

2025 X-12 Hillclimb Full Of Surprises In Utah

Words by Ron Dillon

On May 2-3, 2025, Utah’s only hillclimb, known as X-12, fired up for the eleventh time, near Plymouth, Utah, off of I-15 near the Idaho/Utah border. For the first the event was not part of any hillclimb series. This added a lot of flexibility, allowing pro riders to run nitro, and steel paddles for the first time, and although the pro rider turnout was noticeably down this year, many of the other classes had numbers similar to prior years, in fact some classes were bigger than ever, and X-12, biggest hill in the sport, brought riders from: Washington, Utah, Idaho, and Wyoming. A huge win for everyone was the (finally) construction of a nice return road, courtesy of heavy equipment operator pro, Tyrel Nish. This greatly sped up the program and made it way easier and faster for the select few that topped the hills, to easily and quickly get down. More staff than ever also pretty much (nicely) shut down the play riding by mostly mini bikes that has been an irritant in the past, and a water truck (thanks Brandon Ball) kept pit dust way down.

Enthusiasm is always high in Utah, and partners and supporters were: Rockwell Time, Spike Motorsports, Box Elder County, Frank May Ski-Doo, Cache Valley Honda/Yamaha, Rockwell Time, Rupp’s Trucking, Roche Ranches, Ballz Clothing, Lincoln Financial, R&R Machine, Dylan Hoopes, Ridgetop Concrete Cutting, Christian Motorcyclist Association, Funtastic Lemonade and Gearheads. Corporate Maverik were finally able to send out their film crew, led by Tim Roberts, and they shot a huge amount of footage which will show up in the future on gas pump and fountain drink screens at the nearly 900 Maverik locations throughout the West.

Five different hills were used over the weekend, with 343 entries of all sizes and shapes, doing battle. Scores of stock, trophy bikes ran on their own 1,025-foot hill on Saturday, and in a shocking, stunning twist, a stock bike FINALLY made it over the giant hill (for the first time since 2018) when Utah’s Rick Johnson putted, twisted, hopped and turned his way over the huge, insanely steep hill in a time of 1:08.4 on a TRIALS BIKE!!! The author has witnessed many shocking events occur at motorsports competitions over the years, but Johnson’s ride probably takes the cake as the biggest upset ever, proving once again that horsepower doesn’t always rule the day. Johnson said that he had the worst case of arm pump in history when he finally hopped over the summit, but he accomplished what many considered to be impossible, on a bike that was totally illogical for the task.

With less rider numbers, it made sense to reduce the event from three days, down to two, which meant that Saturday night was primed for a party, and for the first time ever, some awesome tunes were laid down Saturday night by very popular Utah band, Ruff House. They put on a great show and it was a great way to end the weekend and the hillclimb.

The organizers again wish to extend a hearty "helmets off" to the sponsors, donators and partners. A big thank you is in order to Matt Cherington, Derek Vockel, Ryan Scadden, Spanky Flint and his Dirty Dog Racing Crew, Russ Fearn and “Widowmaker” Moe Lund, scorer Amber Speth, and “Badlands Blair” as well as Jacob Knight and Jacob Johnson. The event could also not have happened without the support of the Box Elder County Commissioners, the Fielding EMS staff, and adjacent landowner, Cody Reese. Utah’s ONLY hillclimb will return on May 1-2, 2026. For more information visit: www.x12events.com or call Ron at (208) 573-4255. Please let us know if we owe you a trophy as a few guys didn’t stick around to pick them up.
