

Dear Hamilton-Madison House,

Congratulations! Your organization has successfully been certified as a Service Enterprise by Points of Light, the world's largest organization dedicated to volunteer service.

With this certification, your organization joins a prestigious group of nonprofits committed to effectively delivering on their missions by strategically engaging volunteer time and talent.

Without organizations like yours – dedicated to engaging volunteers to drive change – so many local needs would go unmet. With dedication like yours, so many lives are improved and your community is stronger.

Twenty-five years ago, our founder, President George H. W. Bush, called on “the only resource we have that in times of need always grows: the goodness and courage of the American people.” He described what he saw at work in the country as “a thousand points of light...a new engagement in the lives of others, a new activism, hands-on and involved, that gets the job done.”

Thank you for being a point of light, for building our nation's tradition of service and for getting the job done. On behalf of Points of Light, I am honored to welcome you to the Service Enterprise community.

Natalye Paquin
President, CEO
