President's Report "My Turn" By Ward Sevila

Happy winter to all - I sure hope everyone is staying safe and warm this winter. Have you ever heard of a Polar Vortex in your lifetime? Me neither, and don't know much about it but I know I don't like it. Speaking of the weather, as I write this article it is partly sunny and 53° and we're expecting 59° tomorrow - I like that! But that four-letter word s-n-o-w is supposed to return on Monday. Oh well, spring can't be too far away but I can't wait.

Member news – happy birthday wishes go out to: Nancy Rohr - 04th, Sherri L. Stanley - 9th, Jane M. Dawson and Susan Hice - 12th, and Dwayne Schnakenberg - 19th. And because the 14th is Valentines Day how about happy anniversary to the following sweethearts: Carmen & Alexis DiGiandomenico - February 1st, Bob Sydnor & Gloria Sydnor - February 10th, Ed & Cheryl Melton - (this had to be Cheryl's doing) February 14th, and J. R. & Carol Roscher - February 29th. Only sick and ailing report I have is poor Miss Sherry - she has the flu. Wish you well Sherry and real soon.

If you missed the annual banquet this year you truly missed a good one as it was like no other I have attended. Forty-three members enjoyed another great dinner and Sherry Gatton and Wayne Burgess provided the entertainment in lieu of a guest speaker. As has become customary at this function, we recognize members who have stood out during the year with the "Presidents Award" for making a difference in the club in a big way. This year Brent Gatton was recognized for his hard work at improving our annual car show and Sherry Gatton was recognized for taking on several key rolls in the club as secretary, newsletter editor, and unofficial social secretary/event planner. I cannot remember an event in the past year or two where these two have not been present and participated in a big way. To my surprise, after the awards Sherry took over the podium, as well as the meeting, and entertained us all with her "special awards" to various members. You'll have to read the article and see the pictures in this issue to see exactly what took place. Next Wayne Burgess gave a wonderful presentation about the divisional tour we will be hosting in May and showed a film about the Sentimental Tour our club hosted in 2001 to show everyone what these tours are about. Finally, Brent Gatton spoke about the raffle items (gas generator, BBQ with table & chair set, and \$100 cash) in support of our annual car show. He also announced that we would once again be attending the Asphalt Angels 2014 Car Show, February 7 – 9 to display the raffle items and requested volunteers to attend the show to sell tickets. Please contact Brent if you can volunteer some time at the show. I know the banquet was a lot of fun for me but several members told me that it was the best ever... I have to agree!

While we do have some items on our schedule (divisional tour, annual car show, and Rivahfest to name a few, the board needs to meet soon to begin planning out the remainder of the schedule. I would like each and every one of you to think about this and provide any of the board members with ideas

for activities you would like to see the club do. This is your club and I know you must have thought from time to time about an activity that would be of interest to all.

Over that last 3-4 months I have been announcing that it was dues renewal time. Unfortunately for those who have still not renewed, this will be their last newsletter until they renew. We don't like to do this but we count on the dues to help pay the cost of printing and mailing the newsletters. If you intend to remain in the club please send your national and regional dues in before the next newsletter.

Finally, I want to express my sincere thanks to the board and all who were involved for the plaque given to me at the banquet. It was totally unexpected but very much appreciated. But I must add, it could not be accomplished without the support of the hard working members of this club.

See you February 13 in Callao at the monthly meeting and Happy Valentines Day.

In lieu of the minutes this month I am submitting this..Can you relate? Cathie says this fits me to a tee!

Forgetter Be Forgotten

My forgetter's getting better,
But my rememberer is broke
To you that may seem funny
But, to me, that is not joke
Or when I'm 'here' I'm wondering
If I really should be "there"
And, when I try to think it through,
I haven't a prayer!

Of times I walk into a room,
Say 'what am I here for?'
I wrack my brain, but all in vain!
A zero, is my score.
At times I put something away
Where it is safe, but Gee!
The person it is safest from
Is, generally me!

When shopping I may see someone,
Say 'Hi' and have a chat,
Then, when the person walks away
I ask myself, 'who the hell was that?'
Yes, my forgetter's getting better
While my rememberer is broke,
And that isn't any joke.

CAN YOU RELATE???

Please send this to everyone you know
Because

I DON'T REMEMBER
WHO I SENT THIS TO!

2014 Annual Banquet

By Ward Sevila

On January 12, 2014 we celebrated with our annual banquet the close of a terrific year and the beginning of a new year, our 21st, and what promises to be a big year with our

divisional tour fast approaching along with many many other activities. A lot of planning has gone into this tour with Wayne Burgess and Peyton Guest mostly shouldering the bulk of the work so far. But if it is to be successful we need that cadre of volunteers (and more) that we count on so often to pitch in as well. But I digress as this is about the banquet that

some have called the best ever. This year included the President's Award given to the two most active members who have contributed much of their time and effort making the club all the better. This year's awardees were Brent Gatton and Sherry Gatton for Brent's work

on the car show and Sherry's tireless efforts as secretary, newsletter editor, and unofficial position as social planner. We also had an excellent presentation from Wayne Burgess on the divisional tour and Brent Gatton began the car show season by introducing the raffle items for this year - gas generator, BBQ with table & chair set, and \$100 cash.

But the real fun began when Sherry stood up and said "we're taking over this meeting and I'm taking this gavel. If you're real good, we'll give it back". She went on to say that she had some awards to give out that were basically recycled from some old never used trophies that had been stored in the club trailer for years. The awards created a lot of laughter as she began by saying "Well anyway, I have some awards to give out and I always like to shake things up. So, I'm going

to start talking, and when the person who I'm talking about figures out I'm talking about them, then start coming up here to see me. Here are the recipients and the awards they received with pretty much the way Sherry worded them:

Lead Foot – Paul Stosch OK this person has been in the club for a long time. He knows just about everybody. He will go and see whoever needs to be talked to, to get things done. He can accomplish this quite **quickly** with a different car for every day of the week. Our President was overheard saying something to the effect that this person was in such a hurry to get where he was going, that Ward could count the teeth in this guys grill – from Ward's rear view mirror. This guy has never allowed any dust to settle around him and still believes he is **in** the races wherever he goes. We are going to call this award "The Lead Foot" award. And it goes of course to Paul Stosch.

Tuff 2 B Kool – Ed Melton For this next award, Sherry turned the podium over to Brent who went on to describe this award as going to the car owner with all the custom features such as automatic locking doors with no door hands. This turned out to be a problem when the battery went dead locking him and Cheryl out of the car. This award went to Ed Melton..

Go Getter – Cheryl Melton) This next person has been a great asset to this club. As soon as she joined the club, she started out at her very first meeting and asked a lot of questions. This is in no way criticism. In fact, it is seen as refreshing! It proves she cares and was listening. It also helps us realize that we should explain things better, especially since we are growing and getting more new members. This person went on to jump in and volunteer to help with the car show in any way she could. OK Cheryl, you can come up here now and I will read the rest of this from your plaque.

Top Raffle Sales – The Harrison's. This next plaque is for a couple. This couple is not only a very important part of the car show (with each of them doing important jobs during the show), but they

offer their help all the time by being on committees, working the fair or even offering copying or secretarial services putting the car show packets together. But this award is for a newly formed position that they both took on with vim and vigor. Last year's raffle sales for this couple together was a total of 384 tickets. So on behalf of the Club, we would like to award this "Top Raffle Sales" award to Harry & Cathy Harrison.

2nd Place Sales – Paul Stosch. Brent & I also want to award this next person because while the Harrisons did a wonderful job selling raffle tickets, they did this as a couple. This next person sold 376 tickets all by himself. So this next award is the "2nd Place Raffle Sales Award" and Paul Stosch, I'm talking about you.

Lost Travelers – Ward Sevila. This next person is a great person and does a lot for the club. He keeps people apprised of lots of events to go to and lets us know all the details about them. He passes out flyers with ALL the information. You know ... important information like WHERE the event is. Trouble is . . . he just might not make it there himself. A whole lot of members could be at an event (that he suggested that we all attend), and everyone would be looking around and saying . . . "where's so and so?" And lo and behold, about an hour or so late, here comes our President! We call this our "Lost Travelers" award.

Behind The Scenes Support – Cathie Sevila. This next person deserves an award for all the things she has had to put up with because of who she is married to. I know a lot of women might think I'm talking about them, but hang on. This lady

has endured her husband being just about obsessed with the car club and possibly cars in general. She has had to form a life around his (too many to mention) duties in the car club. She has

endured him on the phone and computer talking endlessly about the latest event or working out problems or whatever. She has had to sit through dinners and appear to be listening intently about cars, cars, cars! I'm even sure that she has been his rock and sounding board when her husband has had to deal with all the differing personalities in the club. All women have heard their husband say, "Hey, do I have any clean underwear?" But this women has probably heard "Hey, I went to Peoples Bank in Warsaw, and no one was there!" All women have heard their husband say, "Honey, where are my keys?" But this woman has probably heard, "Honey, have you seen my gavel? For all this and *more*, we have the "Behind the Scenes Support" award to go to our President's wife – Cathie Sevila.

Sherry was yet finished saying "now Ward, since we have

been picking on you a little bit here, I have just a few words to say about you . . . just a few . . ." From here Sherry pulled out a pile of computer printer paper and began to go thru the list of things she felt she couldn't say or mention. All very funny and entertaining and then presented me with a wonderful plaque for Outstanding President Award. It was, to say the least, a very special honor but one that certainly gives credit to all everyone in this club. Thank you again for the recognition, it was very touching and very much appreciated.

Mae Lynne brought up the idea of doing another evening out at the Westmoreland Players Theater. So, here are the shows from March to August this year. We would like to set some dates for *Getting Away With Murder* so be thinking about one of the dates listed. We will send out an email with the proposed date for you to consider real soon.

New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does

NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).
