Dear Friend:

Jones Center is joining the new Facebook craze by starting its own **Jones Center Rocks Program**. We are doing this as a way to commemorate our 100 Years Anniversary.

How it works. Kids who participate in Jones Center's program decorated 100 rocks to be placed around the community. Rocks are placed in various locations for people to find such as parks, businesses, and organizations.

What do you do when you find a rock? Once you find a rock, post a picture to Facebook or Instagram. Let people know where you found the rock and share a memory about Jones Center or say congratulations for 100 years of services.

Facebook - Jones Center Rocks 100 Years Group

Instagram - #JonesCenterRocks100Years

Benefit to posting: You will be entered into a raffle to win a free ticket to our 100 Years Gala on November 4, 2017 at the Serbian Social Center in Lansing, IL.

After posting to social media, then what? You can leave the rock where you found it, keep it as a souvenir, or put it somewhere else for someone to find.

Goal of Rocks Program: We hope that our rocks do what our program participants have done over the years. Some stayed, some left and some returned.

Jones Center Rocks is **fun** for everyone - kids, adults, families, and anyone young at heart!

Thank you for assisting Jones Center with celebrating our 100-Year Anniversary. Please visit our website for updates and information about Jones Center.

If you have any questions about the program, please contact Cheryl Cherny at ccherny@jonescenter.org or 708-518-7414.

Sincerely,

Cheryl Cherny
