THE MEDVIL MESSENGER

SAVE THE DATE!

Saturday, November 5, 2022

Medvil Cooperative Annual Meeting

The Derryfield Restaurant

625 Mammoth Road, Manchester

Registration & Continental Breakfast
8:30 – 9:00 AM

Annual Meeting
9:00 -11:00

Voting, Election Results & Raffle
11:00 - Noon

Candidates' Statements for all positions on the board that are up for election will be sent to you in a separate email. You will have the opportunity to meet the candidates and ask them questions at the annual Meet the Candidates Forum on Saturday, October 15th at 10:30 AM immediately following the monthly coffee house held at the PLC.

ANNUAL MEETING BUDGET OPEN FORUM

We know you have questions, so we are providing an opportunity for the community to come together and ask them.

Saturday, September 24th
9:30 – 11:00 am
Partridge Lane Club House
Upper level

It's that time of year again and the board has developed a proposed budget. The Medvil

community will be voting on this budget at the Annual Meeting scheduled for November 5th (more information on this meeting will be provided at a later date). This open forum is your opportunity to ask questions so you will have a better understanding of where the community is financially and why the board is proposing this budget. Copies of the proposed budget will be handed out to all attendees. Due to the location of the forum, we are unable to Zoom the event.

Please note: a forum was also held on August 23rd prior to the publication of the newsletter.

COMING ATTRACTIONS

Fish Fry
16 September

Concord Coachmen
21 September

BOARD NOTICES

OPERATIONS

My mother was right when she said, "The older you get, the faster the time goes by." With that being said, fall is right around the corner and with it come the falling leaves and more leaf bags but, as in years past, we will get through it.

A project completed over the summer was the replacement of the stairs and ramp in the front of Partridge Clubhouse. Much of the wood was rotted and the decking was starting to twist, causing a serious tripping hazard. Since both decks and ramps have been replaced, the only thing left for maintenance projects at Partridge is the window replacements, which was approved for 2023. As much as some enjoy the sliders because they let in a lot of light, they also let in a lot of heat in the summer and cold in the winter due to their age. The heating and cooling in that building is electric so the current situation with the windows is not very

energy efficient.

The carpet at Donald Drive Clubhouse has been replaced, which was a very involved project as far as emptying out the clubhouse for the installers. It was a weekend spent at the clubhouse, but I think the results were worth it.

We announced last week at the coffee house and the Board meeting that we had a theft at the Maintenance Building that had to be reported to the Police. Someone broke into the yard and siphoned the diesel fuel from both the trash truck and the backhoe. Because of the cost of diesel fuel today I'm sure I don't have to tell you that it was a hit to the fuel budget. There was a camera in the yard at the time, however, it was focused on the bays that hold the mulch and loam, and salt in the winter. It has since been repositioned to encompass the three F350's and as of now the trash truck and the backhoe are being parked inside. Locking gas caps were purchased for the F350's as a precaution and we are still searching for one for the trash truck. We also added a motion sensor flood light that will cover the majority of the yard. With the possible

upgrade to our phone system and internet we will be installing a second camera to ensure that the entire yard will be under surveillance.

Another project that had been approved for this year was 6' fencing to enclose the Maintenance yard. Ironically the fence was delivered the day before the theft was discovered. The majority of the fence has already been installed and time has been scheduled for its completion.

The split rail fencing has all been treated again, as recommended, to protect it from the elements. Mowing and weeding continues to take place.

We have one request. Residents have begun to drop off metal at the maintenance building, leaving it in the yard or in front of the building. We ask that you please keep it for pickup on metal Monday, which is the first Monday of the month.

Thank you all for reading and as always, thank you, Jeff, Fred and Jarod, for all your hard work in keeping the community looking its best.

Odie/OD

RE-ESTABLISHING A NEW COMMITTEE

Some residents have suggested the Board of Directors establish a new ad hoc committee to investigate ways for residents to save money and then distribute that collected information to the community. Well, we are working to re-energize our Resource Committee and several of our residents have jumped at the chance to participate. Current committee chair Dorrie Kossuth has agreed to stay on as chair; joining her are current committee member Carolyn Lane, Finance Committee member Richard Ball, Board President Lucille Pelletier along with Board members Anita O'Brien and Jim McNeil are bringing their collective knowledge to the group. If you are ready to help and you know any one of these individuals, please reach out to them. You may also call the

Reception Office (603-497-4440, ext. 0) and leave a message for Dorrie.

A LITTLE CLARIFICATION

When Medvil residents asked for a dedicated space to grow vegetables, the community garden area was established. Interested residents were assigned a 10' x 20' plot with access to water, later on fencing was erected to keep animals out; now it appears that it's not the animals helping themselves to the vegetables. A few of the gardeners have notified the board that some of their vegetables are being stolen out of their gardens.

Some people have said that the term 'community garden' suggests the harvest is available for anyone in the community to take, however that is not the case. If you didn't grow it, please don't take it.

OTHER NOTICES

CRAFTERS NEEDED

In conjunction with our 10/1 Fall Festival, the Fundraising Committee encourages residents who do all kinds of crafts to reserve a craft table for \$10. In order to cover the cost of a separate ad, we need at least seven crafters. You can call Irene Gagne @ 603-622-1869 to reserve or if you have any questions.

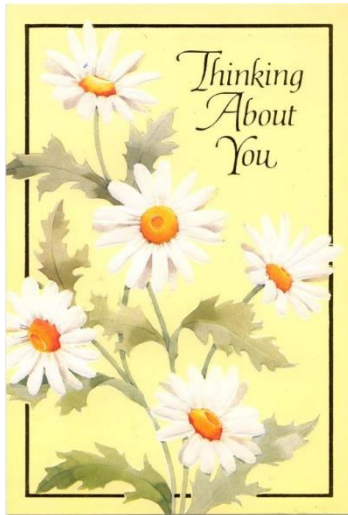

MONDAY NIGHT CRIBBAGE CLUB

A notice that the Monday night cribbage starts on 9/12 to play for fun & learning at PLC from 6:30 pm to 8 pm. Anyone interested in joining the group should arrive by 6:15 PM. We play until the end of March and there is no cost. Contact Irene Gagne at 603-622-1869 if you plan on attending or if you have any questions.

SUNSHINE LADY

Is there someone you know in our Medvil community who would like to have their day brightened a little? Maybe a *Thinking of You*, *In Sympathy* or *Get Well* card would be nice. Please let me know and I will be happy to send a card to them. There's nothing nicer than knowing your friends and neighbors care about you.

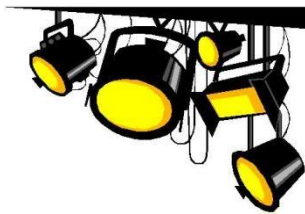

Please call or text me at 603-851-5209. You may also leave a message if there is no answer.

Thank you.

Linda Robinson

COMMITTEE REPORTS

EVENTS COMMITTEE

Our August events are done and by all accounts everyone who attended had a great time and enjoyed what we offered (especially the fish fry.) September events include another fish fry on the 16th and a presentation by the Concord Coachmen Chorus on the 21st (see the attached flyers for more information and how to sign up.) Now would be a good time to mark your calendars for October! On the 8th we are hosting an Apple Fest followed on the 12th by a Health Fair held in conjunction with Goffstown PD; we round up the month with the always popular Halloween Party & Pasta Supper scheduled for the 29th. Everything

you need to know about these upcoming events will be in the October edition of the newsletter.

Deb Cyr

FUNDRAISING COMMITTEE

Contact Irene Gagne at 603-622-1869

Fundraising Pool—The winner for 7/1 was Rachel Tessier and 8/1 was Barbara McLaughlin for \$250 each. All numbers are being played with a guaranteed winner. There is currently one resident on the wait list. **Call the Volunteer Office to place your name on the list – 603-497-4440, Option 0.** It's only \$5/month and you can play more than 1 number.

Yard Sale—Our next yard sale is 10/1 and we are looking for donations and volunteers.

Please call Irene to arrange a drop off or a pickup. However, we do not take electronics, TV's, large appliances, furniture, or exercise equipment. **Please do not place any items in the mail houses or libraries.**

Consignment store – We are now consigning again and have sold 9 of the 14 items brought in so far.

Cookbook – We have decided not to do a cookbook.

Fundraising Purchases – Residents wonder what we do with the funds we raise. So far this year we have purchased CPR equipment for in-house training, two vacuums for the PLC, updated bingo equipment at the DDC, special stones for the dog park, and a small refrigerator for the PLC kitchenette. These items are not part of our operating budget. A more comprehensive list will be included in a newsletter at the end of the year.

Committee Members – We are a committee of eight and we are looking for more members.

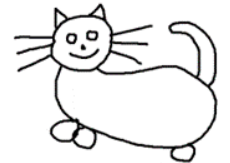

Ideas Needed – You don't have to be a committee member to give us suggestions for projects to use our funds. We purchase items that benefit the Medvil community – call Irene with suggestions and costs, etc. or ideas for a fundraiser.

Irene M. Gagne

The second step is to locate a realtor. Please consider letting Medvil Real Estate help you sell your home. Sales benefit Medvil community. Medvil RE Committee - 497-4440 Prompt 2 Website: www.medvilcooperative.com Homes for Sale

Dorrie Kossuth, Chairperson

THE FERAL CAT PROJECT

Contact Donna Duford at 603-622-8450

There have been some concerns raised about our Feral Cat Program. The two most common are that the feeding station is attracting more cats, and that there are feral cats living outside in our community, while there is a rule against *pet* cats being outdoors unsupervised.

When this program was first proposed, people expressed concerns about attracting more cats. It makes sense that we might attract more cats by putting out food for them. Fortunately, this doesn't seem to be the case. Multiple times since the Manchester Animal Shelter set up the feeding station, a game camera has been set up for days to weeks at a time, and there has not been an increase in the number of cats eating there. I can only hypothesize about why. The most likely reason is that there has always been food available for outdoor cats. The farm next door, like most farms, provides food in the form of rodents that are attracted to livestock feed, and we have always had, and still do have, Medvil residents who put food out for the cats. The feeding station just gives us a way to attract cats to a specific location for trapping.

As for pet cats not allowed outdoors unsupervised, this is a rule that was voted on by the community and would require a vote to change. The feral and stray cats have likely been around at least as long as

It is not uncommon for a person to find themselves in need of a little help from time to time.

If you could benefit from a little friendly assistance, don't hesitate to reach out to the Helping Hands Committee.

Need a prescription picked up? Maybe a few groceries? Or even a ride to/from a doctor's appointment?

Safety and health are of great concern and importance to everyone, so gloves and masks will be available.

If you need help or have any questions about the Committee and what they do, please reach out to Anita O'Brien at Medvil21@comcast.net

Or by phone at (603) 494-4246.

REAL ESTATE COMMITTEE

The Medvil Real Estate statistics from June 17, 2022 through August 12, 2022: seven showings, two Purchase and Sales Agreements, two closings, and currently one listing.

If you are thinking of selling your home, the first step is to fill out the Intent to Sell form. **This form can be found on our website at medvilcooperative.com. The Intent to Sell can be filled out online and printed then given to Medvil Real Estate Office 30 days before listing your property.**

the farm has been here. From what I understand, their population was quite large in the early years of the cooperative. When I moved here about 11 years ago, I saw multiple cats on my street every day.

The goal of our program is to reduce the population, not support or increase it. The way the program reduces the population is three-pronged. Young kittens are placed in foster homes for socialization and then adopted. Adult cats that show some signs of tameness are put into a special program to socialize them. Most adult cats are too feral to become house cats and are returned to Medvil after being vaccinated and altered. All cats that are trapped are given veterinary care and get spayed or neutered.

Last year Friends of Manchester Animal Shelter (FMAS) trapped and neutered 9 adult cats and 20 kittens in Medvil. Five of the adults were females, all of whom had litters. If they hadn't been spayed, they each could have had up to 3 more litters before winter. Some of the female kittens could also have had litters as early as late summer/early fall. Through the program, we *reduced* the feral cat population by 23 (20 kittens and 3 adults who were adopted) and prevented possibly **dozens** of additional kittens!

This is the only option to reduce the population. By our limiting reproduction, the numbers stabilize and eventually decrease. We are fortunate that the Manchester Animal Shelter has set up this program for us. They serve the city of Manchester and are not obligated to address animal issues in other towns. The program costs Medvil nothing in money or labor. Without them, we would have untold and increasing numbers of litters of kittens each year.

As always, PLEASE CONTACT ME if you see cats or kittens in areas not near the feeding station on Partridge Lane. Thanks!

Donna Duford 603-622-8450

IN SYMPATHY

Heartfelt condolences to those who have recently lost a loved one:

- John and Denise Menczywor in the death of John's mother Emily.

We meet them in the lives they've shaped. We enjoy them in the jokes and wisdom they've passed down. Be active in the community they've built. It is a way of walking with them into the future. It is a way of never losing them.

Linda Robinson, Sunshine Lady (603) 851-5209

MEMBERS' CONTRIBUTIONS

TASTY TIDBITS by Cat Pragoff

Can you believe it's autumn already? We're now past Labor Day and the gardens are ready to be harvested. I'll bet most of you have a surfeit of summer squash and zucchini that you'd like to put to good use, so here are some recipes that do just that, whether you're making them for yourselves or to share with friends. Enjoy!

Zucchini Pancakes with Yogurt-Feta Sauce (makes 4 servings, 3 pancakes each with 1/4 cup sauce)

Ingredients:

Pancakes

3 medium zucchini, trimmed (about 8 oz each)
3 Tbs fresh dill, chopped
3 large eggs
2 tsp fresh lemon juice
6 Tbsp whole wheat pastry flour, plus more as needed
1 small clove garlic, grated
2 Tbsp grated or finely minced onion
1 tsp olive oil
1 tsp baking powder
1/4 tsp freshly ground black pepper

Sauce

3/4 cup plain Greek yogurt
3/4 tsp salt, divided
1/2 cup crumbled feta cheese
4 Tbsp olive oil

Directions:

- Using the shredding attachment of your food processor, shred the zucchini; transfer to a colander, toss with 1/2 teaspoon of salt and let drain for 10 minutes. Then squeeze it with your hand to get out as much of the liquid as possible.

- While the zucchini is draining, combine the yogurt, feta, dill, lemon juice, garlic and 1 teaspoon olive oil in a medium bowl. Set aside.

- Beat the eggs in a large bowl. Add the shredded zucchini, flour, onion, baking powder, salt and pepper, then stir to combine, adding more flour one tablespoon at a time if the batter seems loose.

- Heat 2 tablespoons olive oil in a non-stick skillet over medium heat until the oil shimmers. Scoop the batter by slightly less than 1/4-cup dollops and spread in the pan until each pancake is about 3-1/2 inches in diameter. Cook until pancakes are crisp on the outside and warmed through, approximately 3 minutes per side; transfer to a plate and repeat with the remaining oil and batter.

- Serve immediately with the sauce.

OPENING DAY OF ZUCCHINI SEASON

This next recipe comes from the *American Diabetes Association Cookbook* and works well with zucchini or summer squash, plus the other vegetables noted. It's very tasty, too!

Vegetable Lasagna

(makes 6 servings)

Ingredients:

- 1 cup carrots
- 1 cup zucchini, sliced
- 1/2 cup red bell peppers, sliced
- 1 cup spinach, chopped
- 1 cup low-fat cottage cheese
- 1/2 low-fat ricotta cheese
- 2 egg substitute
- 1 tsp fresh basil, minced
- 1 tsp fresh oregano, minced
- 1 tsp ground black pepper
- 2 cups low-sodium marinara sauce
- 9 lasagna noodles, uncooked

Directions:

• To prepare the vegetables, steam the carrots over boiling water for 2 minutes. Add the zucchini and steam for 2 more minutes. Add the red pepper and steam for 2 more minutes. Add the spinach and stem for 1 more minute. Remove the vegetables from the heat. In a bowl, combine all the remaining ingredients except the marinara sauce and the lasagna noodles.

• In a casserole dish, place a little marinara sauce on the bottom, laying 3 noodles on top of the sauce. Add a layer of noodles and cover with a layer of the cheese mixture. Add some sauce. Repeat. Add the last layer of noodles and top with some sauce. Refrigerate overnight. The next day, preheat the oven to 350°F. Bake the lasagna for 40 minutes until it bubbles. Let stand for 10 minutes prior to serving. Cut into squares and serve.

• NOTE: If you prefer to bake the lasagna immediately, cook the pasta before layering it.

This month's final selection can be a breakfast, lunch, or even supper choice. Feel free to mix and

match the cheeses, herbs, and veggies from your garden to suit your palate.

Zucchini Frittata

(Makes 6 servings)

Ingredients:

- 10 large eggs
- 1/2 cup heavy cream
- 1 tsp kosher salt
- 1/2 tsp freshly ground black pepper
- 1/2 cup grated sharp cheddar cheese

- 1 Tbs olive oil
- 1 red onion, peeled & thinly sliced
- 2 cloves garlic, minced
- 1 small zucchini, halved lengthwise
- 12 cherry tomatoes, halves and thinly sliced
- 12 basil leaves finely chopped
- 1/2 tsp fresh thyme, minced

Directions:

• Preheat oven to 375°F. In a large bowl, whisk together eggs, cream, salt and pepper. Stir in the cheddar and set aside.

• In a cast-iron skillet, heat the oil over medium heat. When the oil shimmers, add the sliced onion and sauté until it's translucent, about 5 minutes. Add the garlic and zucchini; cook until the zucchini begins to soften, about 2-3 minutes more.

• Add the tomatoes and cook, stirring occasionally, until the liquid evaporates, about 3-4 minutes. Remove from the heat. Sprinkle the herbs over the cooked vegetables.

• Pour the egg mixture over the vegetables, then transfer the skillet to the oven. Bake until the eggs are just set and the top of the frittata is light and golden brown, about 20 to 25 minutes. Remove from oven and let it sit for about 10 minutes. Cut into wedges and serve.

GOOD STUFF WE FIND

...and other stuff
you want to know
about

SEPTEMBER MIDNIGHTS

Lyric night of the lingering Indian Summer,
Shadowy fields that are scentless but full of singing,
Never a bird, but the passionless chant of insects,
Ceaseless, insistent.

The grasshopper's horn, and far-off, high in the maples,
The wheel of a locust leisurely grinding the silence
Under a moon waning and worn, broken,
Tired with summer.

Let me remember you, voices of little insects,
Weeds in the moonlight, fields that are tangled with asters,
Let me remember, soon will the winter be on us,
Snow-hushed and heavy.

Over my soul murmur your mute benediction,
While I gaze, O fields that rest after harvest,
As those who part look long in the eyes they lean to,
Lest they forget them.

Sarah Teasdale

The Budget

Our first Q & Q Forum to answer questions was held on Tuesday, August 23rd and by the time the forum started at 6:00 pm all the seats were full. Some of the questions put forth by residents were important enough that we thought it would be a good idea to put those questions, along with the answers out for everyone to read.

Question: Why are we calculating cash flow now and what was it in the five previous years before we were calculating it?

Answer: Previously our mortgage payment was not considered because we were not paying a lot towards the principal but rather much more in interest. Once the ratio changed, it affected how it was calculated as an expenditure. That was why we moved \$100,000 from our reserve account to the operating account over the past two years. We will be reviewing our previous financials in order to better understand when the problem began.

Question: How much did the insurance go up because of the dog park and who pays for all the improvements?

Answer: The dog park yearly insurance is approximately \$400.00, and all improvements are paid for by those residents who use the dog park. It does come with its own rules for those who use it. The \$400.00 was voted on by the board and is part of our yearly budget. Committees and groups such as bingo, cribbage, mahjong all use the clubhouses and are not charged anything for the use of the buildings whose maintenance, heating and cooling are also part of the yearly budget. The dog park should be considered another amenity that contributes to our community.

Question: What are our employees paid and how many do we have?

Answer: We provide a total cost for the employees' wages, taxes, etc. but we have never released the rate of pay any employee. Our budget allows for two full-time maintenance people and one seasonal part-time individual. The budget also provides for one 16-hour administration person.

Question: Why are we paying people to answer the phones when someone at the meeting said they volunteered and never got a call back?

Answer: All people who answer the phones in the reception office are volunteers and do not get paid. When we need volunteers, we reach out to the community and appreciate everyone's willingness to volunteer.

Question: Why is a Shelterlogic approved for maintenance but not for my car in my driveway?

Answer: A Shelterlogic cover is currently being used to cover the sand and salt piles in the maintenance yard. Maintenance is looking for another unit to cover all the trucks, the backhoe and the trash truck in order to protect them from the elements; it is also significantly cheaper than building a new garage. Shelterlogics are not allowed in driveways according to our rules.

Question: How many more speed bumps are going to be put in this year?

Answer: No more speed bumps are planned this year.

Question: When was the fence on Partridge Lane approved?

Answer: It does not affect this year's budget and was approved previously by the board because there were problems with people driving on the grass and damaging the asphalt at the edge of the road. The cost to purchase the fence fell below the cap the board is allowed to spend without a membership vote.

Question: What is tree replacement as a budget line item for?

Answer: To replace trees that have been removed from the front of resident's homes with appropriate trees or shrubs however until we can come up with a plan that allows us to replace trees that won't damage our water and sewer lines in the future, those plans are currently on hold.

Thank you to all who took the time to come on the 23rd. If you were not able to make it that evening, another Q & A Forum is scheduled for Saturday, September 24th at 9:30 am at the Partridge Lane Club House.

FRIDAY NIGHT FISH FRY

September 16th ~ Donald Drive Club House

Serving at 4:30 or 5:30 pm

Here is what your friends and neighbors have to say...

Happiness for me is a Medvil Fish Fry! For \$10.00 I get a piece of delicately fried fish that fits beyond my plate with an end that flips up in a curl. The meal comes with tartar sauce, cole slaw, french fries, and a delicious dessert! Where could I go for dinner this good and this inexpensive? Nowhere! Add friendships and neighborly encounters and I am happy! ~ Jocelyn D. Bergeron

I went to the fish fry last night. The meal was wonderful, the fish was cooked to perfection the French fries were hot and crisp, the coleslaw (made fresh); you will never get a better meal for ten dollars. If you have never been to the fish fry, you are missing out, try once and you will be pleased. ~ Pam G.

Thank you everyone on the events committee for the haddock fry. It was so delicious. I appreciate all the hard work of the committee and able to go early so I can make cribbage is great. ~ Carmen G.

What do you get for just \$10.00?

- A good-sized portion of deep-fried haddock
- The best French fries you'll ever taste
- With coleslaw and dessert

No tax, no tip, and beverages are available.

Don't forget your money!!

Make your reservations and pay at the Reception Office daily from 9:00 am to 4:00 pm.

Sign-up closes on Wednesday, September 14th @ 4:00 pm

The Events Committee would like to thank the residents of Medvil for their continued support of all the activities we host throughout the year; all of which allows us to offer low cost/no cost events and helps defray the cost of our annual Christmas Party.

The Events Committee is pleased to present

The Concord Coachmen Chorus

The Concord Coachmen Chorus is a fine group of men that have been delighting audiences in the greater Concord, NH area since 1957. Their name is derived from the old "Concord Coach" which transported people from New Hampshire to Boston many years ago.

They enjoy singing music of all types be it doo-wop, gospel, jazz, and pop in the Barbershop style. They love to sing for audiences of any size, indoors or out... and they are coming to Medvil!

Wednesday ~ September 21st ~ 6:00 pm

doors open at 5:30 pm

Partridge Lane Club House

Light Refreshments will be served

Seats are limited so **you must sign-up!**

Call the Reception Office at 603-497-4440, ext. 0

Monday – Friday, 9:00 am to 4:00 pm

Because this is a free event, attendance is limited to Medvil residents only.

FUN FACT: How long do you think the Concord Coachmen Chorus has been performing? 10 years? Perhaps 20 to 30 years? Well, you might be surprised to hear that they have been performing for over 65 years!

FREE TRANSPORTATION FOR GOFFSTOWN RESIDENTS

RIDE THE GOFFSTOWN SHUTTLE

Monday - Friday, 9:00am to 2:00pm

Ride with us to your next hair salon appointment, grocery store visit, social gathering, medical appointment, and more!

- Rides to medical appointments, riders with disabilities, and those age 62+ receive priority booking.
- Reservations can be made as early as 1 week in advance, and no later than 24 hours prior.
- Connect with MTA Route #6 at Shaws Plaza for Manchester, Concord, and Nashua service!
- All buses are ADA accessible!
