

Stop the Heroin Facts to Help with your Fundraising Efforts:

- Stop the Heroin seeks to change lives by helping people who are getting ready to graduate from inpatient rehab transition into a sober living home, but who lack the funds to do so.
- Stop the Heroin was founded in April 2016, and as of January 2017, has helped 48 people into a sober living home.
- We focus on sober living because we feel it fills a gap in the recovery process, one that is not often recognized as a necessary and viable. Without sober living, most addicts will return to the living situation where they were using previously. Sober living offers a supportive peer environment that gives them an opportunity to integrate into productive society. In fact, according to a Johns Hopkins University School of Medicine report, those who attend day treatment and live in a sober living facility or drug-free housing were 10 times more likely to avoid relapse.
- We are an organization that is ran 100% by volunteers. No one makes a salary or receives any money for their work.
- 100% of funds donated go exclusively to the operation of Stop the Heroin and to place people into sober living.
- Stop the Heroin was formed after founders Bill & Tammy Schmincke's son, Steven James Schmincke, passed away after a heroin overdose the day before Easter 2016. As a means of therapy and healing for themselves, their continuing efforts focus on providing successful graduates of rehabilitation programs assistance for entry into a sober living home. Stop the Heroin's ongoing goal is to provide the means for survival and recovery for individuals who desperately want to escape the misery of addiction. Read the whole story as told by Bill & Tammy at: www.stoptheheroin.org/our-story.html
- Check out the press Stop the Heroin has received from the media at www.stoptheheroin.org/news.html
- Stop the Heroin has a sober living home called Steven's Place in Pleasantville, NJ. It houses 10 men plus a house manager and offers a structured program to help men transition into productive living. You can find out more info at www.stoptheheroin.org/steven-s-place.html

Logo Guidelines

From a design perspective, our logo is clean, sharp, and understood. It is a quick communicator of the harshness of addiction and urgency for a solution. In its simplicity, there's authority. In its understatement, a refusal to bow to passing design fads, which earns it one additional adjective: exceptional.

The clear-space rule

Always position the logo for maximum impact and give it plenty of room to breathe by having white space surrounding the logo. This will help to ensure our logo's visibility and legibility. The clear space for the logo should be equal to 1/2 the width and 1/2 the length.

Minimum size

When reproducing our logo, be conscious of its size and legibility. Use common sense — a signature that is too small ceases to serve any useful communication function. Generally, our logo should never appear less than 3/8" tall in printed materials, and no less than 48px tall in the digital realm.

In text:

Our organization is Stop the Heroin, with "Stop" and "Heroin" always capitalized and "the" in lowercase. Fonts used must be easily readable. Stylized fonts are to be avoided.

The logo:

The Stop the Heroin logo is our most valuable brand asset, and is a highly recognizable part of our organization. The logo has been carefully designed and should never be altered in any way. These examples illustrate how NOT to use the logo, but do not include all instances of misuse.

Do not:

- alter the logo in any way
- use any part of the logo as part of another word
- redesign, redraw, animate, modify, distort, or alter the proportions of the logo
- surround the logo with — or place in the foreground over — a pattern or design
- rotate or render the logo three-dimensionally
- add words, images, or any other new elements to the logo
- replace the approved typeface with any other typeface
- enclose the logo in a shape or combine it with other design elements or effects
- modify the size or position relationship of any element within the log
- add additional copy to the logo
- our logo should never appear less than 3/8" tall in printed materials, and no less than 48px tall in the digital realm

I accept and agree to abide by the terms of these guidelines with respect to my Third-Party Event(s) to benefit Stop the Heroin. I hereby release and agree to indemnify and defend Stop the Heroin, its officers, directors, volunteers and agents, from and against any and all claims, loss, liability, damages and expenses (including reasonable attorney's fees and other costs of litigation) imposed against or incurred by Stop the Heroin arising out of or related to any event I host or any violation by me of these Third-Party Host Fundraising Agreement guidelines.
