Muse

Actors, Artists, Musicians, Dancers, Models, Writers, Athletes, Career Professionals, Corporate Executives, and Coaches, have all called upon Mary for assistance with their personal wellness, spiritual advice, addictive behaviors, personal injuries, healings, relationships, financial affairs, illnesses and more.

These professionals have called upon **Mary's Modalities** when doctors, psychologists, and rehabilitation programs had little to no effect; when conventional medicines and counseling programs have failed, leaving the *core* causes of the illness still embedded within, only to resurface again creating a toxic merry-go-round.

When called upon, Mary will **Serve** as a **Muse** to the Client, which may begin to **Re-Stimulate** their *Passions, Desires and Intentions for their Gifts*, that may be at a standstill, due to anxiety or loss.

If the **Creative-Fire** has been **Doused** due to an Injury, Illness or other circumstances, the **Muse** will help them adjust their **Mental** thoughts of **Pain, Suffering, Loss of Intentions and Lack of Enthusiasm**, through **Spiritual Counseling, Energy Healings, Advice and Activations**.

In the **First Phase** of Healing, the Mind Beautiful begins to Stimulate and Activate the Heart Center, to expand and receive from what may have been lost. As healings begin to occur, a **Spark of Light is Reignited** that may Stimulate their **Art of Craft** once again.

Through one's healings, a **Positive Energy** emerges from within, and begins to Permeate, Activate and Heighten the **Embodiment's Senses and Abilities**. The **Potentially of Performing** once again opens up fresh New Ideas, Formulations, and Experiences as the **Creative Life Force** Awakens within.

Mary will work with you to **Re-Establish** your health, vitality, strength, and wholeness. After your body, emotions, and spirit have been cleared of negative concepts, Mary teaches you how to **Stimulate** the **Intention Process** with Ideas that she has been given through her **Visions** as she works with you.

She will Activate the Newest Light-Codes through an **Energy Experience** to the Receiver. These Light Codes provide the **Receiver** with an ability to carry the divine frequencies of the newly activated codes within. One will learn how to maintain the vibration of this **New Energy** and to sow **New Seeds** within their **Art** as the beginning of their advanced, expanded expression.

All Sessions are Private and Confidential.

Testimonies

Athlete ~

I have known Mary for more than 20 years. I am an athlete in golf and a natural body builder. I started going to Mary when I was in a bad quad accident in 2005. I had a compound fracture of my collar bone and was told by the surgeon that I would need surgery due to an inch gap from where my bone broke. The last thing I wanted to do was to get surgery since I had heard there is a big risk of re-injuring the collar bone; the plate used is very thin and would easily break again while participating in sports. Mary started to work on me 2 times a week for about 2 months. After the first month of Mary working on me I went back in for an x-ray and could see that the gap between my bones hadn't closed at all, although there was new bone growing in between the gap.

I continued seeing Mary 2 times a week for the next month and when I went back to the surgeon to get my second set of x-rays there was no longer a gap between my bones. The new bone that grew between the bones fused together like a solid rock. *The surgeon said he had never seen anything like it* and that my collar bone was now stronger than before I got in the accident and I avoided surgery. I continue in sessions with Mary to receive activations, calibrations and balancing. I owe

everything to Mary at Guided Hands for helping me get through this without surgery.

Actor ~

I met Mary after a horrible tragedy in my life. With her healings, I was able to put the pieces of my life together. She is an amazing healer. I will forever be grateful to her for getting me back on track.

Writer ~

I have been writing since I was a young child. I used my talent to become a writer in my adult life. After many books were written, I was preparing to begin writing a new one, and I began having writers block. No matter what I did, I could not shake this experience. After hearing of Mary Martins' abilities, I sought her professional and caring services. The experience I was dealing with came to be from a "past life". In no time, Mary recognized the situation and began "what she does", and before you know it, the "karma" from that life-time that was creating the block in the here and now, was completely cleared. I am back to writing my book, and want to thank Mary for her many hidden talents. Thanks so much for all you do. I am ever so grateful.

Singer-Dancer ~

Ok Mary, this **scrying** experience was new to me. I have to admit it FREAKED me out at first, but the more we entered into the most sacred space I have ever been, I relaxed, **and now long for more**. As a **singer and dancer**, I came to Mary in help of finding more opportunity to enhance my abilities. When she tuned into me with

her eyes, and started delivering the messages of hope and clarification, I witnessed something that I JUST couldn't believe. Mary morphed or shape shifted into Michael Jackson. I almost fainted right before her. Michael Jackson's music, dance and talents have driven me to a determined energy of wanting so much more. She explained to me, that the spirit forms will be an energy identity into her, as she raises herself to the 13th dimension. It is there where she described that Oneness is our blend. She also delivered the MOST profound messages from Michael's energy to me that I will never FORGET!!! I mean literally she shaped into him, I just can't describe, and you have to witness this first hand. Thank you for this amazing gift you shared with me, I now know that my song and dance is being choreographed by my newest spirit guide, Michael. GOD BLESS you my closest angel of light.
