### President's Message

Fall is back, Summer went fast. It was wet, hot and humid and affected a lot of car shows and cruise nights. Now we look forward to a long Fall, there will be plenty of car related activities. Coming up is our Covered Bridge Tour, it is sure to be interesting.

Sad news on the passing of long time club member Dominick Tucci. He was not too active in the past few years but was always a team member during his membership.

The hotel for the 2019 CTCL Convention is taking reservations , so get yours in while the good rooms are available. Check out the link on our web site. There is a lot of changes going on at CTCL which you will hear about at our next meeting.

Joanne and I attended the Wildwood Boardwalk classic car show. There were several Baby birds as well as some other year birds. It is a very big show covering most of the boardwalk.

Please keep your prayers going for our members fighting health issues  
Enjoy the fall and be careful for wet leaves on the roadways.

*Please stay well  
Pat Le Strange*

**Don't do something permanently stupid because you are temporarily upset**

### Ponder This

"I am" is reportedly the shortest sentence in the English language. Could it be that "I do" is the longest??

### Tech Tips

#### Winter Storage Tip

While we hate to admit it, winter storage season will soon be here.

An item you may want to add to your list in preparing your little TBird for winter storage is to make sure to fully loosen the steering column adjusting collar. Spray a bit of oil around the collar and slide the column several times. Be sure to lay some plastic on the floor to catch any drips.

As a lot of us know, these collars and columns seize from lack of use and they can be tough to loosen if they do.

## **Convention Summary - Knoxville, TN "Thunder 'n Lightnin" in the Smokies**

Before I start the article, I would like to extend our thanks to the Smokey Mountain Classic Thunderbird Club for taking on this convention

We had two groups driving out Rich & Lois Martin and Steve Handy with Joan in their "newer" cars on Sunday, the 12th - they visited Carol & Charlie Ehm on the way down.

The second group left on Monday the 13<sup>th</sup> (Bill & Donna Jessie, Walter Strohmaier (had lost a hub cap on the way to the diner) with Maryanne, Al & Lorraine Cirinelli, Jere Klein; and Pat & Joanne). While gassing up our cars it started to rain, and rain and rain some more! We had a flooded road on I-78 and we got off and waited it out. Walter was having a mystery issue with his car and then our car suffered a wiper motor failure at the Virginia line. We had to pull over three times but we all arrived safely for the night! The next day we continued to Knoxville, no rain thank God but Walter was still having some issues.

Some other members flew into the convention Phil & Dorothy Guidone and their girls; Don Dobres with his sister Darlene; Bob & Toni Sabino, Linda Klein and Bruce Dailey. Tom & Susan Mirro came in on Wednesday with his bird in tow. On Tuesday evening we shuttled over to a very nice restaurant by the University- the Cooper Cellar. Some of us tried Rich's latest drink (Angry Balls); some went back to their hotels and the rest did a little exploring on S. Gay Street and Market Place.

On Wednesday the Sabinos explored the Historical Society and said it was very interesting. Bill & I did the Thunder Road Drive which took you up to the Dam (beautiful scenery), Bush Bean Museum, Factory and Lunch and drove over a National Historic Covered Bridge - the whole road trip was about 96 miles!

Wednesday was the official start of the Convention. The Welcome Party was in the Convention Center and it was very nice to catch up with other club members. Linda Klein (our newbie) won a Signed copy of Vintage and Historic Racing Cars by Alex Gabbard. Bill Long did a Trivia Contest on Tennessee!

NJORTC members took over the outside patio by the bar after the Welcome Party. Al had a fight with a chair and injured his toe nail! (No dancing for him-ED)

Thursday started with the Judges' Training Meeting while some of our members were busy cleaning their cars and getting ready for the judging while some members decided to enjoy the Fashion Show and Luncheon! That evening 5 buses were loaded up for a fun evening at "Dolly Parton Smoky Mountain Adventures" - great food with a fun show based on friends and family. Kudos to the two dog acts and Par Sundquist for being such a good sport!

Friday at 7:00 AM was the Judges and Owners meeting and the Concours d'Elegance got underway at 8:00 am. There was also a Princess Cruise and Luncheon that day which was sold out. The cruise meandered along the Tennessee River with some beautiful scenery and very elegant homes. In the evening it was time to unwind with a Dance Party in the Pavilion next to the Convention Center.

Saturday started off with the Swap Meet at Blackstock. Some of our members did the two road trips - the Thunder Road Tour and the Smoky Mountain Tour with Lunch included. Rich and Lois said the Dragon's Tail had unbelievable views of the mountains. Bill was able to get a wiper kit from Marvin Hill and we were able to install it in 3 hours. Some did a Historical Tour of the Blount House and there was a wonderful historical fair going on!

At the Awards Banquet Bill Long was the Master of Ceremonies and they ran a wonderful slide show during dinner. In addition, Jimmy Wood of the Arizona Club had a very nice presentation on the "Western Classic Round Up" May 15 to 19, 2019 convention in Flagstaff. Reservations were taken for the convention and the Hotel.

Special Awards - Lin Somsak received a Special Tribute for her retirement and years as editor for the "Early Bird" magazine; Perry Anthony and Scott McGilvray got special awards and CL Hood got his 70th judging award WOW! The Ford Johnson Award was given to the Santa Clara Valley Thunderbirds with 15,121 miles. NJORTC had a total mileage of 3,636 miles. Longest Distance was awarded to Clark and Wilma Hamm (well done!). Most Popular Display was awarded to Frank and Cathy Stubbs.

All in All, it was a Wonderful Time with Wonderful Friends and Little Birds. Most Importantly Everyone Got Back Home Safe and Sound! Next year onto Flagstaff - the Road Awaits!! Donna

Let's try to bring the Ford Johnson Award back to the East Coast! If you drive those birds they will run better! It would be 2,296.6 miles from Landing, NJ to Flagstaff and if we get seven cars to go that would give us 16,076 miles. (FOOD FOR THOUGHT !) Bill

Note - Members awards were reported in the September newsletter but are repeated here (ed)
