

RecoveryWerks!

Changing the world through recovery one *underserved* community at a time

Our Mission:

RecoveryWerks! provides proven recovery support services in a safe and nurturing environment for teens and families in rural communities affected by substance use. We educate, partner with local agencies, and advocate for strong community support systems to reduce the stigma of addiction and increase recovery success.

Our Beliefs:

Recovery works when there is a belief in a Higher Power.

Recovery works when physical, mental and spiritual issues are addressed as a whole.

Recovery works when clients are empowered to break the cycle of addiction and dependency through the 12 steps.

Recovery works in fellowship when clients feel safe and have access to education, counseling, sponsorship, and support groups.

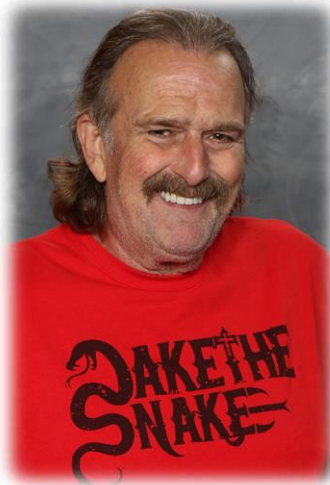

All donations to RecoveryWerks! are tax deductible and have a huge impact in bringing recovery to teens and families in our community.

Visit our website for online giving or for more info.

Let's Get Ready to Rumble! JAKE "THE SNAKE" VS. ADDICTION

March 14, 2025 @ McKenna Events Center

Menacing, intimidating and totally hypnotic in the ring, Jake "The Snake" Roberts was a Superstar capable of taking you down physically as well as psychologically. Slithering to the ring with a monstrous python concealed in a burlap sack, Jake used fear as a weapon as deftly as he used pain. His DDT finishing move is still one of the most brutal finishers ever unleashed on a Superstar.

Whether competing in the ring, or burrowing into the psyches of his opponents, Jake "The Snake" Roberts will go down in the annals of WWE history as one of the most cunning and lethal Superstars ever to step between the ropes. The reptilian warrior ultimately slithered into the WWE Hall of Fame on April 6, 2014.

See next page for more on Jake.

Saturday, Dec 7th: Holiday Market

Let's celebrate together!

no cost to clients because of
generous individual donors
and support from our
community partners.

Recovery Through the Holidays

Regular attendance at recovery support group meetings can make a BIG difference in recovery success over the holidays. Adding in a counseling session or two may also be helpful if extra support is needed. Remember, when school is not in session, we've got activities and trips to keep the teens busy and surrounded by a healthy support system.

Teen counseling call (830) 312-9612 or Family counseling call: (830) 310-2585

More on Jake "The Snake"

Jake was as successful as a professional wrestler could be in the 1980's and became very famous. In 1999 he was featured in a documentary film about the reality of the wrestling business called "Beyond The Mat." This film exposed the severity of his drug problem to viewers in a way that nothing ever had before. He continued to struggle with addiction for over a decade. **Jake survived because God had a plan for him.** In 2015, he was the subject of another documentary called, "The Resurrection of Jake the Snake." His longtime friend Diamond Dallas Paige reached out to him and helped him to get sober. He began his journey in 2012, although his road to recovery hasn't been easy....He has never given up. He has reunited with his family and learned how to navigate sobriety, learned to balance life through recovery and achieved even more success. He continues to give away his experience, helping a lot of people along the way.
