

Safety Protocols at KCOG

We have implemented protocols for everyone's safety during the pandemic. Please be aware of these and observe them so everyone can stay healthy.

If you are sick, or are experiencing any of the symptoms of Covid-19, please stay home and watch the livestream of our services.

We will have no group meetings until further notice, with the exception of children's church and youth meetings. {See "Keep in Contact During Quarantine" for online opportunities.)

We will continue to practice social distancing, staying at least six feet from others. This includes the aisles in the sanctuary, Welcome Center area and hallways. Please do not gather together in groups.

Every other pew is being taped off. If you see a pew taped off please do not remove the tape. Sit in a pew that is designated for seating.

Also, in order to stay open, it is imperative that everyone wear a mask from your car to the place where you sit, and then back to your car after the service. We would encourage you to keep the mask on during worship, but if you feel you must take it off you may.

If you are uncomfortable with this protocol, please stay home and watch the livestream. It is our intent to protect everyone to the best of our ability to prevent anyone from contracting Covid-19 at our church, and so that we may continue to have open services.

Thank you for helping others stay safe, and for keeping a loving, Christian attitude!

Help Us Build Our New Church Directory

KCOG is putting together a new online pictorial church directory which can be available to everyone who has an email address on file. When finished, we will be able to print a copy for those who would like one. To make sure your family is in the directory, please follow these directions.

For those who already have an email address on file: go to members.instantchurchdirectory.com and create a login account, using the email address on file at the church. Sign in and find your family name. Click “Edit my family,” enter the information needed and upload a picture of your family. It’s that simple!

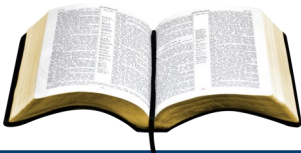

For those who do not have an email address on file: call the church office and let us know your email address. We will enter the information, and you can then submit your information and picture online, using the above instructions.

For those who do not have access to the internet: call or mail the church office, bring or send a picture and we will submit it for you. WE WANT EVERYONE WHO WILL TO PARTICIPATE AND HAVE ACCESS TO A CHURCH DIRECTORY!

Questions? Call the church office and we will be happy to help you!

Ladies Bible Study
