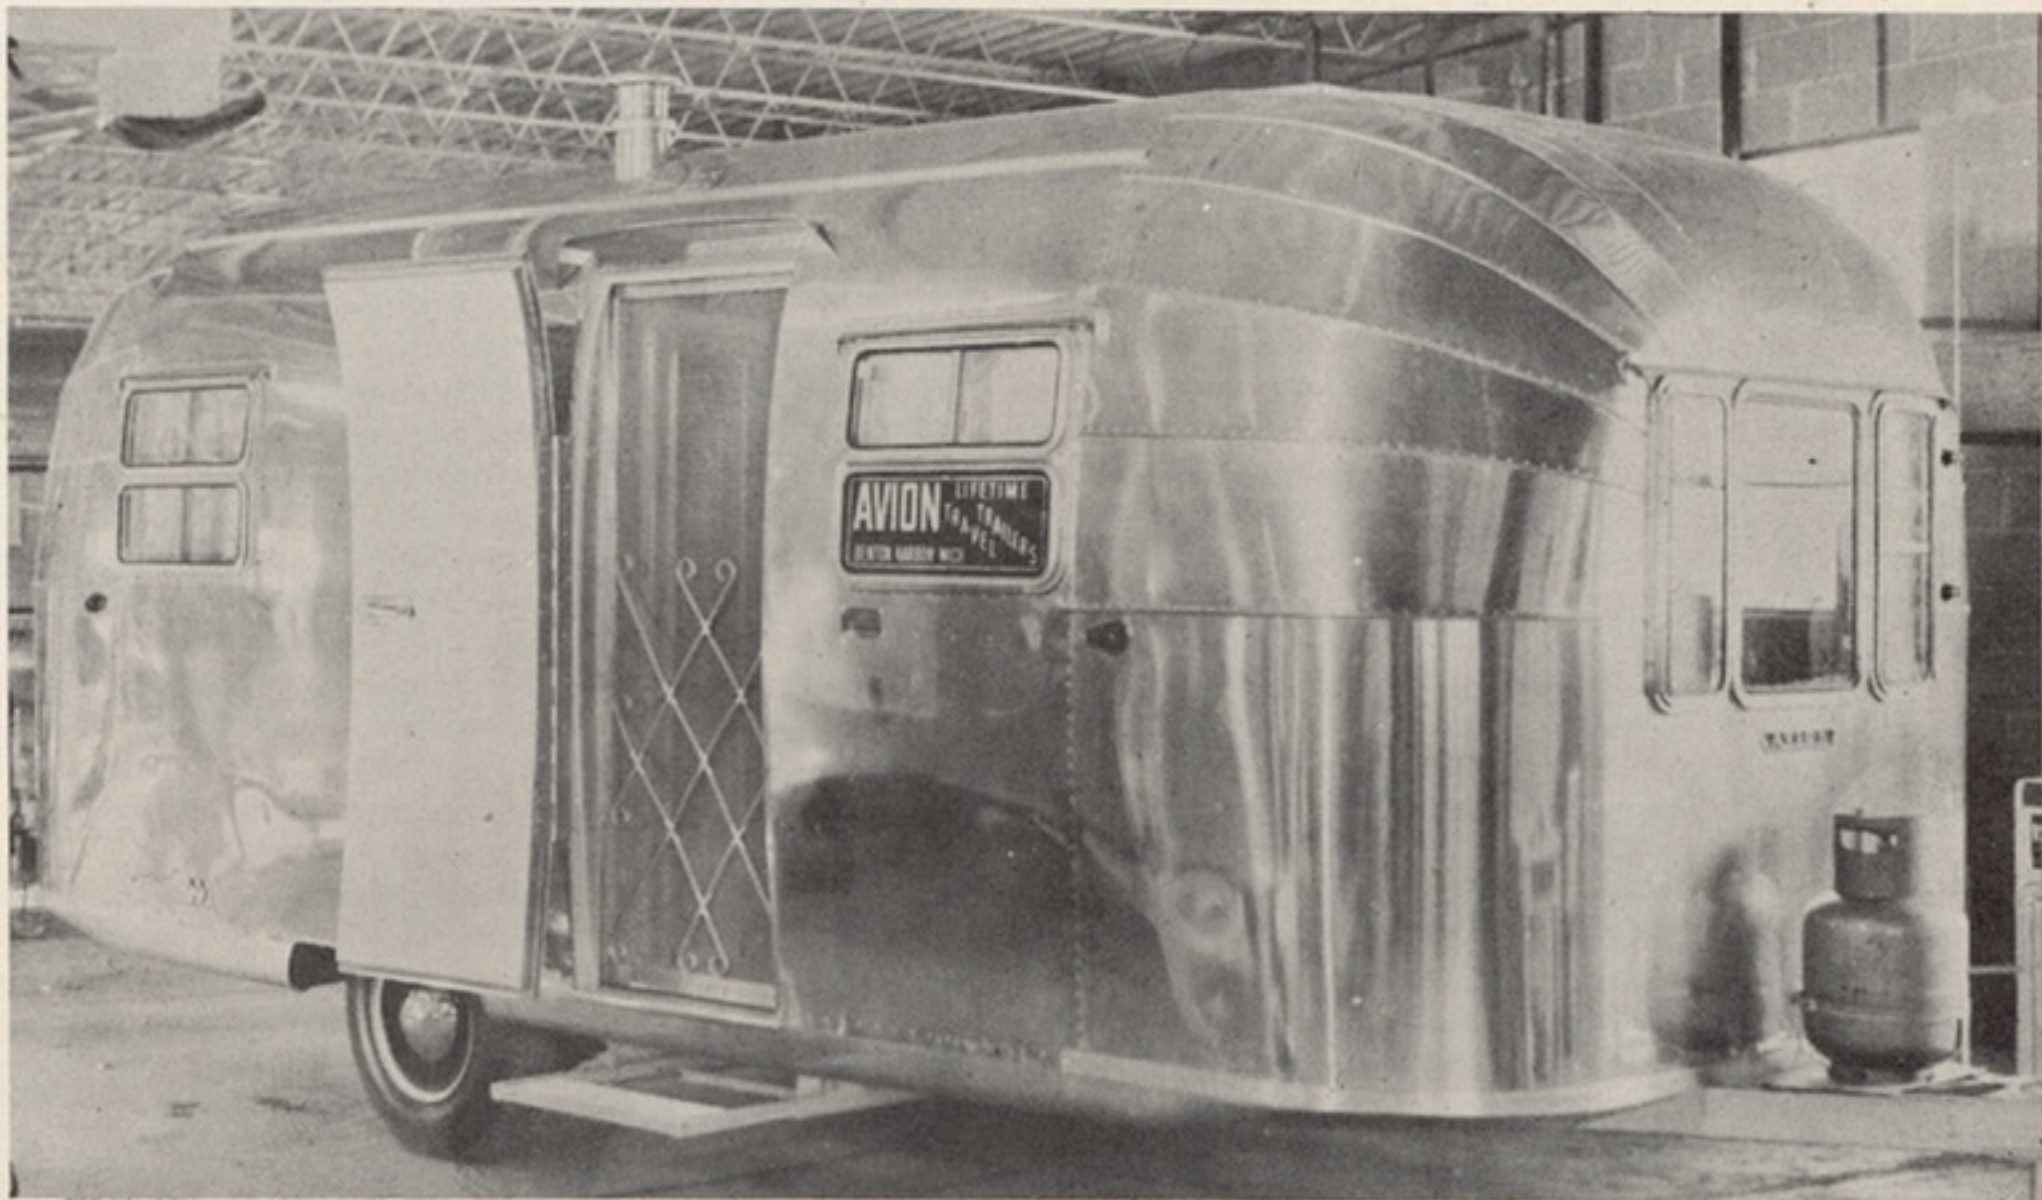

Take to the woods, mountains or seashore with comforts-of-home convenience—Avion convenience. You'll enjoy luxury accommodations—shower with tub, toilet, complete kitchen (gas or electric), birch cabinets, etc. Avion's tough-muscled aluminum construction is featherlight, weather resistant; its low center of gravity assures a limousine-smooth ride. Many optional "self-contained" features give you go-anywhere freedom without dependence on outside sources. See your Avion dealer today and write for FREE Catalog TP.

# New Travel Trailer By Avion

Avion Coach Corporation, Benton Harbor, Mich. introduces new 20 foot Rambler model travel trailer. Trailer's inside width at floor measures 7 feet and has an approximate overall weight of 2300 pounds. Two models are offered with choice of dinette or sofa converting to double bed.

Avion Coach Corp. announces its new 20-foot rambler model travel trailer designed to accommodate four persons. As are Avion's 23-foot Rover and 26-foot Regal models, the Rambler travel trailer is an all aluminum riveted aircraft type construction.

Available in twin or double bed models, the Coach is also equipped with four-burner gas range, combination ice-electric refrigerator, and marine type toilet in vanity cabinet.
