E-READING VS TRADITIONAL READING

While some readers may enjoy sitting down with a new book in their hands, turning through page by page and enjoying that “new book smell”, others have taken to a new way of reading.

Pigeon District Library offers a few different ways for readers to find their latest book. The Overdrive system can be found on our website and will be going through some changes in the near future.

According to Pew Research Center (2016), books being read in the e-book format has increased by 11% since 2011 while regular print reading has decreased by 6%.

For our patrons, we offer great resources

that are accessible through most smart devices including phones and tablets. World Book is another great resource that is offered that allows readers of any age to explore educational tools such as mathematics, social studies and science.

Freeding offers some educational information in the form of study guides, self-help guides and history and biography information.

Overdrive offers a large variety of your typical everyday reads. It is a great place to find the next novel or short read that you have been looking for or even just something simple to pass the time.

Check out all of our online resources and feel free to stop in or give us a call if you have any questions!

Night School

by Lee Child

It's 1996, and Reacher is still in the army. In the morning they give him a medal, and in the afternoon

they send him back to school. That night he's off the grid. Out of sight, out of mind. Two other men are in the classroom—an FBI agent and a CIA analyst. Each is a first-rate operator, each is fresh off a big win, and

each is wondering what the hell they are doing there. Then they find out: A Jihadist sleeper cell in Hamburg, Germany, has received an unexpected visitor—a Saudi courier, seeking safe haven while waiting to rendezvous with persons unknown. A CIA asset, undercover inside the cell, has overheard the courier whisper a chilling message: "The American wants a hundred million dollars." For what? And who from? Reacher and his two new friends are told to find the American. Reacher recruits the best

soldier he has ever worked with: Sergeant Frances Neagley. Their mission heats up in more ways than one, while always keeping their eyes on the prize: If they don't get their man, the world will suffer an epic act of terrorism. From Langley to Hamburg, Jalalabad to Kiev, Night School moves like a bullet through a treacherous landscape of double crosses, faked identities, and new and terrible enemies, as Reacher maneuvers inside the game and outside the law.

Dear Universe,
Is anyone out there? Thinking no one is reading, a blogger who calls herself LBH writes about her most personal feelings, especially her overwhelming loneliness. She goes from day to day showing a brave face to the world while inside she longs to know how it would feel if one person cared about her. Alex Bartlett cares. He's reading her posts in Day-

tona Beach, Florida. Nursing his own broken heart and trust issues, he finds himself falling for this sensitive, vulnerable woman whose feelings mirror his own. Following a trail of clues LBH has inadvertently revealed, he discovers that she lives in the small town of Midway, Utah. He makes his way there just after Thanksgiving, determined to find LBH. Maybe she's a Lisa, Lori, or a Luanne. Instead, he finds a woman named Aria, a waitress at the Mistletoe Diner, who encourages Alex in

his search while serving his pie along with some much-needed sympathy and companionship. Alex finally finds his LBH, a woman who is as beautiful and kind as he imagined she would be. How can he tell her that he knows her secret? What's holding him back? Could it be his feelings for Aria?

YOUNG ADULT UPCOMING ARRIVAL

Firefight

by Brandon Sanderson
From the #1 *New York Times* bestselling author of *Words of Radiance*, coauthor of Robert Jordan's *Wheel of Time* series, and creator of the internationally bestselling *Mistborn Trilogy*, Brandon Sanderson presents the second book in the *Reckoners* series: *Firefight*, the sequel to the #1 bestseller *Steelheart*. They told David it was impossible—that even the

Reckoners had never killed a High Epic. Yet, *Steelheart*—invincible, immortal, unconquerable—is dead. And he died by David's hand. Eliminating *Steelheart* was supposed to make life more simple. Instead, it only made David realize he has questions. Big ones. And there's no one in Newcago who can give him the answers he needs. *Babylon Restored*, the old borough of Manhattan, has possibilities, though. Ruled by the mysterious High Epic, *Regalia*, David is sure *Babylon Restored* will

lead him to what he needs to find. And while entering another city oppressed by a High Epic despot is a gamble, David's willing to risk it. Because killing *Steelheart* left a hole in David's heart. A hole where his thirst for vengeance once lived. Somehow, he filled that hole with another Epic—*Firefight*. And he's willing to go on a quest darker, and more dangerous even, than the fight against *Steelheart* to find her, and to get his answers.

**Firefight* is book two of the *Reckoners* Series. *Steelheart* is the first and *Firefight* is followed by *Calamity*.
