

# Wadham School

A Church of England Community School  
Making opportunities to learn and achieve

September 2020

Dear Parents and Carers

## ADMISSIONS SEPTEMBER 2021

At this time of year, we should be looking forward to welcoming you in to school, so that we can show you, at an open evening and open mornings, the fantastic educational experience we can offer your child. Unfortunately, that will not be possible this year. We have been unable to reconcile the general advice, to limit visitor numbers with the general exception of the 'rule of 6' to educational settings. In common with most schools, therefore, we will not be offering these opportunities, this year.

If you go to our website, the link is below, you will find a dedicated page of information and short videos, which while it cannot replicate the normal open evening experience, is designed to give you an indication, a flavour of life at Wadham School and the values we stand for and hope to develop in our students. There you will also find a link to the online booking form, required by Somerset County Council, an online version of our prospectus and a way to ask any questions you may have.

Please do take a look and I hope we will be able to meet in person, very soon.

Yours faithfully,

Matthew Gardner  
Headteacher
