INTERNATIONAL SOCIETY OF AUTOMATION

ISA DELHI SECTION

From the Desk of President:-

I am glad to present before the members, the Year 2022-2023, Issue-I of this Newsletter of ISA Delhi Section.

ISA-D members continued to come together to support one another and drive positive change in the automation industry. We identified new areas of opportunity to further accelerate growth and success, and with enhanced virtual tools tried to support our society members.

Through ISA, we aim to expand adoption & impact of this new technology by creating a space where ideas, thoughts, and conversations can come together to pave the way for a fully automated enterprise of future.

All of this work was guided by our progressive and forward-thinking of all ISA-D members and we shall continue to do the same. We welcome ISA-D members for active participation in society to bring in change in automation industry.

From the Desk of Secretary:-

It gives me immense pleasure to present before the members this Ist issue of our quarterly newsletter for the period July, 2022.

Through ISA, we aim to expand adoption & impact of this new technology by creating a space where ideas, thoughts, and conversations can come together to pave the way for a fully automated enterprise of future.

We are also actively engaged in student section activities and conducting SIL Certification course after 2 years of pandemic crisis

I certainly wish that with the support of our active members, we can organize many more Technical Events in up-coming months.
