### THE NEWS

Top of the mornin' to you... or evening... depending on whenever you're reading this newsletter. Since St. Patty's Day is coming up, let's all just pretend we're all Irish and find an appropriate tune to play for open mic this month. The lively beats and beautiful melodies of Irish music are always wonderful to hear.

Something important to remember for our March 12<sup>th</sup> meeting is **don't forget to change your clocks and "spring forward"**.

Last Info. for now- Club Member Freddie Alexander will be performing at La Dolce Vita coffee house in Old Arvada on March 25<sup>th</sup> from 7-10 pm. **See him if you can!**

## Harmonica Musings

Harmonica people are all just a little nutty. If you are one yourself, you probably recognize that you kind of live in a fantasy world. Yeah, everyone wants to be able to play campfire songs, but wouldn't it be great if everyone would just recognize you as the prodigy /super talent times ten that you are. With just three notes of your music, you're able to bring tears of joy or sorrow to anyone on the planet. Your music is the inspiration for building empires, solving world hunger and creating heaven on earth!
