## Our Tournament

Many thanks to all who have already signed up for the tournament or committees, and to those who have already sponsored. It's not too late to sign up to help or to sponsor the tournament! See Master Nelson, Dr. Lewis, or an instructor.

## Outside the Dojang

One of the great values of taekwondo is the effect it can have outside the dojang (Korean martial arts school). Recently, Patrick Lewis received a promotion to shift manager at his Starbucks. Michael Lewis got recognition as the Employee of the Month at Calder Racetrack – the first Calder employee to receive that honor.

When you receive an award or recognition for something you've done outside of our club, let us know so we can show our pride in you by listing it in this newsletter.

## → Summer Schedule ←
