2. The season will consist of 2-16 week halves, starting on September 8th, 2019, with the 1st half ending Dec. 22, 2019 and the second half ending April 19, 2020. The winners of each half from each division, if more than 6 teams, American 1-4 and National 5-8, will roll off to decide the division winner. Then those two teams will roll-off for league championship. A bowler must have bowled 18 games during the season to bowl in the roll-off. Total pins will decide the winner of a three game match. Total pins with handicap for that half will also decide the half champion if two or more teams are tied at the half.
3. League fees are to be paid by every member each night. The fees are \$50 per team. \$38.00 covers the cost of bowling and \$8.00 goes toward the leagues bank account and \$4 goes in the New Prize Fund. Payment is to be made to the league secretary-treasurer by the end of the second game. **REMEMBER, NO PAY---NO PLAY! If paying by check make the check payable to: Sunday Night Leftovers!**
4. Sanction fees will be \$20.00 each for both men and women. Each member is responsible for his or her own sanction fee.
5. Substitute bowlers must be sanctioned. A team will forfeit all games bowled by non-sanctioned bowlers. Sanction cards must be filled out before bowling begins. Subs are responsible for their own fees.
6. Sponsor fees are \$40.00 per team and must be paid within the first three weeks of bowling. Final date is September 29, 2019.
7. Team rosters are to be given to the league secretary on the first night of bowling. This is done by writing the names on your scoresheet. If a regular member is not present, write his name on the roster and notate the substitute. Use first and last names.
8. This league is a couples league. Each team must have two men and two women to constitute a legal team.

9. The Treasurer fee will be \$15.00 per team & the Secretary fee will be \$75.00. This will be paid once the final average sheet has been sent to the local association secretary.
10. Last years final average will be used for handicap purposes for the first two times bowling and then handicap will be based on those scores thereafter, with men being 210 scratch and women being 190 scratch, with unlimited handicap based on 95%.
11. The 7 point system will be used in scoring. 2 points for each game won and 1 point for total pins. In case of a tie, each team will receive 1 point for the win/loss for that game. If there is a tie for total pins each team will receive ½ point.
12. Each team must have two regular bowlers to avoid a forfeit. If an individual is unable to bowl on a scheduled night, they may bowl ahead before the scheduled night of bowling. (See rule #13 for emergency). The person is responsible for getting TWO score sheets for each game. (One for the team and one for the bowling attendant.) Bowling fees should be paid at the time of bowling and left with your bowling sheet.
13. The league will allow pre-bowling in the event of rule #12, but when doing so please be courteous enough to let the opposing team know. If an emergency arises and teams are unable to bowl on a scheduled night, the absence will be allowed as long as the game is made up by the close of business on Friday of the next scheduled week of bowling. You must notify the opposing team captain as soon as possible but before scheduled bowling. The proprietor or bowling counter attendant will assign you the lanes.
