

over 100 years of *innovation*

LK700X elliptical

The LK700X with its 20.5" stride length and ultra low step up height of only 7.75", make it the ideal elliptical for settings with space constraints or low ceilings. The innovative upper front drive is smooth, silent and strong, adding to the durability while alleviating cumbersome guide rails and wheels, and ultimately reducing maintenance costs.

- Bright Red LED for accurate workout feedback
- 24 Built-in programs and 21 levels of electronically controlled resistance
- Self-generating, no external power required to operate the equipment. Enables flexible placement within a room without regard to power outlet location
- Innovative Upper Front Drive Design eliminates rollers for less noise, smoother action and better durability
- PCS II Soft Step pedals reduce impact for a more comfortable workout
- Minimal Q Factor provides the optimal biomechanics for less impact on the body during a workout

SPECIFICATIONS

- 20.5" Stride Length
- LED Display
- Self Generating (No External Power Required)
- Polar® Heart Rate Strap Compatible
- Contact Heart Rate Grips
- Multi-Grip Handlebars
- Integrated Reading Rack
- 24 Built-in Programs
- 21 Levels of Resistance
- PCS II Soft Step Pedals
- Chrome Plated Iron Arm Swivel
- Oversized Sure-Grip Pedals
- Stainless Steel Bolts
- Water Bottle Holder
- Transportation Wheels

Commercial Warranty

Frame: Lifetime | Parts: 3 years | Labor: 1 year

Light Commercial Warranty

Frame: Lifetime | Parts: 5 years | Labor: 1 year

Residential Warranty

Frame: Lifetime | Parts: 10 years | Labor: 2 years
