Tough power coated aluminum deck

Full-Metal JackRabbit Features

- Full Metal, powder-coated aluminum deck interlocking silicone hinges that glide along the side rails.
- Exclusive, heavy-duty Continuous Tension Spring (CTS) allows the cover to open automatically when the latch is turned and retract into a canister at the front of the truck bed.
- Open and close with the built-in pull strap. It engages the latch at 12" intervals.
- Advanced low-profile, independent latch-and-lock handle system.
- No-drill, clamp-in design (most applications) for quick, drill-free installation.
- Full-length handle and over-the-tailgate seal enhances the cover design.
- Fits over fifth-wheel trailer hitches.
- Three-Year Limited Warranty

Prices starting at:
\$1585.00
Plus installation
