

DALLAS ECOLOGICAL FOUNDATION

August 26, 2014

SCI Hill Country
P.O. Box 291191
Kerrville, TX 78029

Dear Ms. Jan Strauss,

Thank you so much on behalf of the Dallas Ecological Foundation Board of Trustees for the \$5000.00 donation and opportunity to share Outdoor Adventures with the students at Burnet Middle School. With the shared common goals regarding youth education and future hunters, we believe a bright and exciting program will be generated at the school and in the community. There will be many new hunters, anglers and outdoor stewards created because of SCI Hill Country's commitment. Please share with your membership the huge opportunity to reach out to the new Outdoor Adventures students at Burnet Middle School. I know there will be many eager students wanting a taste of great outdoors.

Thank you again for ensuring the hunting, shooting sports and fishing legacy.

Sincerely,

Scot McClure
Dallas Ecological Foundation Coordinator
