Library & Information Services Journey

India is one of the most dynamic and eclectic countries on the planet. Representing diversity in all its forms—people, religions, traditions, clothing, dialects, and habits—this remarkable country links East Asia and Europe but belongs to neither. From the exquisite majesty of the Taj Mahal, to the pink allure of Jaipur, to the legacy of Mahatma Gandhi, India exudes a sense of mystery and promise.

Program Highlights

- 7 nights / 10-day journey through the Golden Triangle
- Explore **Old and New Delhi** including a visit to the India Gate, Red Fort and Jama Masjid.
- Check a visit to the **Taj Mahal** off your bucket list! A mausoleum built by Shah Jehan for his queen Mumtaz Mahal, the Taj Mahal is said to have taken 22 years and 20,000 craftsmen to construct.
- **Accompanying guest program** available on this itinerary.

Focus on library services

- Explore India's rich cultural heritage as you learn about their library services including visits to local **public and university libraries** and interaction with experts in the field from **DELNET-Developing Library Network**.
- Sit down and **talk to your counterparts** about some of the major challenges facing India's libraries and the innovations happening throughout their country today.

Focus on the community & culture

- Spend time with a facility dedicated to giving back like **Disha: Resource Center for the Disabled** who provide an opportunity for children with multiple disabilities to develop to their full potential.
- Gain authentic cultural insight during an evening spent enjoying a **home-cooked meal with a local family**.
