

2013 WALTER BYERS WINNER

The Walter Byers Post Graduate Scholarship Program recognizes the top male and female scholar-athlete in the NCAA. It is considered to be the NCAA's highest academic award. The recipients each year are the one male and one female student-athlete who has combined the best elements of mind and body to achieve national distinction for his or her achievements, and who promises to be a future leader in his or her chosen field of service. Winners receive scholarships for post graduate study. The stipend is \$24,000 for an academic year, and can be renewed for a second year.
