

LEO GALACTIC KEY ALIGNMENT

UNLOCKING ACTIVATION OF LION'S GATE TRIANGULATION

On July 23 (723) the Lion's Gate in the Constellation of Leo 'Opens'. It peaks on August 8 (88) as the Dog Star Sirius, along with the Sun, rise over the Horizon to triangulate with the 3 Belt Stars or Orion. These 3 Stars correspond to the 3 Great Pyramids of Giza as a Mirror of the Heavens on Earth. The July 23 marked the Sign of Leo as the Galactic or Astronomical New Year. It conveyed a Time of Transition, Transformation and Change. One is convinced that the Rapture Event to close-out the Church Age, Began and will End on this 7-23 Place and Time.
