

CAPABILITY STATEMENT

Big T Trucking & Logistics provides both **short-haul bulk material transport** in northwest Florida and **long-haul logistics services** from its headquarters in Crestview, Florida.

CORE COMPETENCIES

We transport **PAVING MATERIALS, CONSTRUCTION SUPPLIES, DIRT, ROCKS, SAND, GRAVEL, ASPHALT** and other large amounts of loose materials to and from locations in northwest Florida.

- Our dump trucks are equipped with open beds that allow for the secure transportation of our clients' materials.
- We measure each load.
- We have **18 wheelers** and **CDL A drivers** available to ship goods throughout the U.S.
- We maintain a network of material suppliers available for sub-contracting.

Keep your project **on-time** and **on-budget** by working with our team of dump truck hauling experts!
