

HARVEY - IRMA

Together - Lets pray for those impacted by these storms

Heavenly Father,

Lord, You are a God who brings forth good things from the dark times of life. We lift up all those who were in the path of Harvey and Irma. Hear our prayer for those who have been left homeless, those who are struggling and those in shock in the aftermath these terrible storms

Lord, in this time of great need -we ask for Your mercy to touch the hearts of each one who have been impacted by the winds, rain or flooding. Lord, You do not give as the world gives. We ask that You would help each heart not be troubled or fearful.

We live on a fallen planet where selfish rules in the hearts of some. We ask for Your protection over those impacted from those who would try to take advantage of their suffering in the wake of these storms. Expose the plans of those who would try to bring more harm to these hurting individuals. We ask You to supernaturally protect them from all evil and keep them safe.

Fill each of their hearts with peace and comfort by touching their hearts, removing their worry or easing their concern with Your power. Encompass them with Your strength and Your might. Protect their minds from any lies of the enemy. Help them to see You in the midst of it all.

Help us oh Lord. Open our hearts in generosity, give us wisdom and ways to make a difference in the lives of those involved.

In Jesus Name we ask.
