

Player Sponsorship

Thank you for your interest in supporting an Eastern Elite Volleyball athlete. Your sponsorship directly helps offset the cost of participating in club volleyball programs and allows our players to compete at both the state and national levels.

About Eastern Elite Volleyball

Founded in 2012, Eastern Elite Volleyball is a competitive youth volleyball organization committed to developing confident, skilled athletes while promoting teamwork and sportsmanship. As proud members of USA Volleyball and AAU Volleyball, we provide players with training and competitive opportunities that challenge them to grow.

Our program emphasizes comprehensive athlete development, focusing on technical skills, game IQ, work ethic, and character—all within a supportive and motivating environment. Eastern Elite athletes learn to compete with integrity, represent their community with pride, and grow both on and off the court. Teams participate in state and national tournaments, giving athletes the chance to test their abilities against top competition across North Carolina and the country.

Sponsorship Recognition

Eastern Elite Volleyball greatly values the support we receive from our sponsors and is proud to recognize the businesses and individuals who help our athletes. As a token of our appreciation, business sponsors will be featured on the Eastern Elite Volleyball website for one year.

Your sponsorship helps offset the costs of training, travel, and competition, giving athletes from communities across eastern North Carolina the opportunity to grow and compete. We are sincerely grateful for your investment in our athletes and our community. Your support provides meaningful experiences, fosters personal growth, and creates a positive, competitive environment for our players.

Thank you for supporting our athletes, our program, and the communities we serve. Your contributions truly make a difference.
