### Alexandra Pate

Vermilion County Republican Women's Club congratulate **Alexandra Pate** for being selected as our VCRWC 2014 Academic Scholarship Recipient. Alexandra's academic achievements are profoundly exceptional and her community service interventions are remarkable. Alexandra graduated from Schlarman High School May 2013. During high school, Alexandra participated in dual enrollment classes at DACC. Impressively, she completed 40 credit hours at the end of her first semester as a DACC student with a perfect 4.0 GPA. Alexandra Pate was inducted into the Phi Theta Kappa Honor Society at DACC during her senior year of high school, thus becoming one of the youngest members. She was elected President of Phi Theta Kappa this year. Alexandra completed over 100 hours of community service while in high school. She participated in the Southwest Children's Library, Festival of Trees and worked in the gardens of St. Paul's Church. She has continued her community service while attending DACC through Phi Theta Kappa efforts to collect Toys for Tots and also to raise awareness of community service significance. Alexandra is currently an employee of DACC Corporate and Community Education and completes approximately 15 hours of work per week. Ms. Laura Hensgen, Coordinator, Continuing Education, stated that Miss Pate "is an excellent employee completing any task given to her with accuracy and in a timely manner." .... "Personally, I believe that with her strong commitment to excel she will go far in obtaining the goals she has set out to achieve in her future." Alexandra plans to transfer to the University of Illinois and pursue a degree in Media Studies upon graduation from DACC. Her excellent academic achievements and effective work ethic most definitely will provide the imperative foundation for Alexandra's future collegian challenges and superior likelihood of success.
