## GLOBAL GROCERIES & GRUB: A Unique Food Tour

Where do you buy all those unusual ingredients chefs use on the Food Network? Explore new and traditional markets all over the metro area with me. I try to go to all of them and have been in all kinds of fabulous places to taste, sample and eat. I've scoped out the best of the best.

Shop and taste your way through some of Metro Detroit's best ethnic markets and delis. Try something new and find a unique market to return to when you're ready to try that new recipe. We'll also sample food and

eat on the bus as we travel around, so don't expect a sit-down lunch for this one. Bring your own shopping tote and/or cooler. And wear your bus pants. Those with the best and most creative bibs or aprons will win a special discount for one of our trips. We'll visit a couple of tried & true spots, maybe a market that's been featured on TV and one that is so delicious that it's still in the discovery stage.

This trip is for people who are curious about ethnic foods, wonderful markets, deli's and food stops that you wouldn't know even exist or necessarily visit on your own. Expect interesting and awesome products: breads, pastries, spices, jams, spreads, butters, honey, vegetables, fruits, and candies.
