

Enrichment Thursdays

Enrichment classes are designed to complement topics or subjects that have been addressed in class or in everyday life. Children will explore each topic in-depth and have amazing hands-on experiences. We are offering five fun and educational sessions throughout the school year.

Age: Pre-K (entering Kindergarten next year)

Maximum enrollment: 12 children per session

Day/Time: Thursday 12:30-2:30pm

Cost: \$170 per session

Please check session(s) below

☐ September 11 – October 16

Sports – Ms. Amanda/Ms. Katie

This active class will introduce children to the fundamentals of sports such as soccer, basketball and more. Students will gain confidence, improve coordination, and learn the joys of teamwork.

October 23 – December 4

STEM – Ms. Katie/Ms. Amanda

☐ (Science, Technology, Engineering and Math) Our STEM students will participate in science experiments, have fun with math, get hands on with coding, and so much more. This class will be a little messy and lots of fun!

December 11–January 29

Art – Ms. Katie/Ms. Amanda

☐ In this class the students will have an opportunity to use a variety of art mediums. They will learn about color, shape, and design while developing fine motor skills, coordination, and sensory exploration.

February 5-March 12

Music and Movement- Ms. Amanda/Ms. Katie

☐ Students will participate in playful and engaging activities that involve both song and dance. We will be using instruments and making some to bring home too.

March 19-April 23 (No Class April 2nd)

Cooking- Ms. Amanda/Ms.Katie ***ONLY 8 SPOTS AVAILABLE**

☐ Our mini chefs will learn how to prepare a simple recipe that is focused on using ingredients from a different food group each week. Students will bring home recipes and samples of what they cook in class.
