Special Activities

This summer, DREAM Co. has decided that it will provide a mix of special activities ... some on-site activities and some field trips. This allows us to better control the environment to ensure the activities are safe and fun for everyone involved.

Special activities will be posted during the week and shared with participants. Please note that all special activities are subject to change. Please see the information board for more information.

DREAM Co. takes the safety of our participants, staff, and community seriously. Our safety guidelines help to ensure that our environment is clean and minimizes the potential for COVID-19 exposure. However, should the need occur, DREAM Co. reserves the right to suspend the Summer Program until a time where it becomes safe to continue. Please contact the Aikahi Site Coordinator should you have any questions.
