### **From Adam Schuster Memorial Committee:**

Hey soccer friends! We have a wonderful and exciting update for the 30th annual Adam Schuster Memorial tournament. Because of the ever evolving and changing government restrictions, the tournament committee met this evening and decided that we would be able to have the tournament based on the state of Ohio's change of stance on the one game per day rule!

We are going to work hard over the next month to make this a successful weekend.

Keep your teams practicing!

We will have registration open over the next few days. When we do, we will notify you to go to our registration link.

If you have questions don't hesitate to reach out to us!

We look forward to a great weekend of soccer October 30-31st and 1st of November.

If you are able to help us in any way, even behind the scenes, please contact Karl Schuster or any tournament committee member.

We'll also need help with selling food in the clubroom for the tournament. Thank you, please contact a board member.

**The Clubroom will be open on Sunday November 1, 2020 9:00am-6:00pm for the tournament.**

**We are still under the Statewide Mask Rule, you must wear a mask upon entering/exiting or moving around the Club! Please take this seriously. We are following the rules to make sure that all our members/employees feel safe about coming in to enjoy our club.**

**If we ask you to please not stand next to someone at the bar for any length of time or wear your mask, etc, please remember we are doing this for your safety and also the club's safety.**

**If found in violation of any of the current COVID-19 rules, we could be fined and/or lose our licenses. We definitely don't want to be in that situation.**

**We're open Monday thru Saturday 10:00am – 10:00pm. We are following the Ohio Restaurant Promise Guidelines to keep our members safe. 6' foot distancing between chairs at bar, also between tables. We have tables set for 4, 5 or 6. No moving of tables or chairs please. We do have both ends of the bar designated as couples, where there are 2 chairs together. There is one service area to get your food/drinks ordered if you are not seated at the bar. Please use this, to sign up for drawings as well and keep that 6' safe distance in the**
