Class Descriptions

Tot Tumble: This class is an introduction to tumbling and gymnastics skills for toddler age children. Parents will participate alongside their child to guide them in their learning experience. We will work fine and gross motor skills. **(NOT CURRENTLY OFFERED)** Cost is \$11 per class or discounted for a session.

Pre-Tumble 1 (Ages 3 and 4): Athletes will learn the basic tumbling skills such as cartwheels, round-offs, forward and backward rolls, handstands and gross motor skills.

Beginner Tumble 1 (Ages 5-8): Athletes will learn the basic tumbling skills such as cartwheels, round-offs, forward and backward rolls, handstands, front and back walkovers, and back extension rolls.

Advanced Tumble 1 (Ages 9 and older or has back walkover): Athletes will learn the basic tumbling skills such as cartwheels, round-offs, forward and backward rolls, handstands, front and back walkovers, and back extension rolls. Athletes will work both dominant and non-dominant side skills.

Beginner Tumble 2: This class introduces the standing back handsprings and round off back handsprings. Other skills such as toe touch back handsprings, cartwheel back handsprings, back walkover back handsprings, back extension roll back handsprings, and front handsprings. **Requirements:** All level 1 skills, including a strong front and back walkover.

Advanced Tumble 2: This class focuses on connecting multiple back handsprings, standing series, and round off series back handsprings. Other skills such as toe touch series back handsprings, cartwheel back handsprings, back walkover back handsprings, back extension roll back handsprings, back handspring step outs, and front handsprings. **Requirements:** All level 1 skills, including a standing back handspring and round off back handspring without a spot.

Tumble 3: This class introduces running round off back handspring back tucks, front tucks, side and front aerials. **Requirements:** All level 2 skills, including a standing three back handspring series and round-off 3 back handsprings.

Tumble 4: This class concentrates on standing back handspring tucks, back tucks, running round-off back handspring layouts, whips, front punch through to round back handspring layouts, whip-layouts. **Requirements:** All level 3 skills.

Tumble 5: This is an elite tumbling class that works standing tumbling to whips and layouts, teaches fulls, arabians, double fulls, etc. **Requirements:** All level 4 skills.

Tumble 6: This is an elite tumbling class that teaches standing tumbling to fulls and doubles, works doubles, arabians, 1 1/2 step out, etc. **Requirements:** All level 5 skills.

Open Gym: This class is open to everyone and offered for athletes to work on their own at their preferred pace. Staff will be present to help spot and supervise. Cost is \$5 per class per athlete who is currently enrolled in one of our other classes; \$10 per class per athlete who is not currently enrolled in another class.

Flexibility Class: This class will focus on stretching techniques with proper form to prevent injury and increase flexibility and mobility. It will also focus on strength training methods that target both large and small muscle groups for stability and control. Through this class, students will be taught techniques to use on a regular basis to help create a sustainable, strong, nimble, and capable body.

Jump Class: This class is all about improving your jumps. We will work a variety of drills to improve technique through your approach, flexibility, leg and arm placement, and landings. We will also incorporate plyometric drills to increase power through speed and strength.

Rec Cheer: Learn the basics of competitive cheer over an 8-week period. Athletes will learn a routine made up of jumps, motions, tumbling, and dance. At the end of the session athletes will have a routine which will be recorded and posted for parents and families to view on social media. Ages 6 -12. **(NOT CURRENTLY OFFERED)**

Private Lessons: Private lessons can be set up with any coach of your choice. Depending on the athlete's ability, this class will be built based on the participant's request of skills. These lessons can focus on jumps, motion technique, tumbling, stunting, flexibility, etc. Private lessons are set up in 30 minute increments. Cost is \$25 for ½ hour and \$45 for an hour lesson. Hour private lessons may be split between athletes. Cost is split between athletes unless there are 3 or more, cost is \$25 per athlete.
