*'But the Woman was given 2 Wings of a Great Eagle to fly from the presence of the Serpent to her Place in the Wilderness, where she was nourished for a Time, and Times, and half a Time. Then from the Mouth of the Serpent spewed Water like a River to overtake the Woman and sweep her away in the Torrent. But the Earth helped the Woman and opened its Mouth to swallow up the River that had poured from the Dragon's Mouth.'* -Revelation 12:14-16

The purpose of this study is to consider the 'Secret' Calling that will be the Resurrection-Rapture event and its typologies that could be correlated with the 4-Year Anniversary of the Revelation 12 Sign imagery that occurred on September 23, 2017. The convergences presented in this study could have parallel implications for the Rapture of the Bride of Christ in particular. These factors have to do with the Number 4. How so? September 23, 2021, is the 4-Year Anniversary of the Sign. Then there is the typology to consider of how the Parable of the Unfaithful Fig Tree suggests that a 4-Year Probationary Period is in play and perhaps about to expire. Is 'something' expired on 9-23-21? If the Revelation 12 Sign was of a sort of Sign to suggest this, then perhaps.

There is also the raising of Lazarus as a type of the Resurrection and how he was 'Calling-Out from the Cave to be with Jesus on the 4<sup>th</sup> Day. In this aspect, it was the 4<sup>th</sup> Day in which Jesus intentionally waited until Lazarus was indeed dead. Another aspect has to do with how Astronomically, the Mazzaroth's Circuit ends with Leo. This is then before the Sun goes on into Virgo to begin a New Circuit. What is interesting is that the synchronization about the 8<sup>th</sup> Day, corresponding to the circumcision of Jesus from September 9 (9-11) is when the La Palma Volcano erupted. What many have asserted is that if the volcano triggers a mass division of its crater, it will slide into the ocean. This would cause a massive Tsunami that would be directed towards the East Coast of the USA. However, one has reservations about this possible 'Tsunami' from La Palma Volcano destroying all of the Eastern Seaboard of the USA, as many assert.

If one can remember the Indian Ocean 9.1 Earthquake? As powerful as that was, the waves barely did anything by the time they reached the shores of India. And that distance is half way from La Palma to the East Coast of the USA. So, it would have to be an Asteroid type of impact. Such an event would have to affect the Atlantic Ocean and near the USA, to cause the 100 ft or more Waves to top the New York Skyscrapers as seen in the movies and in countless dreams from People. But the Prophetic Imagery of the Red Dragon spewing-out the Water to prevent the Woman from escaping does suggest a Biblical Metaphor of how the Escape, by way of the Rapture will occur as a type for the Bride of Christ. And her being a 'Virgin' as in like the Revelation 12 Sign.

## Coming Resets

The Revelation 12 Sign might be prophetically associated with a double meaning. The 1<sup>st</sup> Woman Motif would be that of the Bride of Christ. The 2<sup>nd</sup> Woman Motif, as in the 'Virgin-ia', the 'Mary-land' could pertain to the USA. The Revelation 12 Sign is associated with a Flight and an actual 'Harpazo' or Rapture event as seen with the Man-Child. How the Palmas Volcano is possibly relevant is how the sequences on Earth appear to mimic the Revelation 12 events, to an extent. How So? Consider how the Woman has a Nemesis, the Red Dragon. It is the Serpent attempting to devour the Woman by opening its Mouth and spewing Water to prevent her from 'Escaping'.

This is exactly how the Biblical Narrative portrays the Eternal Battle between the Seed of the Woman, Jesus and that of the Serpent, Lucifer as decoded from Genesis 3:15. Is this seen in other places in the Bible? Yes. Take the Red Sea Moment from Exodus. It was a similar theme of the Woman of YHVH, 'escaping' the clutches of the Pharaoh. There was an element of Water also and of a Deliverance. When the People of YHVH were between the 'Special Forces' of Egypt and the Red Sea, YHVH provide a supernatural route of Escape. This is exactly what will happen at the Rapture of the Bride of Christ. The Enemy knows that the Rapture approaches and it is at the 'Door'

They sense a coming Reset will occur in more ways than one on Earth after the Rapture; Politically, Economically, Socially, etc. As it pertains to the USA? It is known that the Eastern Seaboard States that are the core of the American Union are named after a Woman, Mary as in Maryland and the Virgin as in Virginia, Annapolis, etc. The point? What if the convergence of Biblical Prophecy is somehow being played-out on Earth even with the Natural Catastrophes pertaining to the USA? What about the Bride of Christ? Do the 'Wings' given to the Woman in Revelation 12 speak of the Rapture? And the point of all this? What if it coincides on the 4<sup>th</sup> Year Anniversary of the Revelation 12 Sign Woman's Escape? And that in a reverse order?

If it is the time when the Red Dragon opens his Mouth as in the La Palma Volcano and likewise attempts to spew Water as in a Tsunami at the 'Virgin America', then the next sequences would pertain to a starting of a Time Count and then the Rapture of the Man-Child. Why America? This study may seem USA-centric but this 'Virgin America' is all that is standing as the last Line of Defense. There is an all-out onslaught by the Red Dragon's to totally devour her, to then the World. The Red Dragon seeks to prevent the 'Escape' of the Man-Child, the Body of Christ is to be Raptured as soon as it is 'birthed'.

Until then, it is this Body of Christ Jesus that the Holy Spirit is using as the main and only Agent of Restraint against the Power of the Red Dragon on Earth. So, when is this 'Escape' to occur? In this case, due to the Summer Season typology, it could correspond to the end of the Summer Harvest, when the Fruit that has matured and 'harvested' out of this Planet. It also has to do with the 4<sup>th</sup> Day and Year and how that occurs on the Shemitah Year where it is the 'Last Harvest' to be gathered-in. It is about then a 'Reset' to occur. Will that also occur for the USA as a signaling that the Reset will coincide with the start of the 7<sup>th</sup> Year of the current Sabbatical Cycle? This Economic Reset perhaps will constitute the New World Order that will only last 7-Years.

## Secret Calling

Moreover, this study strongly suggests that the coming Reset will also involve a Spiritual Reset as well. Like the Birth Pangs of a Delivery, the Contractions are getting more intense and closer together. Thus, this is why many are excited that the Rapture event could occur at this time as the Church Age also concludes with a Spiritual Reset in tandem with the New World Order Reset that is coming. Is not the Rapture one of the most profound and Prophetic Events in the whole of YHVH's timetable after the Birth, Crucifixion and Resurrection of the Son of GOD, Jesus? Would not a Groom, a Princely Son of a Wealthy Landowner be in such anticipation to finally 'unveil' his Bride and see the Wedding and Marriage be consummated with great expectation and longing? The point is that if the Promise of YHVH is true that 'He does nothing before informing His Prophets', then perhaps the Bride in some way, in some fashion will be told the Day and the Hour by Christ if not on that very last Day and Hour even.

The point is that collectively, the Bride does not need to know until that very 'Day' and 'Hour'. The Holy Spirit will bear Witness throughout the whole Body of Christ and be in union, in Agreement and at Peace about it. There will be a 'Peace' and sensitivity that her 'Calling' out as Lazarus is about to occur and to get ready. What are the requirements? It is Spiritual Maturity, Purity, and Humility. What does the 'Ironing out all the Wrinkles' and 'Making her Garments White as Snow' look like? It will like a Mary as opposed to a Martha of the Gospel accounts. It is when Jesus wept at the hearing of the news that Lazarus had died. He purposefully waiting 4 days as it was the custom of the Jews to confirm a Death so that there would be no possible Resuscitation.

As Jesus approached Bethany on the 4<sup>th</sup> Day, Martha rushed to Jesus and basically lectured Jesus about why He could have stopped the suffering and Death of one of His own and that He loved. It was Mary, in contrast that was waiting for the LORD, in Silence, Humility in Brokenness for the Beloved Teacher. She was waiting for the Call. This is the typology of the Bride Jesus wants out of His Church and will get at the Last Day and Hour in His Beloved Bride. The point is that at this place in time of the Bride's history, she needs to be more alert and aware of this pending 'Secret Call' that is not just individually sensed but collectively sensed, perhaps for the 1<sup>st</sup> time ever regarding the Rapture event.

What is profound that many may not have connected is that there is profound Rapture Typology of the raising of Lazarus from the Dead and with the different spiritual disposition between Martha and Mary. It was Mary that was summonsed 'Secretly' and she came to Jesus as He had called her to come to Him. Jesus was moved tremendously within Himself at the Death of the ones He loved. The Bible describes that Jesus showed the 2 Sisters and all the other Witnesses the power to resurrect Lazarus. So too will Jesus call for His 'Mary' in secret to come to Him and show the World the Power Jesus has to raise the Dead in the Rapture event. Will not the Rapture event be a Witness to the World, Israel and the Laodicean Church that Jesus 'Secretly' called for His 'Mary'? Jesus will demonstrate the Power of Resurrection at the point of the Rapture which is a Resurrection. It was Mary who was the one that washed the LORD's feet with her tears and poured the Expensive Perfume with her hair.

The 'Glory of a Women' according to the Bible is her hair. This speaks of the difference between a Believer and a Disciple, of one whom Jesus is just a Savior but not LORD. This is the issue for the Church at the end of her Royal Commission, in her last Day and Hour. What will the majority of the Church end up like? Will it be like a Martha or a Mary? This is not to diminish the disposition of Martha but as a limited typology. Mary is the type of Bride within the Church that loves Jesus with all her Heart and Soul. The Bride of Christ, like a Mary is made ready because of her Suffering that she learned Meekness, Humility during the tribulations experienced throughout the Church Age.

It was thus in her stillness of her Heart that she was able to hear that Secret Calling. That 'Still Voice' of Jesus is key when the LORD called her to come to Him despite the mourning and noise perhaps all around her coming from the World. She was not 'distracted' like Martha. Many are 'distracted'. Will it be no different when Jesus Secretly Calls for His Bride to meet Him in the Air as she is Resurrected and Raptured? Is one such a type like a Mary that will be ready at a moment's notice waiting for the 'Secret Calling' to meet the LORD Himself despite the suffering and noise all around? The key to being like a Mary and 'Secretly' hearing the Call of the Groom to come to Him is to be still in one's Spirit despite circumstances, personal loss and/or setbacks.

This requires one to be Humble, Pure and Waiting in Earnest expectation for His Promises, for the Resurrection Power only found in Jesus. Jesus promised to come back for the Bride and that He would call her to meet Him halfway between Heaven and Earth to then be ushered into the Father's House at the end of her Royal Commission. This will be the time when she, collectively of all the individual Living Stones will be told, 'Well done, Good and Faithful Servant, enter the Joy of the Master's House...' It appears that there has never been a time as now when the collective consciousness of the Church senses that such a monumental change, 'Reset' and countdown is coming.

There is an overall sense of urgency of the Bride of Christ needing to be prepared Spiritually for what is to come prophetically regarding the closing of the Church Age and pending Resets. The difference is that in this Last Day, in this Last Hour for the Church in general, the degree to which those who have the Spiritual Preparedness like a Mary are the ones that will be able to hear the Groom when He 'Secretly Calls' for the Bride. The Gospels teach that Mary, at the hearing of her being summonsed, 'rose up' and went out to meet Jesus. In this Last 'Day', this Last 'Hour', the Bride needs to be like a Mary. Will the Bride of Christ rise to meet the LORD in the Air as she has been summonsed, secretly? As many are sensing this 'Calling', it is like the 'calm before the storm' and the Restraint is holding the line, as the convergence based on the Number 4 comes and goes.
