OBEDIENCE AND RALLY TRANSFERS

(previously known as Move-Ups)

After a dog earns its title, it may be moved up to the next class in a future trial even though the closing date has passed. This transfer may be requested if, according to the owner's records, the dog has completed the requirements for the title after the closing date of the trial in which the advanced entry is to be made.

The request for a transfer must be in writing or email and presented to the trial secretary or superintendent at least 30 minutes before the start of each trial. Transfers may be approved, provided the next level class and judge are available and the class has not reached its limit.

Transfers from an "A" to "B" class at the same level are allowed. The request for a transfer must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial or anytime after close of entries. Transfers may be approved provided the class and judge are available, and the class has not reached its limit.
