

DIABETES ASSOCIATION of Pierce County

PANTHER DAY CAMP

Teaching Children to Own Their Diabetes

EVENT DATE: SUNDAY, AUGUST 6TH, 2017 - 1:35PM

The Diabetes Association of Pierce County's Panther Day Camp is the only day camp in Washington dedicated to children with Type-1 diabetes. The camp is locally run and staffed by dedicated volunteers. We provide fun and diabetes education, as well as fellowship for the children attending this week-long day camp. We provide financial assistance for children whose families are unable to afford this life enriching program. Rising costs, combined with diminished funding, now threaten our ability to continue this vital camp. Your support will insure these children can live a full and healthy life with diabetes.

PLEASE CHOOSE FROM THE OPTIONS BELOW:

- A) I would like to purchase _____ tickets at \$20 each;
- B) I would like to purchase _____ tickets at \$20 each to send a Panther Camper to the game; or
- C) I would like to donate \$ _____ in support of Panther Day Camp.
