## LITANY

LEADER: Now faith is confidence in what we hope for and assurance about what we do not see.

**PEOPLE: Our faith is the substance of things hoped for, while it is yet unseen.**

LEADER: By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.

**PEOPLE: Our faith is the substance of things hoped for, while it is yet unseen.**

LEADER: Faith is much more than belief. We express our faith through action – by the way we live.

**PEOPLE: Our faith is the substance of things hoped for, while it is yet unseen.**

LEADER: Having faith in Jesus Christ means relying completely on Him—trusting in His infinite power, intelligence, and love.

**PEOPLE: Our faith is the substance of things hoped for, while it is yet unseen.**

LEADER: Faith is a gift from God. Such faith is not something man produces within himself. It is trust, assurance and confidence in God. Living faith is shown by service and obedience to God.

**ALL: We believe that our faith is the substance of things hoped for, and the evidence of things not seen.**
