- A. An entrant must be a female member of USBC; if not, she must purchase membership onsite.
- B. Women who identify themselves as professionals, are members, or apply for membership in any professional or semi-professional organization on or after August 1 preceding this tournament shall be eligible for participation as follows: (a) Not more than one such player on a four-woman team lineup; (b) Not more than one such player on a two-woman doubles lineup; (c) Each such player shall be eligible to enter singles and all events. Failure to comply with this rule will result in disqualification.

2. FORMAT:

The tournament shall consist of a four-woman team event, doubles, singles and optional all events. Three games shall be bowled in each event. Highest total pins plus handicap shall be declared tournament champion(s) in each event.

3. AVERAGE REQUIREMENTS:

(Please read carefully) Entrants shall use their highest USBC average in the following order:

- A. As of the end of the previous season (winter or summer) for 21 games or more, OR:
- B. Current average as of January 1 of current season with a minimum of 21 games or more, OR:
- C. Current average of at least 12 games in a USBC certified league, as of the first date of tournament participation.
- D. If a challenge/sport bowling average is the only average available, entrant will abide by the average adjustment scale of current USBC Rule book.
- E. If none of the above applies, entrant will be permitted to bowl using scratch figure of 240.
- F. The delivery hand used in this tournament must be the same as that used when the average was established.
- G. Entrant may request tournament AVERAGE RELIEF in compliance with USBC Rule 4e. If average relief is granted, this rule will supersede the average rules of this tournament.
- H. USBC Rules 319a-2, 319c, 319d and 319e do not apply (average adjustments).

4. AVERAGE VERIFICATION:

Each entrant is responsible for the accuracy of her average whether submitted by captain or others. Average corrections can be made up to the end of the bowler's first game of a series. Falsification of an average will result in disqualification if submitted average is lower than correct average. If submitted average is higher than correct average, prize winnings will be based on submitted average. Averages are subject to verification. Copy of bowler's average profile from Bowl.com must be attached to entry for each bowler. If none, average must be verified with an individual record sheet.

5. MULTIPLE PARTICIPATION:

A bowler may enter ONLY the team event an unlimited number of times; however, a team must change at least two (2) bowlers per entry.

6. SUBSTITUTES:

- D. In case of emergency/disability after team or doubles events have started, a substitute shall be permitted, if available. Combined scores to count and player subbed for cannot return. If no sub is available, only frames bowled will count.
- E. Paid all events are not transferable unless the substitute replaces the original entrant in all three events and the transfer is made by a tournament official prior to the time of the substitute's participation in any event.

7. AWARDS/PRIZE MONEY:

In case of a tie for first place in any event, co-champions will be declared. Prize money for first and second place (or more) shall be divided equally between the teams or individuals tied. Prize checks from the current
