Discussion on Car Show

Dennis asked for volunteers for the 2019 Car Show Committee and anyone interested in being Car Show Chair. Once the committee is formed a number of items need to be addressed:

Dennis reported that the Armonk PBA is not interested in two car shows one in July and another in the Fall. Their major fundraiser is a golf outing in the fall. The summer car show will be the last Sunday in July. (28th). The Fall car show date is to be determined.

The membership asked if Dennis T. could speak to Lou at the Factoria about the issues we had with their lack of providing what they agreed to; such as breakfast (early); grill with hot dogs and hamburgers that people could bring back to their cars. Billy S. felt strongly that having to carry away garbage was not acceptable. What was disturbing was the fact for the first time, cars arrived and when asked to pay \$20 for the show, refused and entered as spectators. They then left our show. 20 to 30 cars did this. This has to be addressed by the Show Committee.

Rich Dolce, stated that our Armonk show exceeded the participation of the past two car shows at Arroway combined. The question was raised do we need two-car show? A long discussion began. A 2019 Car Show Committee has to be formed before any decisions have been made. It was agreed that the ONE SHOW option must have a viable rain date option. Rich Morgante suggested we look at the Armonk Fire Dept. venue also.

Other venues we are looking into are the Business Park in Armonk, FDR State Park in Yorktown. Bob G. will research FDR.

Dennis indicated that the new Car Show Committee will address: one or 2 shows. The Venue, Rain dates etc. No decision will be made until the Feb. meeting to finalize this.

Feb meeting as date for finalization, a motion was made by Nick C. and seconded by Billy S. Approved by all.
