

**Mamie-Jean Lamley** Life Long Learner to Influencer to Empowered Leader! Founder and Owner of Empowerment On Fire. That is my journey. My mission is to teach, lead, and inspire 21 million women to stand in their light; to lift-up their voices to powerfully communicate their passion, values, vision; and to speak their message into existence with precision, emotion, and connection! I believe in Empowerment, Integrity and Compassion. You can count on me to show up without judgement! To offer "ruthless compassion" when you get stuck in your story, and I will gently remind you to pause, breathe, correct and continue so that you can focus on where you are going and not on where you have been! I invite you to share in my journey to becoming an Empowered Leader and to be open to the "infinite possibilities" that will happen!
