## 2019 BIBLE-READING SCHEDULE

The Bible is a unified story that tells of God’s great plan to redeem sinful people through His Son, Jesus Christ. Everything from Genesis to Revelation needs to be viewed through that single lens. However, couched within that single story, are countless themes that are repeated again & again throughout the pages of Scripture.

This special Bible reading plan will highlight 26 great Bible themes, spread across both the Old & New Testaments. We’ll spend two weeks on each theme, reading one chapter a day, five times a week. Even if you fall behind, this plan is optimal for picking right back up with the schedule and continuing with that week’s reading.

Though Bible reading isn’t always easy, it’s not meant to be an aching pain in our side, or a constant deadline hanging over our heads like a storm cloud. Reading the Bible is intended to be something that God’s people love (**Psalm 119:97**). So delight in the time you set aside to listen to your Father (**119:174**). Enjoy the purity of it (**119:140**). Embrace the wisdom of it (**119:98**). Feel the comfort in it (**119:91**). Treasure the riches of it (**119:14**). See wonderful things in it (**119:18**). Enlarge your heart by it (**119:32**). Live the power of it (**119:80**).
