

Vehicle Donation

Offering hope one vehicle at a time

It's more than just a car. It's help and hope.

By donating your car to the Society of St. Vincent de Paul, you offer hope to those in need. We have partnered with One Car One Difference®, a national vehicle donation program with the facilities and services to make the process simple and convenient for you. Your vehicle donation to the Society of St. Vincent de Paul will help a person, family or community.

One of the largest charitable organizations in the world, the Society of St. Vincent de Paul is an international, nonprofit, Catholic lay organization of about 800,000 men and women throughout the world who voluntarily join together to grow spiritually by offering person-to-person service to the needy and suffering in 150 countries on five continents. Membership in the United States totals more than 150,000 people in 4,400 communities. Programs include personal visits (homes, hospitals and prisons); housing assistance; disaster relief; job training and placement; food pantries; dining halls; clothing; transportation and utility assistance; care for the sick, incarcerated and elderly; and medical care.
