Double tickets

Bronteoberfest will use a double-blind ticket system. This system assures a fair and unbiased competition. The system requires that two tickets bearing the same number be utilized, one firmly attached to the bottom of the judging container or bottom of a cup in a manner that hides the number, and the other ticket easily removed by the head cook for retention. Winning numbers will not be revealed until time to announce each place in each meat category. At that time, the secret numbers attached to the container will be announced. Teams must present their portion of the ticket to claim their winnings.

Product Containers

Entries will be submitted in Styrofoam containers provided by RBF. No garnishes are permitted in the container. All judging containers should be clean and free of any markings. 1 piece of plain foil (provided by RBF) can be added to the bottom of the container to prevent burning the Styrofoam

The RBF contest official or designated representative will inspect all trays at the time of turn-in to assure compliance with the turn-in criteria. The bean jackpot is open to any type of bean. There may be other items in the cup with the beans. However, non-bean items must not be larger than the size of a bean. Also the contents of the cup should be at least 70% beans. The cup should be filled to at least half of the cup. Beans must be made on site.
