Eradicating Evil

March 2nd, 2021

Remind us, today Lord, that the battle belongs to You, and whatever we are up against can be taken down in one fell swoop by Your mighty hand. Please help us to trust in You. Amen.

We were praying the Divine Mercy Chaplet and during the fourth decade while I was picturing the Sorrowful Way of the Cross, I could clearly see the Lord carrying the cross piece on His bruised and bloody back and shoulders in the Eucharist. He was struggling to keep the cross on His shoulders, when one side slid off of Him and touched the ground. The minute the cross touched down and made contact with the road, there was a huge mushroom cloud, the biggest I have ever seen, it almost covered the entire Blessed Sacrament. My blood ran ice cold, then the image disappeared.

I said, "Lord, what does this mean exactly?"

He responded, *"You must all devote yourselves to more prayer and fasting when you are able with the intent of eradicating evil from the earth. Any sacrifice you can make, no matter how small you may think it is, offer it up for the healing of twisted minds and harden hearts, and that those who practice evil will respond to Our promptings so that they will be conflicted and question what they are doing and come to the realization that their actions are extremely damaging and harmful to mass populations of their fellow man."*

"You ask why My People that I have positioned in high places around the world have not revealed themselves and taken action? Some have taken much action which is not being revealed to the public and most are waiting on My timing and will move forward at such a time which will be highly effective in bringing sinners to their knees in repentance, and bring the greatest glory to My Kingdom."

"As you learn to overcome the smaller battles, your faith will grow. As you listen to My voice, you will understand what to do and when to do it. When faced with what seem to be insurmountable to you, you can either be afraid, which is exactly what Satan wants, or you can put your faith in your God and be a giant slayer, moved by your trust in Me. When in doubt, pray to Me and I will deliver you."

"Pray, "Almighty God, I believe that by worshiping and honoring You, I WILL overcome the attacks of the enemy. I tear down everything that the enemy has stripped from me. Today, I bind up every evil force that is attempting to penetrate my mind, heart and soul. I declare according to Your word that whatever I bind on earth will be bound in Heaven. If I have not yet forgiven, Lord, give me the grace and strength to forgive. Help me to trust again. Amen."

And that was the end of His message.

Dear Family, let's stand on 1 John 5, verses 4 and 5, "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. Who is it that overcomes the world? Only the one who believes that Jesus is the Son of God." Amen!

Spiritual Triage For Suffering Souls

March 2nd, 2021

God, thank You for being with us right now. Help us to understand when we need to urgently pray and minister to others and that these souls will know that You are their God, died for them, will forgive them as they forgive others and they shall be saved. Amen.

Blessed Mother appeared to me in a black veil, signifying mourning. "The situation is extremely complicated but any direction they go in could well end in the whole world fighting. Pray for the innocents and the children, the losses for some are tragic. This is what we have been praying will not happen, but this means the world is going forward with war. PRAY...PRAY...PRAY MUCH!

"Pray for the children, the mothers, fathers, sisters, brothers, sons and daughters. Oh, Clare war is such a terrible thing, it is so terrible, oh Clare pray, pray as if **your** life was at stake. My Children, if you do nothing but pray against this war and for those who are going through unbelievable loss and suffering, you will have consoled the heart of many. Also, you may travel there to bring comfort and pray for certain ones."

"How should we do this Mother?"

"Wait on the Lord, take His hand and go with Him. He will escort you to those who are most in need in this hour. All of you heart dwellers, commit yourselves to offering spiritual triage to these suffering souls. Many are Eastern Catholic and are crying out to God, they need absolution and communion."

After she said this I rested in the Lord and Jesus appeared before me. He took my hand and we went inside the area that had been shelled, to minister reconciliation, ask them to forgive and give them the Eucharist. Jesus said, "I will have you to stay here to pray and minister, this is real. No condemnation Clare, just minister."

Dear Family, all of us can go in the spirit to assist suffering souls who are sick, dying and unprepared for death. Comfort them by holding their hand, asking them if they know Jesus, have them forgive all and turn to the Lord for His merciful love will draw them to Himself.

God bless you dear ones.

Chronicles of the Bride - Mother Clare's Heavenly Trip

March 3rd, 2021

On Sunday, here is Mother Clare's experience while visiting Heaven.

"At first the music lifted me like an updraft on wings," Mother Clare began, "I kept seeing a white dove and thought that was me because I had the sensation of the wind lifting my wings. He has taken me by the hand to the throne of glory, I flew in as a white dove, and it was as if my body unfurled from the wings of the dove

and then saw myself very much like the painting Catherine did for me. He took my hand and led me to the Father.

"You are My betrothed, the one I have chosen to be My spouse forever more. Cease your deprecations My Beloved...let them fall away like an old dried out snake skin of the earth, no more is this you, you are My beautiful young bride, every inch alive for Me, every piece of your heart is mine and for Me. How beautiful! How lovely you are My Beloved." His eyes twinkled as He held both my hands in His face beaming with joy. My heart could not contain itself so immersed in His gaze was I.

Jesus began, *"And why should I feel anything but joy? You have become the bride of My dreams, a monument, a memorial to My grace at work transforming a little one, a very, very little one. Oh, wait until you see what you have become, just wait and you will be taken out of yourself in great and wondrous joy, such as you have never dreamed possible. You will experience joy without measure and without end."*

I looked upon His face and He said, *"Clare, I am so happy with you. Even now you cannot fathom or measure it, yes, pleased so very pleased, with what you have become...How lovely you are My beautiful one. I wanted to take this time to tell you Beloved, YES, you are so pleasing to Me, and in a very short while you will know it with all your being."*

"Lord, how I long to see your face clearly."

"I do not want you to pass out."

I waited and His face became clearer and clearer, but the meekness of His demeanor was so humbling, it melted my heart just as though I had never seen it before. He lowered His head covering and looked at me directly, my heart began to pound, such beauty, so regal, so lofty to know the friendship of the King.

And we danced, flowing with the music and yet enchanted with one another, He gently directed my body in each movement and turn. It flowed, shimmered and was heavenly. Then we began to fly around above heaven, all the homes and parks, trees and streams there was even a neighborhood with houses and trees like Dennis the Menace movie.

I began to feel sadness because it reminded me of Illinois. Jesus spoke up immediately, *"There is no sadness here Clare, not even the least little bit. These memories and impressions you carry in your heart, they will be healed and filled with new inspirations."* Then I saw my Father, sitting at a piano with me. He was on the left and I was on the right and he was giving me piano lessons, WOW!

He said, "Oh, now I see so clearly what I should have done, and Belinda, we are going to do this in Heaven and will have the joy of knowing one another. There will no longer be that empty void where I should have been. We will make endless memories together and you will see your life fulfilled, just the way it was meant to be, by me, and you will learn some beautiful expressions truly of your deepest inner self. Yes, Beloved Child of

God, we will create and share our creations together. You will find happiness and fulfillment for that void and it will be no more.”

“Oh, I don’t know what this means but I am so looking forward to it, my heart is bursting at the seams.”

“Yes, our God will rewrite history and you will be barren in that place no more, and forever.” And that was the end of Mother Clare’s heavenly trip.

War is Hell

March 3rd, 2021

Lord Jesus, You are peace itself, and You have washed away our anger with Your precious blood. Because You love all men and women, help us to love our enemies and pray sincerely for them. Amen.

“How terrible Mother, please help me carry them in my heart. Especially those that are good trying to undo evil.”

“They don’t know Clare; they have fallen for the enemy’s narrative and so they are convinced. Yet in the end God will be glorified.”

“All the men, women and children who are innocent, there are so many, can’t a dispensation be given them?”

“When it comes to the innocent Clare, He is always merciful. But remember too that many, many cultures have embraced the video games and caused the children to fall into sin at a very early age. Yet Our God is merciful, so merciful and is longing to extend mercy.

“Pray for the hardened sinners, for the grace of contrition, so many have abandoned the faith and have nothing. Please do not grow weary in well doing, this is when the fate of thousands of souls will be decided. And how very painful it is for Our God to make these decisions, oh so painful. But if there is even a spark of repentance, He works with that. Make this day one of accelerated prayer for the world. So much is being decided and implemented even as we speak.

“So many things about this day have been pre-planned and are just now being set in motion. Your prayers are extremely important because they are saving lives and souls.”

I saw Our Lady weeping, she said, “It is beyond comprehension what people are suffering. This machine of “war” is animalistic and has no conscience when it sees people dying. It is taught to continue and follow through with brutality. This is their job, and this is why so much prayer is needed. “Untold anguish,” yes, that describes what is taking place. War is sheer Hell Beloved, sheer Hell. But try to remember, your prayers do bring comfort. Do not abandon prayer for them, press in. Be the faithful servant.”

New-In The Storm Dramatic Ending

3.4.22

Prophetic Song about the Sequence of Events in the Rapture

When the mountains shake the seas, then You'll come to rescue me,
for Your love will not be shaken in the storm.

When we're shattered to the core, in the dreaded crypt of war,
the hearts of men will fail them in the storm.

With the piercing trumpet's cry, lightning rips through crimson skies,
and all who have been waiting will arise.

Vindication fills the skies, clouds of saints ascend on high,
as the King in all His grandeur takes His Bride.

In the tattered robes of war, those left standing at the Door
will weep in Outer Darkness...in the Storm.

Now this absence of the Light, it will set the lost aright
as they cry aloud for answers...in the Storm.

So, despite the bolted Door, be repentant and implore,
for His Mercy will restore you in the Storm.

So, trim your lamp, tend to your light. It's not too late to get it right,
He's standing here beside you, take His hand.

For He's coming at an hour...you know not when.

I tried, I tried. We tried to tell you. We tried to no avail.

To no avail...

Forgiveness is Key

March 5th, 2022

Forgiveness is the key that unlocks the door of resentment, and the handcuffs of hatred. It is the power that breaks the chains of bitterness and the shackles of selfishness. Corrie ten Boom wrote this, she was a Dutch watchmaker and later a Christian writer and public speaker. Her family helped many Jewish people escape from the Nazis during the Holocaust in World War II by hiding them in their home. She believed her family carried out the actions by following the will of God. They

were caught, arrested and sent to the Ravensbruck concentration camp, where she and her sister shared hope in God with the other prisoners. She went through many hard trials and her efforts of converting others along the way has helped bring many souls to Jesus.

The Lord began speaking, *“Corrie was a good example of how My People should behave during war and in times of trials. Forgiveness is key, you must recognize your own sin by coming to Me and seeking forgiveness, and then forgive all those who have hurt you to uproot all the bitterness and resentment from inside your heart. My love and compassion for you is so great and steadfast that I do not deal with you according to your sins, they wash away when you come to Me repentant and asking for forgiveness. I truly will remember them no more.*

“Your pleas for My mercy is humbling and pleasing to Me and helps restore Our relationship, rather than when fellowship has been hindered due to sin. My dear ones, genuine faith always involves repentance and true repentance gives rise to unwavering faith. When your sincere repentance is offered to Me, then it allows My Spirit to renew your mind and this change in perspective causes you to trust in Me and provides for a greater indwelling of the Holy Spirit.”

And here I would like to share with you Corrie ten Boom’s story of how she forgave her former captor.

“It was in a church in Munich where I was speaking in 1947 that I saw him, a balding heavyset man in a gray overcoat, a brown felt hat clutched between his hands. One moment I saw the overcoat and the brown hat, the next, a blue uniform and a visored cap with its skull and crossbones.

“Memories of the concentration camp came back with a rush: the huge room with its harsh overhead lights, the pathetic pile of dresses and shoes in the center of the floor, the shame of walking naked past this man. I could see my sister's frail form ahead of me, ribs sharp beneath the parchment of skin. Betsie and I had been arrested for concealing Jews in our home during the Nazi occupation of Holland. This man had been a guard at Ravensbruck concentration camp where we were sent.

“Now he was in front of me, hand thrust out: ‘A fine message, fraulein! How good it is to know that, as you say, all our sins are at the bottom of the sea!’

“It was the first time since my release that I had been face to face with one of my captors and my blood seemed to freeze.

"You mentioned Ravensbruck in your talk," he was saying, 'I was a guard there. But since that time,' he went on, 'I have become a Christian. I know that God has forgiven me for the cruel things I did there, but I would like to hear it from your lips as well. 'Fraulein,' again the hand came out, 'will you forgive me?'

“And I stood there, and could not. Betsie had died in that place, could he erase her slow terrible death simply for the asking? It could not have been many seconds that he stood there, hand held out, but to me it seemed hours as I wrestled with the most difficult thing I had ever had to do. For I had to do it, I knew that.

“The message that God forgives has a prior condition: that we forgive those who have injured us. *'If you do not forgive men their trespasses,'* Jesus says, *'neither will Your Father in Heaven forgive your trespasses.'* Still I stood there with the coldness clutching my heart. But forgiveness is an act of the will, and the will can function regardless of the temperature of the heart. 'Jesus, help me!' I prayed silently. 'I can lift my hand. I can do that much. You supply the feeling.'

“And so woodenly, mechanically, I thrust my hand into the one stretched out to me. And as I did, an incredible thing took place. The current started in my shoulder, raced down my arm, sprang into our joined hands. And then this healing warmth seemed to flood my whole being, bringing tears to my eyes. 'I forgive you, brother!' I cried. 'With all my heart!' For a long moment we grasped each other's hands, the former guard and former prisoner. I had never known God's love so intensely as I did in that moment! Amen!”

Sister Magdalen's Departure to Heaven

March 7th, 2022

Lord Jesus, please help us to understand that to die in this life is to be born into a glorious life in Heaven that will never end. Amen.

The Blessed Mother began speaking, “You have all prayed for your sister Magdalen and We have responded to your prayers, as prayer and crying out for mercy moves most effectively on Our hearts. All of Heaven and even Purgatory is interceding on her behalf.

“What you are seeing in the spirit my daughter is currently happening. We have gathered around her bedside and My Son is moving gloriously by holding this precious one in His loving embrace. He has taken her to His heart and continues to lavish His beautiful, beloved Bride with cleansing, healing, mercy, love, graces, comfort, consolation, and His peace. We have all joined our prayers with yours and they are assisting in her refinement and preparation for Heaven.”

“My children, for the moment, I need you to all set aside your human emotions and dispositions and please continue deep, intercessory prayer for your sister and all that she is suffering for. There will be a time to mourn the departure of her earthly presence as it is written in Scripture.” And when she said this, I immediately thought of Ecclesiastes Chapter 3 which reads:

There is a time for everything, and a season for every activity under heaven, a time to be born and a time to die.

Mother Mary continued, “The fruit that is being borne now out of her sacrifice is great and bountiful. Convictions of hearts, conversions, blessings, graces, and virtues are coming forth and being imparted in abundance. Let not your hearts be troubled my dear ones and be at peace, she is in the hands of her faithful, merciful, and loving Spouse.”

And just as a note while I was praying for her, I had a vision, she was in ICU, and suddenly she sat up in the hospital bed, swung her legs out of the bed and with an impish grin, which she had a lot of times, “You mean I can go now???” That was the vision I had, and it told me that she wanted to go to Heaven, I am excited and do not want her to stay I want to go!” And because of this I realized this was her time, and I was so happy for her.

As it turned out when Mother Elisha went to her bedside, giving her viaticum, Magdalen opened her eyes for the first time in days, and then closed them and left her body. We are all so happy for her, and we have another intercessor in Heaven. Glory to God! Amen.

Hidden Effects of Prayer

March 7th, 2022

So, before the Rosary began, we were talking about the different possibilities of what can happen, when it can happen, what could happen first, second, third, or however things are arranged and she began by saying, “You remember that I told you there would be many surprises? Things are yet hanging in balance. “

She continued, “There have been many plans, with many recourses, and all have been on the table for Ukraine, Russia, the U.S., and NATO. You will be surprised how the Father’s will has taken this time over.

“One this is for certain in these fluctuating plans, and that is your faithfulness in prayer is having a real impact on events, which ones are chosen, and which ones are abandoned. My children do not focus so much on prophecy and who said what, that is not as important as your prayers for Mercy.

“This is the crowning glory of Our Father, His Mercy endureth forever. His Mercy has brought all of you together to be a force of goodness in this world and especially for those who do not know God, which Europe is full of. So please spend more time praying than searching for the latest tidbit. There is no

reward in gathering information except possibly for your egos, which will cancel out the good you have done.”

And I feel that, sometimes, too, when I am looking for more- ‘what do you want to know about more? What is the deal with that?’ And I think to myself, it is the pride, finding out this and finding out that, and we are curious because we are insecure. We are always insecure at what is going to happen next. Ok. Ok.

“So please spend more time praying than searching for the latest tidbit. There is no reward for gathering information.” Ok. “It is so much more important that your prayers continue to go out to influence a better outcome. Trust Him and back Him up with prayer. If only you could see what the world looks like when all the souls who know God, stand up and unite to be a force for the good, you would understand the vital importance of your roles.

“Prayer is ALWAYS underestimated because people cannot claim that their prayers changed the outcome for the better. But there is one thing you can never go wrong with, obedience to God’s known will. In acting in accordance with this, you will still have a good impact because it was done under obedience.

“Behold the abject poverty of your Lord in the manger and look upon what He in His poverty accomplished on this Earth, this alone should tell you to trust blindly in His directives, do not question, rather move quickly to execute the littlest of them, knowing full well that they are perfect because they proceed from God.”

And I told her, Blessed Mother, please give me a hand here. I feel so weak.

And she said “And yet he has told you that in your weakened state He accomplishes much, in other words Clare, your weakness is no block to His will, it shall be executed in spite of your fatigue. Do not fret Beloved, do what you can and leave the rest to God. This will be a pleasing sacrifice to Him. And especially sing your song to Him, this does wonders for His Holy Heart.”

I picked up a song last night that I had written a long time ago and started working on it, very sweet song, You Are So Wonderful, Jesus. It is very, very precious.

Ok, well that is it for the message.

Carry This Only A Bit Longer

March 9th, 2022

Lord, by Your grace, we can overcome, so long as we persevere. Help us to stay strong and keep moving forward with our eyes firmly fixed on You. Amen.

“My heart cries out for these people, Lord. Why, O Why, O Why!! Mercy Lord, how terrible a thing this is.”

“Even more than you could imagine My dear one. Imagine your children taking sides against one another and trying to kill them.”

“I cannot imagine that, Lord.”

Jesus continued, *“Well, if you could you would understand even more clearly how I hate war. Each of these are My children, some even believing in the same God. Worshiping Me, but killing one another. How could this ever make sense. It doesn’t, and it never will. These minds are twisted and perverted with greed and lust, it makes no sense My Beloved, no sense whatsoever. And I must be there for both sides, who senselessly provoke and attack one another.”*

“Lord, I don’t understand, doesn’t this have to do with them wanting their independence?”

“Yes, in part, but again America has superimposed her will over the peoples. Oh Clare, try to understand My Beloved this is a war of wills and who will own what, who will do what, and much of it has its motives in greedy and unscrupulous men who have chosen their own will over the free will of the people. And yet there are more issues that cannot be seen or understood. At least not in this time frame.

“Beloved Clare, Satan is the author of war, destruction and repression. I am the author of peace, joy and brotherly love. There is nothing but evil motives behind this war and behind every war, but I am coming back so that My people whom I love with all My Heart, can finally live in peace and glorify Me to their heart’s desire.

“You have no idea of the true capacity of the human mind and what it can do, but because of evil men, I cannot open that part of your brains that has such an infinite capacity to create. Most only scratch the surface of what I have endowed them with. Take all of the architecture, all of science and space ships, and the most intricately composed music, and still you have not scratched the surface of what you are capable of.

“But you can see how mankind has taken what I have given them and turned it into a weapon to destroy and suppress people. Oh Clare how I long to open the windows of creativity to My people, but I know it would not be long before they turned it to personal gain using it as a weapon or means of hurting people to whom I have given free will. I tell you these things Clare, because I want you and all men and women to know what wonderful things I have in store for them after the ugliness of cleansing this earth of man’s filth and perversion. I long for you all to live in peace with ample resources and daily joy as We work together and share Our gifts.

“Indeed, the angels long to share music and all creative endeavors with you, but they know well that this time will come only when evil has been totally put out of the way. So, what is coming in the thousand-year reign will be a wonder to all, the joy will be so present that no longer will you have depression, or many of the diseases of your day. But the fullness of what I have for you will only come when all evil is eradicated, when the New Jerusalem descends to earth.

“Can you wait My Beloved, can you stand firm in the contradictions of this time, the sickness, and depression, and all manner of darkness that surrounds you. Can you stand and wait My Beloved ones? You are seeing darkness overcoming light, but soon darkness will be jailed and removed from your midst. No longer will you see injustice, and the madness men have made this earth to be. Can you wait? Can you hold on for just a little longer while I do what I must?”

“I need you to rally behind Me and pray for the world, for the innocent and simple, for the weak and those who need to be cared for and lifted up. Can you do this for Me, can you persevere? I know all that has transpired in your mind. I know all the fiery darts Satan has shot at you. I know every foul word the enemy has put in your ear to cause you to want to give up. And I see your loyalty and desire to hang in there until the very end. I commend you for this, because I know it is not easy for you. It is a daily battle against wickedness just to do the simplest things, and I am with you.

“Thank you for enduring. Thank you for loving Me and refusing to desert Me. Thank you for your kindness to all around you, but most of all thank you for your genuine love for Me. I treasure this beyond all things. Your love is steadfast and persevering, it conquers every evil thought the enemy infects you with. And for this I am eternally grateful.

“My dear ones, it will not be much longer. Do not allow the darkness of this world to overwhelm you. Cling to Me and do as I did when I endured the cross for the joy that was set before Me, because I knew this would someday end and explode into something glorious for my faithful ones. So please beloved ones, carry this burden a little further, and you will see the goodness of the Lord in a land of the living, brimming over with joy and life.

“I love you, I am with you, I am carrying you where you feel you can’t go on. Tell yourselves, just a little further, and I will know the goodness of my God.”

Christ Within You The Hope of Glory

March 9th, 2022

Thank you, Jesus, for giving us clear revelation to see ourselves the way You see us. Help us to stand in Your truth against all enemy attacks and guard our hearts with Your love. Amen.

“I am here,” Mother Mary began, “It is wisdom to not focus too much on the dark things, although in prayer this is exactly what we must do. You are living a very real part of what they are suffering, because you have taken them into your heart to hold tenderly and intercede. Precious, precious, is the heart which receives into itself the plight of others. You resemble my Son in your generosity and caring heart. This is the prayer of the heart which carries so much weight with God.

“You have not dispensed your duties quickly and moved on, changing the subject. Rather you have embraced the plight of those who are hopelessly entrapped, taken them into your heart and remembered them throughout your day. Because of this you have found favor with God.

“Beloved ones, these are your children, your families, by virtue of your married relationship with Christ. Just as you are my children, they too are your children. This is a beautiful mystery belonging to those called to forsake themselves and embrace the world, just as Jesus and I did.

“You have a family that awaits you in Heaven. They too have carried you in their hearts so that you could arrive at this point where you now become parents of the people of the world. How sublime is this mystery of redemption. The Lord has made it possible for you to fulfill the highest calling of mankind by following in our footsteps. In this way, all of mankind become partners in the mystery of redemption. For Christ paid the price once and for all, but so many are the workers necessary to deliver the message and distribute the sacraments.

“Is it not written that you make up for the sufferings still remaining to be embraced; of what is lacking when Jesus ascended, for the sanctification of sinners written in Colossians 1:

“Now I rejoice in my sufferings on your behalf. And with my own body I supplement whatever is lacking of Christ’s afflictions, on behalf of His body, which is the church. In this church I was made a minister according to

the stewardship which God entrusted to me for your sake, so that I might make the word of God fully known among you that is, the mystery which was hidden from angels and mankind for ages and generations, but has now been revealed to His saints, God's people. God, in His eternal plan, chose to make known to them how great for the Gentiles are the riches of the glory of this mystery, which is Christ in and among you, the hope and guarantee of realizing the glory. We proclaim Him, warning and instructing everyone in all wisdom that is, with comprehensive insight into the word and purposes of God, so that we may present every person complete in Christ mature, fully trained, and perfect in Him—the Anointed. For this I labor often to the point of exhaustion, striving with His power and energy, which so greatly works within me.”

Our Lady continued, “So remember my dear ones that we are truly One body and all participate in the mysteries of redemption. This should be a comfort to you when things are particularly difficult and you can only find comfort by meditating on the wounds of Christ and how He suffered these for you. In Heaven there will be continuous glory and no suffering, and you haven't long to wait, certainly not as long as the apostles had. So carry these burdens with the power that comes from Jesus and your relationship with Him. And don't forget when you are weak, He is strong, so do not be deceived by feelings.”

In John 15 it reads, *“I am the true Vine, and My Father is the vine dresser. Every branch in Me that does not bear fruit, He takes away; and every branch that continues to bear fruit, He repeatedly prunes, so that it will bear more fruit even richer and finer fruit. You are already clean because of the word which I have given you the teachings which I have discussed with you. Remain in Me, and I will remain in you. Just as no branch can bear fruit by itself without remaining in the vine, neither can you bear fruit, producing evidence of your faith unless you remain in Me. I am the Vine; you are the branches. The one who remains in Me and I in him bears much fruit.”*

Liberation of Earth from Evil

March 9th, 2022

Jesus, may Your strength arise in us and our hearts soar with Your grace. Amen.

“Do you see beloved, how very necessary your prayers are?” Blessed Mother began, “This is not going away so easily. The Lord Himself is not allowing it to go away. He is bringing it forward, this is not just a time of wars and rumors of wars, this is part of the liberation of earth from evil. From here on out it will get more intense.

“This is a time of mercy and forgiveness before the reordering of the earth for the millennial reign. Everything that happens from here on out is part of the earth's purification. Yet there is great mercy for the sinful, if they will acknowledge their sin and receive healing. Clare, my daughter, so many do not believe in sin. This is a foreign word to them such as people from another century were familiar with, but having no bearing on this century.

“Holy Spirit is hard at work, but so many are blind and deaf. Pray their eyes and ears are opened and for all still on earth, this is a very important prayer, and some are catching onto the fact that the earth is undergoing tumultuous changes, even as spoken of in Matthew 24, and that this is indeed the end of days. Times are coming very soon where the events will themselves testify to this truth. But those who have scorn and contempt will still refuse to believe. Pray their eyes and ears are opened.

“Your time is coming, do your best to make sure no opportunity for grace is missed. Stand fast Clare, you are being strengthened daily to carry this cross. All of you should pray spontaneous prayers, “Lord, open their eyes and ears to the truth.” This is where conviction will come from.

“My children, do not pray in vain, growing weary from the repetition, rather use that repetition to cover the whole world praying from your heart, of self-sacrifice for each place revealed to you in your mind, which is the place that you see visions, whether they be from you, from the enemy or from Heaven.”

As is written in Matthew 7:9-11, *“Which of you, if your son asks for bread, will give him a stone? Or if he asks for a fish, will give him a snake? If you, then, though you are evil, know how to give good gifts to your children, how much more will your Father in Heaven give good gifts to those who ask Him!”* Amen!

Chronicles of the Bride - Brother John's Heavenly Home

March 9th, 2022

Brother John’s Heavenly Home. I’m back in Heaven and walking along beautiful countryside, the hills are rolling and the surroundings are peaceful and serene. I come to a very large, white barn and roll back one of the double doors, poke my head inside, much to my surprise there are so many animals.....dogs, cats, horses, birds, cows, sheep, goats, and even rainbow colored unicorns, and even more surprising, they could all talk.

My eye went immediately to an adorable, white calf. This little calf was the only animal who wasn’t speaking. The cow next to me which I assumed was his Mother said, “He can’t speak because he gave his gift of speech to a child on earth named Billy who was born mute. Every earthly year, Jesus comes and asks if he would like the gift of speech back and every time the little calf gave his gift away to a mute child on earth. When the Rapture occurs and Jesus gathers all the little children on earth and takes them to himself, my calf will speak again.” I had no idea that animals in Heaven could give away their gifts to those of us on earth. I petted the calf, kissed him gently and thanked him for his continual sacrifice. The white calf smiled and nodded his head.

I continued walking through the barn and saw a silver back goat who was talking incessantly and figured her name must be Gabby. There were four majestic looking white Arabian horses and I was thinking whoever lives here must love to ride these amazing horses, when Brother John came into the barn. He greeted me warmly, gave me a big hug and said, “You are very welcome Sister.....want to see my workshop?” I nodded, we stepped out of the barn and connected to the barn, there was his workshop.

It was incredible with all its gadgets and gizmos, every kind of tool you can imagine. All laid out neatly and very organized. He slapped a half round, metallic helmet with glowing electrodes running through it on my head and said, “This may protect you Elisabeth from demon aliens.” I looked at him as if he was nuts and John said, “Naaww, I’m just messing with you, I’m still working on the helmet,” and promptly took it off me.

I saw what looked like an R2D2 robot, it was so cute. John grabbed a remote control and the robot started moving around the workshop. Its little mechanical arms could pick up heavy items, carry them around and set

them down where ever you wanted. Out shot from his side a serving tray with drinks and appetizers. The robot was just like a butler. I was thinking Mother Clare could use one of these and then remembered we have Brother Stephen who does all that he is asked without complaint. He is fast approaching Sainthood, way ahead of the rest of us.

We were headed outside when John grabbed two of his other inventions. One was a plane about four feet in length with a wing span of about four and half feet. He had a remote control for this invention as well. The plane took off and when it got to 20 feet up, it turned into an exquisite, white bird with long outstretched wings like an Albatross, but the body of an eagle. It was fascinating to watch it fly.

We walked towards the beach and John had one more invention in his hand which looked like a metal detector. Reading my thoughts, he said, "That's close but I rigged it to detect precious gems and stones and other valuables." To demonstrate, when we hit the sand, he turned it on and sweeping the device from side to side, it wasn't too long before we heard a "pingggg" and when Brother turned it over, there was a beautiful pearl stuck to the bottom. John pulled it off and handed it to me. It was large, white and glistened brightly.... very lovely.

Over the bluff of the beach was a large circular home with glass walls on all sides, we headed towards the house and I realized this must be Brother's home. He opened the door and the inside was decorated with furniture that gave off a warm and welcoming vibe.....you instantly felt very much at home here. The 360-degree views were breathtaking. You could see mountains, forest, rolling hills, lush tropical gardens, crystal lakes and the impressive clear, turquoise blue ocean.

This trip to Heartdwellers Lane in Heaven ended all too soon, but the Lord did say we could go back at any time. Think we'll take Him up on that.

Are We Just Hours Away From Nuclear Destruction

March 11th, 2022

Dear Lord, we are not ready for what is coming to America, any day, any hour now. Please help us to cleave to You and invoke all the saints and angels especially Your Mother, to pray for us and for the whole world. Amen.

So, the Blessed Mother gave me a message last night that our country was going to be destroyed. And I think what she means by that is probably such devastation that we will not be functioning normally. Let's see, what were her exact words- yeah- "Destruction is coming to your country." That is- those were her words. So, whatever you need to do, and she told me, "Whatever you need to do, do it quickly. Do it very quickly." And she mentioned the date in March, the twenty-fourth, and along with that, actually that was the Lord's message, He mentioned the twenty-fourth of March as an important date to have everything taken care of by. So that is only two weeks away. So now I will not put out that message because I am telling you basically what He said, to get everything ready.

The Kremlin issued a statement late today: "FRIDAY EVENING WILL BE A BEAUTIFUL FOR THE WHOLE

WORLD." A lot of people are speculating is that what he means by that is the United States will no longer be an issue, causing problems in the world. Who knows? But that is something that he said, and it has got everyone speculating on what is going to happen tomorrow.

But I was in the Rosary, and I came to the Blessed Mother, and I said, Mother, I am weak kneed. The very thought of what is coming causes the blood to drain from my body.

She replied, "Yes daughter, it is that serious."

Is there any way to stop this? I asked.

"Prayer and fasting, but the hour is late, very late and there has not been enough serious prayer from around the world, especially your country. I will give you strength if you will allow me."

I said, Yes Mother, I need it and also for all of us. Please give us all strength to carry this.

She replied, "They must ask for it.

"The world has come to this. You know it is in the Master's scheme to cleanse the Earth and prepare His Bride to be taken."

And at that point I was thinking about the Bride being taken and I started to drift off and she said, "Are you with me?"

And I said, I am sorry Mother.

She answered, "Yes, I understand, there is much to be preoccupied with, I do not fault you, just calling you back to me."

She continued, "Yes indeed...devastating.

"Cleave to the Lord Beloved, with all your heart and all your mind and all your strength, this is where strength will come from.

She continued, "Do you know how much He suffered these very same feelings for the world?"

I cannot even imagine it. Honestly guys, I felt like the blood had been drained out of my body and my knees were weak.

She answered, "No man can possibly conceive of it, but what you are feeling now is but a tiny drop in your heart compared to the ocean of misery He is now suffering.

"My children I cannot overestimate the solemnness of these moments before your country is destroyed, you cannot imagine the deaths, the horror and tragedy of these times. You have never seen this before, except in a vision." And there she was talking to me personally- and she said, "The vision He gave you as you walked side by side among the dead and bleeding bodies thirty years ago.

"We will carry on Clare, yes, we will carry on. Focus on the Lord and draw very close to Him, cleave to Him every moment for your strength. I have gone ahead of you to make the way."

And that is the beauty of having her as an intercessor. She goes to her Son and makes requests and everything works so much better.

“There are times when there are just no more words, and this is one of those times. Take heart daughter, you will endure, all of you will endure, we have made it so.”

And what was happening in that moment I was thinking of all of the things that are about to happen and again I-I just could not talk, I could not think, I could not even hear what she was saying because I was like paralyzed almost with the thought of this happening. And so, she was kind enough to say, “Take heart, daughter, you will endure, all of you will endure, we have made it so.”

And I said yes, I can feel it now and I will try to take it seriously when you alert me. Please alert me to know when that hour is going to happen.

So, dear ones, I just want to let you know this is what is coming. Be prepared, please be prepared, especially prepare your hearts to be immersed in the Lords’ heart, and to get all your strength from Him, and we are praying for you.

God bless you.

America-Sudden-Destruction-Get Ready!

March 11th, 2021

Dear Jesus, please keep us in Your peace and help our beloved Heart Dwellers to stay calm and deep in prayer, connected, and trust You to provide and protect us. Amen.

Well, my dear ones, before community prayers today, I was giving an update, based on some things I heard from Mike Around the World last night. He is always doing an update on Thursdays and sometimes very late at night during the week. Basically, He was telling us that California is on the brink. And we have already heard that everything is going to happen suddenly- at the same time, to throw us into complete and utter confusion.

And what is impending are serious earthquakes, losing all of California on the Western side, having an earthquake and opening up the Mississippi River, all the way up to the Great Lakes. And earthquakes and underground volcanos near New York City, possibly a tsunami. At the same time, the Russians and the Chinese and the Iranians are closing in and stationing themselves around our nation, and we have plenty of foreign national Chinese that are here with different jobs, but it is very highly likely that that will-that will change, it will not be a job they are doing, but they will join forces with their homeland.

So, there are several things that are supposed to happen and the only way we are going to survive this is staying in prayer with the Lord and encouraging others to turn to Him, and that is what we are praying for.

Dear God, save these people, they have no clue of what is about to happen! Oh, and the other thing is that in California there are city-sized sink holes that they are not being told about and in Northern California, the volcanoes are starting to wake up, we already know that. So, we have been getting prepared for that

time.

So, in prayer, the first thing I heard was, "Soon, chaos." and, "Check your stores of food."

I have been watching the quake activity and when Mike from Around the World talked about the Cascadia Subduction zone as well as the volcanos in northern California waking up, and the earthquake swarms, you know, four and five point swarms off the coast of Oregon, the whole day, I think they said there were fifty earthquakes that day in that one place, it confirmed my thoughts, which probably were not mine anyway...Holy Spirit is always welcome to put them there. The swarms off the coast of Oregon have been very significant. And I believe, now this is just me, I believe they are being provoked by Scalar weapons, which Jesus talked about a day ago in that message.

Now something very interesting is lining up with these events in Northern California, and that is Dmitry Dudaman's prophecy that the enemy will try to invade on the Western coast near Oregon and Northern California in that area. They will try several diverse ways to invade and every time they did, something would come up. And the last thing that totally kept them from getting on our land was a volcano went off, the lava was being poured out into the ocean and they had to run to get away from it, and it is interesting that the volcanoes waking up, and that we know there are Russian subs in the waters around our nation, and just a note on that, I do not believe that President Putin wants this to happen but I feel like he is being forced into it by other factions in his government.

In the December the ninth message, the Russia, Ukraine, America, crisis is serious. The message was, *"Nothing will come of it until it is called...in the meantime pray for strength and readiness. Everything will blow up at the same time. It has been designed that way to make a final end of America, but there will never be a final end, only a season of great oppression as the new government takes the reigns."*

And it has been planned this way. You see, Communist China has been preparing to take over the whole world, and be the superpower, but before they can conquer Israel, hold on to Taiwan, and continue to spread their errors and conquer other nations, they have to take America out of the equation, so that is why things are being planned this way. They want America out of the way totally.

It is on my heart that they are going to end up in the Ezekiel 38 war, where God actually defends Israel, they did not need America to defend them, God himself will defend Israel, at least in that situation.

So that is why America is a target, well, one of the reasons. The other reason is the Chinese love America, and they want to take it over.

"There will be resistance groups all around the country that will stand their ground. This will frustrate some of the evil ones' plans, but they have planned for their demise as well. Trust."

In that moment I looked across the room, we were praying, Mother Magdalen was weeping over the loss of life in California when that happens.

The Blessed Mother began, "Yes, weeping is in order. Your country will be in complete shock, not understanding what is happening to them. There will also be many surprises. Prepare your people's hearts. What is coming is horrendous. Many will lose their faith; many will gain their faith and turn from their evil ways. Others will become even more evil.

"It is time for those on the fence to make their decision. Things will only get worse from here on out. They need to know where they stand as many different decisions will have to be made. There will be much mourning and utter 'lost-ness.' However, the government knows exactly what is to happen and they are

prepared to step in and take over, including internment camps, for your protection and provision, of course. Warn your people not to go there unless they know that God is calling them to minister there. Many saints will arise during this time. Oh, how He dreads this- She was speaking of Jesus, "You still have a little time. Use it well. Yes, short wave radio communications are important. It will not be easy to find out all that is happening in the world."

Mike from Around the World on Sound Cloud has a preparedness list that we are going to go through to see if we are properly prepared.

The Lord Jesus began, *"I will guide you. I want you all to be My people of peace and faith. Others will recognize something different, that is when you tell them that I am taking care of you, and I will also take care of them...if they give their lives to Me."*

In the spirit I saw Padre Pio, St. Francis, St. John Vianney, St. Therese, St. Filomena, I think St. Faustina was there, and many others. And I asked, "Why are you all here?"

The answer was, "To encourage you Clare, because truly what is coming will overwhelm everyone. Please tell them, do not run to and fro in panic. Withdraw to a quiet place and pray. Pray also as a family, together. And know that the Lord will be in your midst. Fear not and pray."

"Clare, times of war are horrendous. Everything you rely on being stable and in order, comes into question. Life is violated, stability is taken away, confusion reigns. This is when the enemy wants to steal your soul through fear and panic. You make decisions based on your perception of how to survive. This is why prayer and retreating into peace and calm to seek His face is your very best option."

I answered, I said Mother, none of this makes sense to me considering the tasks I have been asked to complete. It seems premature and out of order.

And she answered me, "You will understand these things very soon. We are trying to prepare you so that you will prepare others. Continue on with what you have been given to do. Do not slack off on anything, stay busy and prayerful, and keep watch.

"All of you Heart Dwellers, you are all watchmen on the wall, go and tell your relatives what is about to happen, do not be afraid to receive scorn and rejection as your portion knowing that if they will not listen to you, it is because they would not listen to me. Those who listen will be far better off than those who refuse.

"Be prepared, through prayer, thanksgiving, worship, and steadfast love. Do not allow the enemy to sow doubts about what is going on. You know much more because you were listening. But most have not been listening."

Then I saw a torch, and I heard, "You will light the way for many." "The ones who have not been preparing, will be befuddled, and confused. Your torch will shine on their darkness and bring peace. Your songs may even be involved in this.

"We have given you this message with a very small window of time for others to be prepared. If you live in California, and you are not called to die in the earthquake, it would be wisdom for you to leave, NOW, however, do what is in your heart and your conscience before God, because the Lord guides from inside your heart, as well."

And that was the end of that message.

So, Heart Dwellers, the main thing to remember is that everything is going to happen simultaneously, and that will be an absolute, crippling blow to our nation. And why is God allowing this? Because of our Godlessness and immorality and what this country has turned into. That is why He is allowing it, but I believe He is going to honor the prayers of the people all over America that want what is right, yet I also believe that the Rapture will be coming on the heels of all of this, so we may not get to see the restoration of our nation until the Millennium.

So please, be in readiness, stay in prayer, the Lord will protect people who are in refuges, at some point, we are going to have a refuge somewhere, we are not sure exactly yet, but at some point, there will be a safe place. But until the time comes when He provides us with that, we are here to prepare to pray, to prepare and to share the messages the Lord has given us for this time.

The Lord bless you sweet Heart Dwellers and I want to thank you so much for your prayers, when you pray, I can really feel it. The messages come in more clearly and also, I want to thank you for provision. We have been able to buy cords of wood for many families that right now would be freezing if they did not have it. It is very cold here, so thank you for doing that.

The Lord bless you, keep you, and remember hold on to the Lord, stay with Him, stay deep in prayer, do not allow yourself to get anxious and run back and forth but go straight to prayer and pray with your family. There will be a tremendous calm that will come over you at that time.

Are You Trapped in a Coven

March 11th, 2021

Lord, please anoint this word to go straight into our hearts so we all know the truth.

There is a subtle sin that seems easily justified. If you are overlooked by others or passed by when graces are being distributed. The soul feels cheated by God because they did not get what others got. It quickly turns into jealousy, anger and self-pity. This is precisely how Satan turned John Ramirez into his very own son. John is the famous Satanist that Satan visited every night and gave instructions to on how to curse the area he had jurisdiction over in New York City. Satan came to him as a father figure, affectionate, caring, empowering and enlisting him in cursing souls for over twenty years. If you have not read his story, you should. It is a real eye opener.

John grew up in a witchcraft family, both his father and mother were witches, and his father was very brutal with him. Of course, this happens in so many families where the father is just brutal. So, one night he went to church service, badly in need of a touch from God. When the time came and the pastor circulated among the audience, it looked like he was headed straight to John, but then he swerved and went to someone else to touch and comfort them. John was devastated. At that point he believed God himself had rejected him, and that set the course of his life for the next few decades.

Have you ever had resentment towards the Lord? Have you ever been angry and felt cheated? 'Where were you, God, when this was going on, how could you allow this?' That is the slippery slope right into

Satan's arms. He knows that if we feel rejected, we will harbor bad feelings and contempt for those who hurt us. It is just human nature, and Satan played John right into his wicked arms in this way.

Dear ones, the Lord does not make mistakes, but man does. The Lord reaches out to comfort and bring you into His arms. He will never reject a contrite heart seeking Him or seeking comfort. The problem is men do not see what God sees. They do not see a broken young man, aching for a loving touch from the pastor. They see a man probably involved in dark things and they do not want to touch him, but God wants to touch such as these and bring them His deep healing love and raise them up into what their true calling is. I do hope that you who are involved in covens will read John's books, they are very revealing as to the true nature of Satan, his true intention, and what he will do to keep you in bondage if you sell your soul to him. But you need not be afraid because once you belong to Jesus, repent, and leave that lifestyle behind, you come under the loving protection of God who is mightier than Satan or any demon. And all that is on the Lord's heart after you have made that decision is protecting you and leading you in all truth, getting you established and on your own two feet, and in an intimate relationship with Him, so that you hear Him speaking to you.

So, as I was writing this down, I felt the Lord wanted to say something.

Jesus began, "I do have something to say to you who are trapped in covens. You have been deceived and sold a bill of goods that does not exist in the kingdom of darkness. There are no rewards in the kingdom of darkness, only pain and suffering. There is nothing waiting for you after this life other than torment, torture, ridicule and hatred. You judge a tree by its fruit. If it is red, it is an apple. If it is yellow, it is a pear, if it has worm holes you know you are sharing that fruit with filthy worms. If it is perfect with no blemishes, it is healthy and life giving. If a teacher teaches you to lie and steal, to murder and maim, what makes you so sure you will not be a victim of their treachery one day?"

"Satan plays on your emotions. You need to be loved, but he has no love in him. He can certainly pretend to love you, he can even blanket you in warm, fuzzy feelings, he is capable of this kind of deceit."

I ought to know, because I was under the spell of that for many years before I became a Christian.

"He is a fallen angel that is out for one thing, and one thing only: Make Me suffer as much as he can by hurting My children and dragging them to Hell for eternity. He knows how tenderly I love you, but you rarely see this love in people who are supposed to represent Me."

Well, these people are weak and prone to sin, there are none that are perfect. All have fallen short, but I do not ask you to form a relationship with a person. I ask you to come to Me, and let Me teach you who I AM. You will never get this in a church made up of imperfect people. Never. But if you tuck away in your prayer closet and seek Me you will find Me, and you will learn that I am meek and gentle of heart, and all I care about is your welfare, I will not encourage you to get back at those who hurt you, they will meet themselves soon enough in the halls of My justice. I will encourage you to forgive, forget, and walk away, so that you can become all I have made you to be.

"If you do not, you are going to be locked into a conflict and anger and hatred and retribution for your whole life. If you choose to hold a grudge you will be chained to revenge, an angry demon who wants to destroy both you and the other person. If you walk away from this poison and take My hand and let Me lead you into the life, I always meant for you, you will find joy and fulfillment. I entrusted Myself to no man, because I knew their hearts were weak and easily swayed into changing to be against Me. I encourage you to trust no man to the point where they might fail you because they are only weak flesh and blood, but I am not weak. I offered up My Body and Blood to pay for your sins because I am the only Son of God, begotten by the Holy Spirit in the womb of a virgin."

Scripture's prophesy, I will never fail you. I will never let you down. You may not understand why I allow certain tragedies, but you will when you come to Heaven. You will understand everything with great clarity, and I will do My very best to explain things to you while you are on Earth.

"One thing you may not be aware of is that the sins of the fathers have an effect on every generation. So, if your great- great grandfather happen to cheat someone or kill them or steal from someone, that curse is carried down to your generation. And whether you understand it or not, some of the people who have done harm to you, were harmed by your ancestors hundreds of years ago and left a curse on you and your children. I can break that curse but understand, part of the reason you may be suffering injustice may be because of what your ancestors did to others. I will deliver you from this ugly past, I will teach you how to defend yourself, and when you are outnumbered, My angels will be more than enough to fight your enemies.

"What does it take? What must you do to gain this status as a child of God? When your heart moves you, come to Me. Alone in your room, kneel before Me and say 'Jesus, I am sorry for my sins. Please forgive me. I believe You died on the cross to pay for my sins and rose again, and I give You my life. Please, make me a child of God and teach me the right ways. Jesus, come into my heart'. The angels in Heaven will rejoice over you. I will embrace you and assign angels to protect you and lead you to read the Bible, giving you understanding of what you are reading. It will no longer be a boring book, you will be fascinated with the stories encouraged with the teachings in the New Testament, and the Psalms. I and My Spirit and My Father will be with you, and We will never abandon you.

"Now you may ask, 'if You are the true Son of God, who is Satan, who says he is Your brother?' And I will tell you, Satan was once a very beautiful angel, Lucifer, created by My Father. And he led the angelic choirs of Heaven in worship to Me and My Father. But he became jealous of My love for you and other people I created, and he wanted to be worshipped. So, he led one-third of the heavenly angels to sin against Me and become My enemies. He has filled the world with lies about Me because he has been cast out of Heaven and become very ugly to look at, because what he is on the outside is what he is on the inside. Now he has vowed to destroy the Earth and humanity to try to hurt Me, but he will not succeed. Instead, he will be chained in Hell for a thousand years. And the Earth will have an era of perfect peace which will end at the thousand years, and he will again attack Me. I will destroy him with the breath of My mouth, and he will be no more. "How do I know this is true? How do I know Satan hates you? How do I know Satan is not Jesus' brother and equal? A tree is known by its fruits.

One who does and teaches wickedness, is wicked. One who does what is righteous and teaches righteousness, is righteous. I came to Earth to forgive and pay the price for My children's sin with My own blood, even dying on the cross for you. Satan never did anything like that because he is filled with jealousy and hatred for Me and all I created. A tree is known by its fruit, dear one. Delay no longer. Come to Me. Confess your sin and ask Me to come into your heart and take you to Heaven someday where we will live together in complete happiness. I am waiting for your word. I have watched you. I have prayed for you. I have cried with you and I long to give you true happiness. You have nothing to fear from Me, because I love you so deeply. Please, give Me your heart and life and I will turn your failures and sadness into joy and a beautiful new life full of good fruit.

"The moment you do this, We- Father, Son, and Holy Spirit, will come into your life and never abandon you. You will learn about Me by reading the Bible. In the New Testament the book of John will reveal the secrets of My love for you. In the Old Testament you will see how I loved My people who betrayed Me again and again and how I forgave and restored them. You will learn so much about My true nature by reading the New Testament and you will receive comfort from reading the Psalms.

I recommend that you pray for wisdom, cover your Bible with the Blood of Jesus, make the sign of the cross, and open to a random page and start reading. You will have some moments when you feel something very, very special It is like you being able to read between the lines as you are reading. Those parts will be hand-picked and anointed by Me to give you insight into something about your life. You may feel My warm presence envelop you, in which case you can stop reading and meditate about the Scripture, soak in it and rest. Indeed, I will visit you when you become hungry to understand Me and My word, you will find many helpful teachings on Mother Clare's channel, Heart Dwellers .org, that I have given her.

"Keep an eye out for My ways of communicating with you. I will send you a bumper sticker for encouragement, or a heart shape when you spill your drink, or take a bite from something. Look for hearts. I will place them there to confirm that I love you and am with you. Listen to the lyrics of a song, I will speak to you through music. Watch out for rocks that cry out "I love you". You will find heart rocks, angel rocks, or a leaf that forms a heart. In this way I will confirm to you that I am with you, loving you, guiding you, and protecting you. If you feel evil nearby, cry out to Me, "Jesus!"

Or even better yet, say, "In the name of Jesus, leave!" I will teach you many, many ways to overcome Satan and his demons, but I will never allow them to overpower you. I will teach you how to hear from me through a holy book or a song or something someone says, and I will lead you into a conversation with Me, where you pour your heart out, or your frustration, or your anger, like a journal, and I will answer you as you believe and write down what you hear. I will prove that I am with you again and again and we will have a real relationship, any time of the day or night, I am with you always. You will learn to discern what is true from what is false, and you will rarely be led astray by Satan again.

"All this, and more, I am offering you, that is how much I love you, and what you mean to Me. Please, do not turn away from Me. Embrace Me as your God and your very best friend, forever, and I will deliver you from your enemies."

And that was the end of Jesus' message.

A beautiful, beautiful introduction to changing over from a life of sin into a life of holiness. He is so in love with you, you have no idea, but you are fixing to find out!

God bless you, Heart Dwellers. I pray this message goes deep into your heart and that you circulate it among your friends.

Chronicles of the Bride - English Tea Party

March 13th, 2022

It's Sunday and we are all gathered together at Mother Clare's and taking a trip to Heaven was what everyone needed. When the dwelling music started to play, I was thinking about apple turnovers because I knew they were in the kitchen and suddenly was transported to my beautiful, white Victorian cottage by the sea. I was making chocolate croissants, blueberry scones, lemon poppy seed muffins, salmon and cucumber sandwiches with cream cheese and rose tea. I had invited

our whole group over for a variety of outdoor activities and a proper English tea.

I was dancing with Jesus in the gazebo when I thought the chocolate croissants are done and needed to take them out of the oven. Jesus said, *"We are dancing My love, ask your guardian angel to take them out of the oven."* So, I called to Abizelle to please take the croissants out and he did immediately.... he is so wonderful.

The ladies I had invited over came by way of the lovely garden meadow filled with fruit trees and beautiful wild flowers. The men came down the long, winding river that runs alongside the house and empties into a lake with a tropical island in the middle and waterfall complete with several water slides built into the landscape. Their sailboat glided onto the island and all but one hopped out onto the warm inviting white, sandy beach.

Papa Ezekiel, Brothers John, David, Stephen and Leo were all on the island with Father God having fun swimming and racing each other down the water slides. After skillfully tying the boat up at the dock, Brother Juniper jumps out and goes in search of a double espresso and a very comfortable deck chair that he places near the dock where the lake merges with the ocean, to take in some sun and enjoy the view. We were all wearing either white or bright colorful summer outfits enjoying the cool and refreshing breeze coming off the ocean. Sister Ruth looked stunning with her chestnut brown, long, wavy hair pulled back with a beautiful head band made of aquamarines and matching light blue colored dress. Mother Clare was a knock out as a platinum blonde with big, sparkling blue eyes. We were all in our early thirties and looking good inside and out.

Ruth was holding something behind her back and with dramatic emphasis she surprised me with our white bunny Snow with pink eyes. She said, "My daughter Jasmine has been playing with Snow and wanted to bring him over so your son Joshua could play with him too." I was so delighted to see our favorite bunny again. Snow was my daughter, Brittany's pet when she was 10 years old, and after I had just finished remodeling and putting on an addition to our home, she asks me to please build our bunny a town home that looked like a miniature replica of the house. I was thinking, oh honey, you've got to be kidding, but out loud I said, "Sure, why not," and then proceeded to have the contractor build Snow the most elaborate, multi-level bunny condo I had ever seen.....true story family, you can't make this stuff up.

Back to our heavenly tea party, I was bringing outside all the food and tea and gathering everyone together, when we realized that Brother Mike was not among us. Just then we heard the roar of a high-powered speed boat in the distant ocean heading straight for us. His boat was white with silver and black stripes and real live lightning bolts on either side of the boat. When the lightning bolts flashed, a moment later you could hear thunder. The name of his boat was "Son of Thunder." It was so cool, whenever Brother Mike arrived on the scene, he always made a big splash!

He continued to race towards the beach and looked like he was going to run aground when in the last second, Mike made a hard left and expertly pulled up alongside the dock. This action created two tidal waves, the first one came crashing down on a lounging Brother Juniper and it sent us into fits of giggles and laughter. It was so funny! Juniper calmly called out, "Elisabeth, I'm going to need another double espresso." And this sent us all into another round of laughter. The second wave that had curled up over our heads, started to come down on top of us but before the water really pelted us, it turned into stardust and we were sprinkled with it. Jesus then said that Mike was assisting Him in raining down blessings on us. I came out of the experience feeling like we were all covered from head to toe with beautiful blessings and graces from God.

The Enemy's Poison

March 13th, 2022

Lord, for those of us who are weary, please restore our strength and help us to make time to be with You, where You can restore our strength. Amen.

So, today I was uncomfortable, my body was aching and hurting, and I do not want to complain so when I came into prayer I said to Our Lady, please forgive my complaining, Mother. I was not saying anything, but I was feeling it. Even though I am trying not to, my body is just so uncomfortable. Of course, what do you think she said?

“Offer it up. Offer it up, Beloved, it is a worthy offering. It is distracting.”

But it is distracting for me. Please help me through this. I am trying to find a way to get out of all this pain, right?

“Clare, just keep on going, ignoring the complaints of your flesh. You can do this, and since you have requested my help, I shall supply for your need. Oh, how wonderful is a soul that has put their bodies and will under obedience so that the Spirit may reign overall. You can do this. Are you willing?”

Yes, Mother, I am willing. Please help me. What is on your heart today?

She answered me, “The situation in the Ukraine is far more complicated than people suppose, and President Putin is acting with a good will, however, he is only a man, he is not God, and is subjected to outward forces that would push him over the brink. Pray for this man, pray much for him. For strength, integrity, and endurance. In the meantime, you who live in this country to prepare, continue to pray, and again, I ask you to pray for your enemies. This is more important than you suppose, and you have let this slip from your mind. Of *course*, the enemy does not want you praying for his servants, please embrace this prayer with more constancy. “

And then she was quiet, so I just sat here, waiting for her to say something else, and all of a sudden, the Lord was in front of me.

He said, “I am here. To strengthen you and draw you closer, into My arms. I love you so much, and I do not want you listening to those deprecating words every morning.”

And what He is talking about is when I get up in the morning, I get hit with everything I have not done right, I have not gotten done yet, or I forgot, or whatever. Every time I get up in the morning before I can even get to the prayers, The Binding Prayer and the Armor, I get hit with all these negative thoughts and they are little things but they, *they really* are very undercutting.

The Lord went on to say:

“You are doing the best with what you have, and I hate to see you undercut in this way.”

I guess sometimes I get to the point where I am comparing the ability of other people to get things done with myself, and I never should do that, that is not the right thing to do at all. But I look up to certain people and I think to myself, “Why can’t I be that way?” and it goes into a downward spiral from there. So, I know I have to stop doing that.

He said, “I am pleased with you, I am. Oh, please do not let this false guilt destroy what you have been given. They are trying to paralyze you so that you will not have the confidence to work and do what is

yours to do. They have demoralized you so much that even now you are struggling to do anything. I want this condemnation to come to an end. You are not a failure, but they would have you believe that, so that you will give up and stop trying to do anything good. They are liars, one and all.”

And I said Lord, I do not know how to change this.

And He answered, “Spend more time in Dwelling Prayer, I have much to say to you. But more than that, I want to heal what the dark forces have been doing to you. I want you back up on your feet and in the saddle, you have been limping along. As a matter of fact, you are not the only one.

“My dear ones “

Now he is addressing all of us, and people on the channel.

“My dear ones, I can see the efforts you are making with the very little you have, and I want to increase you. Spend time alone with Me, because there is so much, I want to impart to you that you will need. You cannot continue to run on fumes, you need good, solid healing time with Me, and rest. This is a time where I wish to draw My Brides into deeper intimacy, cleaning out the old leaven, and filling you anew, afresh. You have been through many tiring battles, and you really have not had all the rest and healing that you need. I want you to come forth vibrant, alive, committed, I need this from you, and I will prepare you to receive it, if you will devote more time to Me, especially in the evening.”

Since we have made a change in our schedule, we have a lot more time in the evening.

He continued, “Do not waste this time, rather look forward to coming home to your husband who loves you, and tuck in with Him. Or even if you have a roommate, explain to them what you are doing so they will cooperate. This will also be a very good example to them, to be doing the very same thing. Find a quiet place where you will not be interrupted, even a storage room would work, just as long as you have your own space and it is very quiet, you and we can concentrate on one another.

This will also be a very good example to others to be doing the very same thing with their time in the evening. So many times, I watch you in the evening wasting time, when I desire to be with you. So now I am asking you to make a concerted effort to be Mine in the evening. I have deliberately allowed you to have the evenings to yourselves so that you will cultivate your time with Me going deeper, even going to Heaven with Me. I desire for you all to go deeper, and immerse yourselves in My love, which I am aching to share with you. Please, My Brides, come closer without any fear, for I wish to pour through you what you are so deeply longing for. Come. Come to Me, I wait for you.

And that was the end of His message.

Criticism Breeds Contempt

March 15th, 2022

I heard, "It is going south. It is. This will end in disaster."

I asked, Mother what are we to do?

"Prepare yourselves for a major change in lifestyle. Things will no longer be as they have in the past, with things readily available. Prepare yourselves and pray. Pray as often as you think of the situation.

"I am listening to your hearts, children. I am seeing in you a shift of consciousness from everyday life to an awareness that things will not go on this way much longer. It is good that you are beginning to think this way, Holy Spirit is preparing you. I also see you being mindful of the victims of these horrible war crimes, please lift them up to Us for restoration and salvation. All in all, I am pleased with you for being so mindful of their plight. You are children after my own heart, and Jesus too, is pleased with your sincere prayers.

"As this progresses, you shall be introduced to new and deeper and more effective ways of praying. Pray for this and be open. Your fasting as you can is also pleasing to the Lord. I want this community to be a well-oiled machine that moves in synchronization. You will need this kind of unity in the near future. There is a reason why you got the Rhema, the church at Philadelphia. This is a good description of who you are and who you are meant to be. This is the well-oiled machine I was speaking of.

"The enemy is very busy at work trying to give you cause to find fault with one another. Reject these judgments as you would run from the phosphorous falling from the sky. Do you understand my loved ones? This is being done deliberately by Satan to cause disunity, so that you do not cooperate with each other, and you become a community of people, living together but not breathing and working with one heart and mind, rather walking around with hidden resentments.

"Please be extremely on the alert for little jabs of judgement towards one another and renew your helmet and categorically push those thoughts away. Truly, they are toxic, once they enter your mind, these seeds continue moving downward into your heart. Once in your heart they begin to root and grow branches and before you know it your peace is gone and you are focusing on the faults of others, trouble all around you. After you do this, the enemy continues to fertilize those roots in your heart and begins to cause trouble all around you because you have abandoned the door of charity and are busy judging.

"Beloved ones, brotherly love is the very blood of this community, keep this blood pure and refuse to admit the toxic germs and viruses of criticism, which breed contempt and rebellion in your attitude. I will help you with this if you call on me, indeed I do help you with this, but it would be good for you to call on me.

"Little Children, love one another as We have loved you, and work hard to preserve brotherly love not only on your surface attitude, but deep inside your hearts. Make excuses for one another and recall your own failures. This should suffice to stop malicious fiery darts from the enemy. Be an example to the world because the Lord said, they will recognize that you belong to Him by your love for one another."

Recognize & Conquer Self Pity

March 15th, 2022

Jesus, please give us the faith to receive and correspond to this message by moving forward with a new understanding. Amen.

Beloved family, I remember something Joyce Myers once said, "You can be pitiful or you can be powerful, but you cannot be both."

Wow. But getting over flu bugs, seeing more wars and rumors of wars, snowy cold weather, dark nights, and a plethora of arguments about what is really going on in the world, have had a discouraging effect on all of us in the community. Call it cabin fever or burn out, it is not who we are. We need to get off the negative thinking and be filled with God's joy and provision. And this message must be very important because of the enemy's attempts to keep me from writing it.

Picking up where I was when my computer just flat out shut down, Our Lady began, "I promised you the graces you need to get back up. A lot goes on in the mind that defeats the body. You are constantly being fed negative thoughts and if you go into agreement with them, down you go.

"My children, when life seems to be just too much for you, come to me. I have access to the heart of the King, and I will obtain for you more graces than you can obtain on your own. This was demonstrated and confirmed at the wedding in Cana.

"The problem arises when you give in to self-pity and withdraw from the fight. The enemy, twenty-four seven, is trying to convince you that you cannot do it. Whatever 'it' might be. This is why you are instructed to take every thought captive, and even why you have the helmet, and I add to that, 'take every thought captive before you are taken into captivity.'

"You see, all men have a lazy streak. Those who do not give place to it, are purpose driven and succeed. Those who fail are like the hireling that runs off when he sees the wolf coming. When you see that things are getting tough with the possibility of getting even tougher, the enemy steps up his suggestions and tells you, 'You will never be able to do that, to endure that, to stand up to that,' so he suggests that you give up, but not before you find fault with the one giving the assignment and fall right into sticky, sludgy, self-pity.

And as an aside I want to say this message is so important for you to get, that three times now, the enemy has shut down my computer, jammed my program, and lost the message, so I had to resort to finishing this on an e-mail. The battle to overcome former limitations is IN THE MIND, and Satan does not want you to recognize this.

Our Lady continued, "All of you have a back door called sloth, or laziness. All of you. And this is precisely what the enemy uses to entrap you. It is also a portal for the enemy, especially for a demon of self-pity. But you have a choice, beloved ones, you do not have to give in to this narrative even though your body is telling you to. You can choose to overcome it with grace. Call out to me for assistance, I always have special access to this grace. Those who are humble enough to accept my assistance will find yourselves conquerors of long-standing failures.

And as an aside, for those of you who may be confused about enlisting the Blessed Mother, she is an intercessor in Heaven, filled with the Holy Spirit, who makes it possible for her to hear the petitions on Earth. Some of you will call your prayer partner when you need prayer, well, she is our prayer partner and because of her job in Heaven, has special gifts, from Holy Spirit, that enable her to hear more than one soul at a time, and intercede for them before the Father.

She continued, "I too had a body, but my mind was prepared to deny the suggestions of the enemy, and therefore I cooperated with grace and overcame my flesh and earthly thinking. But I could never let my guard down because the enemy was forever trying to gain entrance into my thinking. It was the grace of God that gave me the heart to sacrifice my very own Son for the salvation of sinners. My heart was in one accord with Jesus, and we were in total agreement, even though it cost me more than anyone will ever know."

"Getting back to the point, there is a grace available to you when you are tempted to give up... you must ask, believing, in order to receive. Then it is up to you to correspond to that grace and break through the barriers that have previously held you back. Beloved ones, this takes effort, and effort may feel difficult, but once you commit to the path of using all the grace entrusted to you, it is easier and even joyful to find yourself bursting through former barriers that stifled your dreams and were the cause of your failures of the past.

"So, is what I am saying to you, things you believed you could not do yesterday with yesterday's grace, are going to yield to your efforts with today's grace. Ask, receive, correspond, and find new joy in conquering old dynamics that have quenched your dreams. With each new day comes new graces. Did you really think Heaven runs out of graces to help you with?? The enemy would have you believe that, but the truth is GRACE is endless, because God is omnipotent and will never stop creating that which His children need for living the abundant life.

"So, do not be fooled by these failure-oriented voices. God is asking you to climb that mountain, He will give you every piece of equipment, energy, talent and perseverance to do just that. It is not about YOU doing it, it is about GOD doing it through you. There is nothing you cannot do when God gives you the mandate. He knows exactly what you need, and He has it in His storehouses of Heavenly Treasures.

"So, ask, receive, act and persevere. You are not acting alone, God in you is the One who will get it done.

Amen to that.

Do Not Be Puppets of the Devil

March 16th, 2022

I was thinking about the cross the Lord has had to carry, and that He became very tired and leaned to the right and touched the ground, and when He did, a nuclear bomb went off.

And Our Lady began, "This cross has been carried for many, many years. What is being done in the Ukraine is deplorable and truly the Cardinal was right when God told Him that this was Putin's assignment. The problem comes when the propaganda obscures the truth and all people are lied to, as a result, they are out of the loop on what is truly transpiring, so they give their allegiance behind the very ones responsible for the corruption.

"Oh children! children! You must go deeper in your understanding, instead of believing all you hear, learn to separate truth from lies."

Which is a very good skill set to have, just to live.

“Look at the other side and give it a substantial hearing, lest you become puppets of the devil. You are in this mess because you heard rumors, narratives, and assumed they were true. Then you talked among yourselves and built a consensus against God’s instruments and spread the lies and narratives even further.”

And at that point they were praying Sorrowful Mysteries and I heard, "Falsely accused" in the background.

She continued, “That is the truth. This man has been falsely accused so the corrupt ones can continue to get their supply of adrenochrome by torturing little children. When will you grow in maturity enough to check the facts on your own before you swallow everything hook, line, and sinker???

“If only you had done that you would not be consorting with lying demons to turn the world against President Putin who is not perfect, and who does have mistakes in his past but is acting by God’s assignment right now and is the real reason behind the cleansing of Ukraine.

You have been ignorant to what your government has been doing and who are the evil ones they have allied themselves with. You will find out the hard way, but oh how I pray you will learn from this, so it will not be repeated. Those who pray and are dedicated to the Lord, with an active prayer life, are more likely to recognize and understand the truth, than those who think themselves too busy with other more important matters to check out the facts.

“I want to share with you what Mother Elisabeth saw in the Blessed Sacrament. She saw Jesus carrying the cross and at one point it became too much for Him, and the right arm of the cross touched the ground. Right at that point a huge mushroom cloud began to fill the Host obscuring everything.”

So, she had this vision in the Blessed Sacrament, which was exposed at that time.

“So now you are facing a horrific life in the wake of a nuclear bomb being released. Pray, pray much, and get clean before the Lord, forgive all who have ever injured you, ask for forgiveness of all your sins, leave nothing out, make a good confession children and prepare your hearts to meet the Lord. He is mercy, He will forgive you, but you must forgive others. Pray for the grace to make an act of the will to forgive. You do not have to feel it for it to be legitimate, you only have to declare it with your will and no matter how you feel, the Lord will accept it. Ask for assistance, “Dear God, help me forgive” and you will receive that grace. It is essential for your entrance into Heaven. Call on me, little ones, I will pray for you to receive this Divine assistance. Understand that I have my prayer warrior teams in Heaven and they swing into action when I call upon them. BELIEVE.”

When Communications Cease

March 16th, 2022

I was dreaming, there were no windows nor could you see daylight, we were definitely underground, there was a pungent earthy smell in the air. I'm wearing jeans, tennis shoes and a long sleeve black shirt that I had been in for quite some time.

There were other servants of God milling around me and I was doing a mental checklist about who would be in the next group to go out and minister to others, when suddenly all communications and lighting ceased! We had no power, no telecommunications, no satellite, no electricity, nothing, it was complete darkness all around us. I was wondering how this happened since we were on solar power, but was not sure if we had been having sunlight lately due to being underground for a while.

Just then my cousin, John, came up to me and said he was working on getting us auxiliary power. John stands just over 6 feet, 2 inches tall and there were only several inches between him and the ceiling height. He is a chemical engineer and is very good at trouble shooting the operations of various systems. I have another cousin who is an electrical engineer and was hoping he was there also, but never saw him among us.

As a side, in my family, on **both** sides of the family, you are either in real estate, engineering or in education. Family reunions consisted of teachers, realtors/builders and engineers; the topics of discussion always fell into those three categories and we would typically group together according to our profession. One day, I always knew the Lord would use some of my relatives for His purposes in the end times.... that's how Jesus is going to save them. For years, my mom, sister and I would pray for our relatives who didn't know the Lord. We prayed, "Lord, please touch and move on their hearts (and we would mention each of them by name), and do not let our family die in their sins.

Do not let me or anyone else die in our sins. Save them oh Lord, blessed is he who comes in the name of the Lord. We need people, dreams and angels to be sent with the gospel of our Lord Jesus Christ to our loved ones. Thank you, God for Your mercy, to defer judgment and Your unending love to save their souls. Amen." So, it was a huge relief to see cousin John in the dream.

My work in this underground refuge was to coordinate who came in to train as an end time minister for Christ and when the Lord said they were ready; I would send them out in very small groups of two to four people. When all of our communications and electricity ceased to work.

Jesus began speaking,

"You were warned of this in advance, Elisabeth, and have prepared the supplies necessary to continue My work. For a short time, no more of My servants will be sent out, work with those who are currently with you and please pray around the clock. There should always be someone in adoration, someone covering you all with heavenly weapons and My angelic protection, immersed in spiritual warfare prayer, foiling and confounding the attacks of the enemy and someone praying continually in the Spirit backing up their brother and praying against retaliation.

(As a note, whoever is praying for covering and protection over a group, this is in addition to each of us putting on our armor several times a day, saying the binding prayer and sending out swords.)

Jesus continued,

“This holy practice is known as a triune prayer team, that is why you have everyone on a rotating sleep schedule. There is great heavenly power when three of My dear ones are in unison and about My business; graces and impartations will flow directly from My Father’s Throne down to you.

“I have given Heartdwellers and all My people the necessary tools to hear from Me and know My voice, to have the wisdom and understanding to know when they are being directed by My Spirit and when the enemy is influencing their thoughts and actions.

“My precious ones, so often you will seek out many people to interpret a dream, vision or a word I have given specifically to you, when all you need to do is be still before Me and I will give you confirmations in your thoughts and daily readings. If you feel anxious and fearful in your spirit, it is not from Me but the enemy. My ways are to empower and uplift you to carry out My work.” And that was the end of His message.

Dear Heartdwellers, the Lord is absolutely right (as usual), He has given us so many teachings on discernment and hearing from Him and this will become very important when the lights go out and electronic communication is cut off.

We encourage all of you to go to our website at Heartdwellers.org, click on the Search button, put in a topic such as “discernment” click on search and you can also search for terms using Google, then print the messages you need so you and your family will have hard copies when your internet goes down. God bless you and keep you all.

Healing Hearts Life from Light Event

March 17th, 2022

The room was bright white with a very clean and sterile feel. The efficient nurse had come in and hooked me up to a fetal monitor. I was halfway through my pregnancy and was excited because this was the doctor’s visit that would tell us if I was carrying a boy or a girl. The nurse suddenly had a scowl on her face, looked up at me trying to smile and hurriedly left the room. Was wondering what that all was about, when I noticed there was no baby’s heartbeat coming from the fetal monitor.

It’s been 21 years and tears are streaming down my face as I write this, the feeling of a giant hole being punched into my heart when the doctor came in to tell me that I had lost the baby, is as fresh today as it was over two decades ago. The D&C was scheduled and in great heartache and pain, I somehow managed to drive home to an empty house.

Earlier that day, my husband had boarded a plane to Moscow, and to make matters worse, his travel companion was a beautiful, young Russian woman, who had knowledge of the area where they were headed,

and she arranged for them to stay with her family. Had to change my thoughts so I wouldn't dwell on his business trip.

I looked at the baby's bedroom, we had just finished painting the room a lovely sky blue and sponged on white clouds to give the walls a heavenly effect. Just then the doorbell rang and it was the baby furniture being delivered, I had to tell them to please take it back, there is no baby. I went to our bedroom, laid down fully dressed on the bed for hours and could not shed a tear.....the weeping came later like a flood. For days I was numb, almost catatonic, every day for over four months I prayed to God for a healthy baby and a smooth delivery, and it was not to be.

I share my experience with you, Heartdwellers, because we are having a healing event on Saturday, May 7th in Taos, New Mexico. We want to touch mothers and fathers in Taos and the surrounding areas who carry the pain and guilt of losing a child, aborting a child or like myself, who have had a miscarriage. We want them to experience God's freedom through the Healing Room. We urgently need your helping hands, dear Heartdwellers, to pray for these heartbroken parents to heal them with God's love.

Our hope for this event is to bring healing to women and men who carry guilt, shame, fear, and pain from the act of abortion. To bring awareness of the sanctity and value of life. For all women to see the honor and value in being a mother. To have all who are present to encounter the tangible presence of God's love.

We also have a surprise raffle at the event where we want to provide paintings done by Heartdwellers to give to all who come, the theme of the painting should bring them joy about being a parent or bring healing to their hearts. So be creative all Heartdweller artists, if it's not too much to ask we will take sketch, painting on canvas or just paper, it doesn't have to be framed or you can send in your artwork digitally by email and we will print it out, just make sure the pixels are high resolution. And of course, you can always donate to help us cover the cost. Just send in your donation and note "Life from Light Event".

If you can donate items please mail to P.O. Box 1113, Taos, NM 87571 and if you are sending a picture of your artwork online, please email Heartdwellersghana@gmail.com or lightofthewoods@taosnet.com.

God bless you dear family and thank you for considering supporting this very needed healing event!!

Your Suffering Will Bring Forth Fruit

March 17th, 2022

Lord Jesus, please help suffering souls to realize the great gift that is theirs in their pain, and that they can unite their sufferings to Jesus who continues to suffer until all are saved. Amen.

And I would like to explain that many times we have seen Jesus sweating great drops of blood and even agonizing on the cross because of the suffering in the world. There are even those who carry the wounds of Christ in their bodies, as a living witness and there are others who carry those wounds that are not seen as a suffering, uniting them to the Lord. And I believe that He is going to have suffering until the very day that there are no more souls to save, because He will not be happy until everyone is saved, but of course that is not possible as we know, so, here is the message.

Our Lady began, "Tragedy after tragedy after tragedy, and suffering beyond anything experienced in the history of the Earth."

She is talking about the Ukraine right now.

"This is what is going to bring souls to their knees, finally, not being consumed with their possessions. It is not His will that anyone should suffer these calamities, but it takes actions so tragic to shake their attention off acquiring, protecting and climbing the social ladder.

"None the less, the Lord is so very sensitive that He suffers with them in ways you could never approach or understand because of your humanity. You see there is no human that could handle this, God alone can survive this kind of suffering, the suffering of all creation. All of you also participate in His agonies with the little sufferings He allows in your lives. Each suffering when offered to God becomes a golden chalice, capable of holding the blood of all creation. Nothing is wasted. Just as I went from spot to spot, recovering His precious Blood after His Crucifixion, so do the angels collect your tears and your blood to offer to the Father.

"You see, you and I are co-redeemers participating in His sufferings. He alone paid the price and redeemed us, but time goes on, many people and prayers are needed to bring this grace to the lost, so they will recognize what He has done for them. That is where we come in to pray for hearts to be softened and repent. So do not despair if you are sick or tired or have some other debilitating illness, every bit of suffering offered to God is doing what you could never do even if you were in perfect health.

"This is a wonderful truth which makes provision for every soul to participate in union with Jesus, in His sufferings. He totally understands the feelings of helplessness that you experience when you cannot be up and active on His behalf. You see my children there is greater grace released through prayer than any other activity. Your world teaches you the opposite so many never learn the truth of this grace until they reach Heaven and the fruit of all their prayers is revealed to them.

"To pray and suffer is the most powerful thing you can do with your mind and body. And those who minister always count on backup prayers to keep them in action to release the anointing. So, you see your prayers obtain innumerable graces for those who have the commission of bringing the Word of God to the unsaved. Without your prayers they could in no way be so effective.

"Take courage from these truths, cherish them in your hearts and revisit them when life seems to get so touch you just cannot go on. In those times avail yourself of my intercession. I promise you will receive relief as I bring you before my Holy Son and His Father. Rejoice my intercessors, great is your reward in Heaven. You labored in secret but shall be openly rewarded so that Heaven may rejoice with you."

And I would like to add here that even if you are dying you can offer your death to the Lord for sinners. There is so many things you can do with the life that has been given you. So, in extreme circumstances, do not give up, offer yourself to the Lord and be united to Him. Amen.

Ukraine Teen Soldier Calls For Urgent Prayer

March 18th, 2022

Recently we were contacted by a soldier, a Ukrainian soldier who was at the front lines, he is twenty-nine years old and very afraid to die and asking for our prayers.

So, this is why I brought this- I guess Our Lady brought this message to help us understand the dynamics and the position of their souls, because they do not know anything about human trafficking and drugs, and Satanism in the government, you know, that is all so hidden from them just like it is in our country.

So, the Lord overlooks that, even though they are working for the evil ones. They are doing something honorable in risking their lives to protect others, and the Lord takes that into consideration.

Dear Lord please give us a heart for the soldiers who are facing death, especially in the Ukraine and Russia. Amen.

The Blessed Mother began, "To die for your country is an honor, even if the government is corrupt, it is a sacrifice of duty. Even in the Old Testament many died an honorable death because it was for their country and defending others. This is rewarded daughter, give him hope that his destination is Heaven.

"You see the corruption is so hidden from the citizens that they know nothing about it. This is because they did not invest time in finding out the truth about who they are fighting for. He has no knowledge of these things, he believes what he is doing is honorable, and it is.

Mother, please go to him and comfort him.

She said, "That has already been taken care of. I am just bringing you understanding, and you may pass this on to others. Beloved family, if you do something from a pure motive, not knowing what evil might be behind it, your act is still honorable. This must be because corruption hidden from ordinary citizens is so rampant. This is why the Lord called them sheep, He understood this about their nature. The Lord looks upon the heart and the motive.

"There are many heroes and martyrs in a war. If the heart is clean, if repentance is done, for all the sins of their lives, the Lord looks favorably on them, and they are not sent to Hell. But repentance for mortal sin is very necessary. Russia knows when they send these 'children' to fight in the front lines that they will most likely be killed, especially the young and inexperienced.

War is a terrible thing that robs the people of so much. But there are times, like in Sodom and Gomorrah when certain actions must be taken because of the wickedness. That is what all of this is about. It has become a necessary and action tragic to punish the wicked, and free the innocent.

"We are with every soldier speaking to their heart to turn them to Christ and steer them in the right direction, even protecting them for the best possible outcome of their souls and the souls of others whom they are set against to attack and kill. Nothing about war is pretty, but I will tell you this, it becomes very necessary to the soldier to turn to God and appeal to Him for mercy.

This is a very good way to pray for them: 'Lord, please grant them a desire for You and Your protection, as well as a contrite heart, when their minds are quieted and not racing for survival. Help them to repent

and believe in God's love and forgiveness.' In this way, whatever happens they are more well-disposed to be saved.

Jesus began, *"Just because they are afraid of going to Hell, does not mean they will. I visit them with Mercy in the hour of their death, and many times pull them from the scorching fire at their feet as the devils pull them downward. I look at the disposition of the soul and many times I am able to redeem them at the last minute. Pray for this family, pray for these little ones to be saved."*

When Prayer Is A Struggle

March 18th, 2022

Dear Lord, we cannot do any of this without Your help, please remind us to call for help when things are so difficult. Amen.

Blessed Mother, you know how bad I have been. And I have been having a lot of trouble with prayer.

She answered me and said, "You are getting opposition, which you must overcome, through prayer. You have been targeted with a Martha spirit, take authority over that my dear one and try not to beat yourself so severely. You have been praying every time you think of it, but the kind of prayer that you want to get into has alluded you, so now it is time to take authority.

"Jesus and I are standing by to help you overcome this. You are too easily overcome; you give in to pressure and self-condemnation. Do you know that the whole body is going through this right now? I want all of you to arm yourselves with "resoluteness", an addition to your armor.

"I do not condemn you".

My legs were tensing up. I felt like I was getting a Charley horse, and I had to stop and put some cream on them.

She said, "I do not condemn you for the oxygen or the cream, please ignore that and come back to where we were. Children, it is so easy to write off prayer for something you deem more important. It is easy to avoid prayer because you feel you are not right with God. Get right and pray. The Lord will accept a simple, "I'm sorry," until you can get with Him later.

"Satan is opposing this group. Many more of you could get messages so the weight is not always on Mother who is under constant undermining attack. Please come forward with your gifts and do not allow Satan to muzzle you with self-condemnation.

"So, the three points you need to build up are: Resoluteness, no matter how you feel. Americans are some of the least disciplined people in the world, they rely way too much on feelings. "I do not feel like it." How many times a day do you buckle under that?"

I know I do.

“Do not fool yourselves, you ALL do this, not just Clare. But thanks be to God’s grace she has overcome so much laziness in her life, but it is many times a real struggle that tires her out. And for you too dear ones, you also avoid what you do not feel like doing.

“So, number one is resoluteness: To overcome it with prayer, and vehemently putting down distractions, which are served up to you by demons. Take authority over them.

“Self-Condensation, number two: Overcome it with confession, even if it is only a short confession, and draw closer to the Lord. Know that you have a duty to perform and carry through. He is always with you to help you no matter how badly you feel.

“And faith, number three: Faith, in His Mercy know that we do not condemn you and we are quick to help you to get over it and keep moving forward. Call on me, call on Jesus and Holy Spirit. By the way, He loves to help you.

“Some of you have struggled in prayer because of these three dynamics, and remember, you do not have to feel the anointing, it is real and always present when you are obedient.”

Great is the Battle for Souls

March 21st, 2022

Oh Lord, please look upon us with tender mercy and empower us to pray as we should, as often as we should. Dear God give us the burden. Amen.

“Oh Mother, where are we?”

“In the midst of a tumultuous planet, covered with the Blood of my Son. You are protected.

“Was there something we did to cause this sickness?”

“There are many things that are not quite right, but the majority of this suffering is for the people of the world, especially the unsaved. My Son has covered the earth with His Holy Body in order that souls may be saved. Do not expect to understand this mystery, it is redemption in its most raw and vulnerable form.

“While the justice of the Father must come upon the earth, yet there are the innocent children He grieves for as well as others who have been victims of evil. The beauty of His creation has been mired with the filth of this world and more sins than anyone could number. That is why this cleansing is taking place. He wants to restore all things to Himself.”

“Mother, I want to rectify whatever is out of order.”

“Not now Clare, pay attention to prayer and what is taking place around the world. Pray as each thing comes to mind. There is **so much, so much**, that is being devastated right now and He desperately needs your prayers for the whole world. Right when one situation is being corrected ten, more come up. This has to do with the

increase of demonic activity, the approach of Nibiru, the proliferation of evil even as Cern has opened portals to assist the demon aliens. There is always an exchange involved, "You do this for us and we will do this for you." But all of it is detestable. It is the betrayal of all things good and holy, the selling of humanity to Satan through unscrupulous men.

"But you my children must pray for their conversion. Many will be saved as going through the fire, but those who have done these things have very little hope and they are desperately in need of your prayers. They started out in this life for the most part as innocent little children and were twisted by the devices of men who have engineered their behavior through learning institutions, fashion and peer pressure, leading them to imitate evil without a conscience...to become like Satan, and great is the battle for their souls.

"These very wretched ones never had a properly formed conscience so they imitate evil without restraint. Yes, Holy Spirit does touch their hearts and some do listen, but for the most part that is dead and frozen over. The Lord is continually, finding new means to touch them. Your prayers do help, more than you will ever know.

"Clare, there is not enough prayer going forth from the mountain. Those who are sick should be praying continually, and you, my daughter, need to pray more. Put yourself in these situations and then pray. So much more prayer is needed. Those of you who have truly been steeped in prayer, I thank you from the bottom of my heart. You are doing what is most needed.

"Beloved, I do not say this to you to condemn you, I am just saying it so you can pray more. Even one small prayer does not fall to the ground unanswered. This is a time when we need the prayers of all, because there are so many deadly things being planned."

"What about praying in tongues?"

"There is hardly a better prayer that you could say. Just keep your focus on whatever you are praying over so your mind does not drift away. The utterances from the Spirit of God have more power than you could ever imagine. Never be ashamed to pray them out loud. They have the power to cleanse the air from bad presences. When you pray this way, you are praying from the Heart of the Father, and no prayer could be more perfect.

"Do not be afraid that the enemy is using them to spread evil, this is not the case. That thought is placed in your mind by the enemy who absolutely hates this way of prayer. Redouble your efforts when that thought is inserted in your head, redouble and keep going, it means you are doing damage. Always ask Holy Spirit to cleanse your lips and speak through you. This prayer will ensure that He is truly the one praying through you. Oh, how sublime are His prayers!

"I encourage you all, you are doing well, but there is always room for improvement. Children circumcise your thoughts, your mind and do not allow it to wander onto worldly things, and know that your adversary knows well how to plant those thoughts in your heads to distract you from prayer.

"I am with you in this endeavor and there is no invitation I value more than to pray for you and with you."

Father God on Imperishable Beauty

March 21st, 2022

Turn our eyes away from beholding vanity and quicken in us all of Your ways Lord. Amen.

I started to get into morning prayers, when a thought entered my mind which would easily give way to vanity, when Father God began speaking, *“I see so much ugliness of hearts and minds in the world today, it breaks My heart when darkness overshadows Our light in My children. We are most grieved with what holds value in mankind. There are continual negative messages around the globe and in all nations about your children’s true worth and outward beauty. Parents, both spiritually and physically, must be vigilant and prayerful as you teach your daughters and sons about their inner beauty and self-worth.*

*“Fashion and appearance reign supreme today. People are being told they are not good looking enough, so they try everything, even plastic surgery to alter their God given natural appearance. Look to Scripture and take the approach of **not** trying to fit into society’s idea of beauty. I do not focus on outward appearance; it is what is on the inside that matters most to Us. My dear ones, inner beauty can be developed so it will be reflected in everything you do and who you are in My Son.”*

When He said the word “reflected” this reminded me of James 1:23, *“Anyone who listens to the Word but does not do what it says is like a man who looks at his face in a mirror.”*

I was thinking about all the prayer that I still needed to get in this morning, when I caught myself....have I lost it, here the Creator of the Universe is speaking and my thoughts are drifting. “God help this poor, weak vessel.”

Father said, “I will.” He continued, *“Untrustworthy people can give the appearance of trust, but inside darkness rules over their actions.”*

And here Ted Bundy popped into my head as an example of how outward appearance is not the best way to determine how “good” a person is. Ted was a very handsome man who, in the 1970s, murdered woman after woman before he was caught. He was an effective serial killer because he was very charming and good-looking. People like Ted Bundy serve to remind us that what is on the outside does not always match the inside.

*“More importantly,” God continued, “Look at Jesus, My Son. In His earthly ministry, people did not flock to Him due to His outward appearance. **No**, instead He was hung on a cross and died for you. His own people did not look beyond the outer appearance, to see His inner beauty and holiness. Unfortunately, My children, you live in a superficial world where people do judge on appearance which influences your thinking and actions. Ask yourselves does your focus on your appearance take your eyes off of your God? Are you more concerned about your weight, clothes or makeup than your Savior? I tell you to take a closer look at your hearts and actions rather than your presentation and appearance.*

*“A man or woman of noble character represents right and good and is worth much in Our eyes. They bring good and not harm, they are unselfish and walk uprightly, are willing to help others and have great love for them and their God. Did I not tell Samuel to see **not** as man sees, as man looks on the outward appearance,*

but the Lord looks on the heart? Wisdom is far more valuable than any material thing and blessed is the man or woman who sets their heart on it.” And that was the end of Father God’s message.

Let us stand on the Word of God so that we may possess imperishable beauty.

Proverbs 3:15-18, “She (meaning Wisdom) is more precious than jewels, and nothing you desire can compare with her. Long life is in her right hand; in her left hand are riches and honor. Her ways are ways of pleasantness, and all her paths are peace. She is a tree of life to those who lay hold of her; those who hold her fast are called blessed.”

And in 1 Peter 3:3-4, “Do not let your adorning be external, the braiding of hair and the putting on of gold jewelry, or the clothing you wear, but let your adorning be the hidden person of the heart with the imperishable beauty of a gentle and quiet spirit, which in God's sight is very precious.” Amen.

Come to Me My Bride

March 22nd 2022

Lord, for those of us who are weary, please restore our strength and help us to be available to be with You where You can restore our strength. Amen.

So today I was uncomfortable in my body, my body was aching and hurting, and I do not want to complain, so when I came into prayer I said to Our Lady, please forgive my complaining Mother. I was not saying anything, but I was feeling it, even though I am trying not to, my body is just so uncomfortable.

Of course, what do you think she said?

“Offer it up. Offer it up, Beloved, it is a worthy offering.”

It is distracting, but it is distracting for me. Please help me through this. I am trying to find a way to get out of all of this pain, right?

“Clare, just keep on going, ignoring the complaints of your flesh. You can do this and since you have requested my help, I shall supply for your need. Oh, how wonderful is the soul that has put their bodies and will under obedience so that the spirit may reign overall. You can do this. Are you willing?”

Yes Mother, I am willing, please help me. What is on your heart today?

She answered me, “The situation in the Ukraine is far more complicated than people suppose, and President Putin is acting with a good will. However, he is only a man, he is not God, and is subjected to outward forces that would push him over the brink. Pray for this man, pray much for him, for strength, integrity, and endurance.

“In the meantime, you who live in this country continue to prepare, continue to pray and again I ask you to pray for your enemies. This is more important than you suppose, and you have let this slip from your mind, of course the enemy does not want you praying for his servants. Please embrace this prayer with

more constancy.”

And then she was quiet, so I just sat here, waiting for her to say something else, and all of a sudden, the Lord was in front of me.

He said, *“I am here, to strengthen you and draw you closer into My arms. I love you so much and I do not want you listening to those deprecating words every morning.”*

And what He is talking about is when I get up in the morning, I get hit with everything I have not done right, or I have not gotten done yet, or I forgot, or whatever. Every time I get up in the morning before I can even get to the prayers, The Binding Prayer, and the Armor, I get hit with all these negative thoughts, and they are little things, but they are- they really are very undercutting.

The Lord went on to say, *“You are doing the best with what you have, and I hate to see you undercut in this way.”*

Sometimes I get to the point where I am comparing the ability of other people to get things done, with myself. And I never – I never should do that, that is not the right to do at all, but I look up to certain people and I think to myself, “why can’t I be that way?” And it goes into a downward spiral from there, so I know I have to stop doing that.

He said, *“I AM pleased with you, I am. Oh, please do not let this false guilt destroy what you have been given. They are trying to paralyze you so you will not have the confidence to work and do what is yours to do. They have demoralized you so much that even now you are struggling to do anything. I want this condemnation to come to an end. You are not a failure, but they would have you believe that you are so you will give up and just stop trying to do anything good. They are liars, one and all.”*

And I said Lord, I do not know how to change this.

And He answered, *“Spend more time in dwelling prayer, for I have much to say to you. But more than that I want to heal what the dark forces have been doing to you. I want you back up on your feet and in the saddle. You have been limping along, as a matter of fact you are not the only one.”*

“My dear ones,”

Now, He is addressing all of us and people on the channel- *“My dear ones, I can see the efforts you are making with the very little you have, and I want to increase you. Spend time alone with Me, because there is so much, I want to impart to you, that you will need. You cannot continue to run on fumes, you need good solid healing time with Me and rest. This is a time where I wish to draw My Brides into deeper intimacy, cleaning out the old leaven and filling you anew with the fresh. You have been through many tiring battles, and you really have not had all the rest and healing that you need.”*

“I want you to come forth vibrant, alive, and committed. I need this from you, and I will prepare you to receive it if you will devote more time to Me, especially in the evening”

Since we have made a change in our schedule, we have a lot more time in the evening.

He continued, *“Do not waste this time, rather, look forward to coming home to your husband who loves you and tuck in with Him, or even if you have a roommate, explain to them what you are doing, so they will cooperate. This will also be a very good example to them, to be doing the very same thing.”*

"Find a quiet place where you will not be interrupted, even a storage room would work, just as long as you have your own space and it is very quiet, you and I can concentrate on one another. This will also be a very good example to others to be doing the very same thing with their time in the evening. So many times, I watch you in the evening, wasting time when I desire to be with you. So now I am asking you to make a concerted effort to be Mine in the evening. I have deliberately allowed you to have the evenings to yourselves so that you will cultivate your time with Me, going deeper, even going to Heaven with Me. I desire for you all to go deeper and immerse yourselves in My Love, which I am aching to share with you. Please My Bride, come closer without any fear, for I wish to pour through you what you so deeply longing for. Come... come to Me. I wait for you."

And that was the end of His message.

Chronicles of the Bride - Heavenly Celebration

March 22nd, 2022

"We all gathered to take a trip to Heaven and the music we used was so anointed," Mother Clare began. Transported by Kimberly and Alberto Rivera.

I heard shouts from the ground in Heaven, "Here they come!" After I landed, I saw my angel guardian Misheal in that very distinctive nose. He was holding both my hands and looking into my eyes, smiling, "Yes, I am your angel." Jesus has come and is taking me by my right hand. The whole environment is one of celebration. *"They are preparing for the day you arrive here."*

I was wondering what I should be seeing, but I felt drawn to His heart and He said, *"Just rest here, do you feel Me....in your heart."*

"YES!!!"

"Good, stay here. REST in My Heart."

I saw a long banqueting table and Angels waiting on it. Jesus said, *"They are so ready. As we all are in anticipation of your liberation; from darkness into the loving arms of the citizens of Heaven. Yes, Beloved you, all of you are greatly loved, admired and so very respected for your faithfulness. You know the last quarter of the journey is always the hardest so we are all here in anticipation, cheering you on, encouraging and telling you well done."*

"Can I scratch that part out?"

"No, My love, this is what all Heartdwellers need to hear now. This is the time to tell them to prepare them. I am granting all who believe and come to Me seeking a vision of Heaven, I am imparting this to you if you sincerely seek this in faith.

"I want you to prepare them with chronicles and expectation that they too can come to Heaven ahead of their time, for strength. I want them to know the treasures laid up for them, how much I appreciate their endurance

and faithfulness. This will give you all hope. They are going to need this supernatural infusion because times are about to get darker.”

“Really?”

“With copious tears, “Really. But you needn’t worry, I will keep you in the palm of My hand. And nothing by any means will hurt you. You are covered.” He glanced over at the world and copious tears flowed from His cheeks. “Terrible, so terrible...I would not be crying if I were not devastated in My Heart over the events to come.”

“Lord, why did you give me that card? “Get rid of the gottas??? I’m running out of time. LIE.” That would infer more time, say it isn’t so please.”

Jesus continued, *“Everything is coming to a head. Of that you can be sure. It is not about time, it is about putting things off that you should be doing, and not allowing distractions to pull you out of what is important. You don’t “gotta” do anything but stay in My will. I know you have such a hard time doing this with all the demands that are really only repurposed demonic rush, rush devices. Scrape them away like so much filth, which is what they are. DO WHAT IS IMPORTANT, not what you are being bullied with.*

“My Mother said, Tell Little Leo that I love him and am so happy for him to have my rosary.” And that was the end of my heavenly trip.

Invisible Arrows That Wound

March 23rd, 2022

Lord Jesus, please help us to overcome that nasty habit of judging one another. Help me to be aware that when I do, I grieve You and the Holy Spirit and undermine the other soul and open the door for demons to cause strife and division. Amen.

Lately I have been struggling with judgment, and I have noticed that I tend to be more judgmental when I am not happy with myself. And I am just down – down about myself for some reason. And I think there is some truth to that expression that when we judge other people, we are cutting them down because we feel insufficient- we want to lower them so we can feel better about ourselves. And I do not pick up on that so much as I do on just being negative, period. And in my family, there was a tremendous amount of judgement going on, nonstop. And so, I have some background, some past to overcome with that.

So, I know Our Lady is talking to me in this message, but she is also addressing the community.

And today when we began the prayer, I felt Our Lady more keenly than I normally do, and I told her, Blessed Mother I do feel you more than ever before.

And she said, “That is because I have not cast you off, I do not criticize you, rather I encourage you, that

you are in His perfect will and moving forward with what I have asked...namely for this moment, praying for your enemies and sending them love, as well as praying for the plight of the world.

“My children, love one another as the Lord and I have loved you. I want you to understand that you partake in throwing rocks at one another when you accept the criticism and judgment of demons who are busy convincing all of you, especially your leader and those in the core group, that you are worthless failures.

“When you judge Clare, Elisabeth, John or Mike, you have been inspired by a demon to find fault and judge. At that moment you open the door of the berating demons to come in and accuse them. They in turn feel this and are stripped of confidence and motivation. They begin to falter and turn their thoughts first against themselves and one then to you and another. This is why you must forgive the silly things they do and let those endear them to you instead of being a condition of judgment.

“JUDGMENT IS POISON, JUDGMENT IS POISON, JUDGMENT IS POISON, and it cripples you by opening the door for demons to accuse you and the others who spread this poison. You will find yourselves in silly disputes and irritation because you have let these demons in.”

And from my experience, they are just trying to cause division. That is their agenda.

“I would much prefer that when you see something that provokes you to judge, think back on how many times you have done the very same thing.

“I would rather you see their quirks and mistakes with great affection because they are unique in all their gifts, and faults.

You have been brought together to strengthen and purify one another. God is in your midst, continually teaching you to love one another. He puts up with your numerous quirks and faults and still loves and empowers you. I am asking you to do the same for one another. All of you are in continual need of being lifted up, because twenty-four seven the enemy is designing and executing new ways to unravel you.

“If you could see yourself when you think a judgmental and derogatory thought of another, you would see a demon sitting on your shoulder, feeling very much secure and at home, and whispering and projecting pictures and thoughts into your mind, taking you off your duty to pray for souls and setting you up for a fall.

Clare, my daughter, you too have this nasty habit on occasions. You and Ezekiel have come a long, long way, but there is still much in your minds that should not be there.

“Recognize immediately when you have fallen into judgment. Rebuke the lying and slandering demons, confess the good in that person, pray for them and then refuse to engage it ever again. This will keep you clean and close the door on the line of demons waiting to jump on you.”

Yeah, they line up around the block, because they get kudos for that from Satan.

“All of you have made progress in this area, but some of you have been targeted as one who can bring down the community because of constant judgements. They want to use you to hurt another by these judgements. You see, the soul you are judging feels it keenly in some area of their being. I want you to reverse that and bless them, praying that all fiery darts will be removed and replaced with hope and courage to do better.”

And that is a real problem for me because if I see something that needs correction, I hate to do that, I hate to do it, but I have to do it. So, I have to- but I have to learn, you know, not to be nitpicky, just major on the majors- do not major on the minors- you know?

Unless it is a habit that is causing a continual problem. So, I am definitely not standing up and saying I do not have judgment because I sure do. And I do recognize it as being stupid most of the time. Absolutely stupid.

“Build up dear ones, do not tear down. Buildup. You will feel it when you hurt someone, your conscience will witness to the grief of the Holy Spirit because of your act of uncharity.

“Do you want to be closer to Holy Spirit? Refuse to judge, and He will find delight in your soul.”

And that was the end of her message.

If you come from a family that is self-righteous and judgmental, it is even harder to overcome this habit, but it can be done through grace. If your predisposed to judging people, you do not have enough of the love of Jesus in your heart. When you are filled up, judgment will not be even in your universe. So that is the remedy for the problem- Fill up on the love of God.

You will not be interested in judging others, you will want to love them, just naturally. That means more time in Dwelling Prayer, in Scripture, and in worship. Those are means that really help me to fill up on the Lord.

Black Magic Ineffective

March 23rd, 2022

Lord, the battle belongs to You, and whatever we're up against can be taken down in one fell swoop by Your mighty hand. Amen.

I had a dream early this morning, another Sister and I were on the move and we were staying temporarily at a friend's house. Immediately upon entering his house, I sensed a not good vibe, something was amiss, but didn't say anything just silently started praying against it and binding anything unclean and not of God in his home and the guest bedroom where we would be sleeping. My Sister in Christ was needing quiet to study because she was getting ready to take her final exams to become a Christian Counselor. I was concerned about the atmosphere we were in and kept praying for cleansing, reapplying our armor, encircling us with swords and praying in the Spirit.

After a few days, we both felt terrible something strong and dark was occurring in the spiritual realm. The afternoon of the third day we were there, our friend introduced us to his housekeeper and I instinctively knew she was a witch and had been cursing us. Well, being a not so mighty woman of faith, I thought Lord, now what?! I'm sure I heard the Lord give out a very heavy sigh in response.

Jesus began, *"You know what to do Elisabeth, use the tools I have given you and My Spirit will work through you. Remember, great love will change people's heart and attitudes, altering circumstances, please continue to stand on My Word."* And that's all I heard.

I thought that's it Lord, that's all you have to say.....I heard crickets, nothing, nothing but silence. So, I took a deep breath, approached the housekeeper and could sense conflict in her heart, good vs. evil. For some crazy reason, I gave her a big hug and said, "We love you and will help you turn to a life of righteousness and guide you to a God who loves **you** beyond all measure." She started crying in my arms and asked how we knew about her. I replied, "We serve an amazing God who speaks to us and guides us into all truth. You didn't stand a chance against our Lord who protects us from every evil."

She broke down weeping and said, "That's why nothing was working."

"What did you use against us?" I asked.

She swallowed hard and said, "Everything I had been taught, I was assigned here because we know this residence houses Christians from time to time and you and your friend needed to be stopped and neutralized. Usually all it takes are curses combined with a hex, but in your case, I needed to call in others to perform a ritual while saying an incantation which raises spirits."

I was thinking that sounds just awful and out loud said, "Why did you do that?"

She said, "Because of what you and others are doing now and what both of you will do in the near future." She continued, "If I don't complete an assignment, I am demoted and bad things will happen to me."

Again, I could sense her conflicting heart and with my friend, we told her about Jesus, repentance, forgiveness, His love for her and we three, together, joined hands and prayed to God to deliver her out of the hands of the devil, and then a miracle occurred, she willingly renounced Satan and gave her life to Jesus, understanding that He died on the cross for her sins and rose from the dead.

We stayed for a while in praise and thanksgiving and then I woke up.

Later that same day while we were praying the Rosary, during the Annunciation, the Lord began speaking, *"When there is **true**, sincere repentance and revival in America, then will I come for My Bride.*

"I am very pleased with all of your efforts yesterday. Even if some of you didn't spend as much time as others, I receive and cherish all your prayers. Tell Mother Clare not to beat herself up, all your efforts make a significant difference for others. As long as countries are in conflict, innocents are in harm's way and conversions of the hardest of hearts are needed, I would like the community to devote the first Sunday of every month to a minimum of four hours of deep prayer for others, followed by thanksgiving. The first two hours should be spent immersed in intercession for the salvation of souls, that they will repent, seek forgiveness and forgive others before they pass on. The second two hours please spend in worship, praise and be thankful that I have heard you and will answer your prayers." And that was the end of His message.

Let's keep up the prayers, Heartdwellers, it means so much to our Jesus!

America's Purging

March 24th, 2022

Lord, look with kindness upon us and may Your healing hand give us the strength to continue to move forward in Your perfect will. Amen.

Jesus began, *"I will not allow the Ukraine to be fully trampled due to the prayers of a faithful few, but I will uproot and expose the hidden evil that has taken place there for generations. Not decades, as you are thinking Elisabeth, but generations. The North has not revealed their true power yet and the weapons that can subdue their adversaries."* And here He is referring to Russia.

He continued, *"Your greatest weapon My people is to stay in prayer, receive Me daily in the Holy Eucharist and demonstrate love of God, My Mother and your neighbor. What is happening in Ukraine right now will come to America, sooner rather than later. This purge must take place as evil has overrun a nation that at its foundation believed in God and Our goodness."*

"I am calling you all to go deeper and not take what you hear and see at face value. Have I not told you, when you stay swimming about on the surface of the ocean water you will get knock around by the waves, but when you dive down with Me you will have calm and peace? This is where your faith and trust in Me will become apparent and shine forth."

"You must prepare yourselves spiritually along with necessary food and medicines. It will be your faith in Me that will heal you from all diseases and plagues that will be unleashed upon mankind, as that is how the enemy will continue to attack you. Your best defense is to fight back spiritually using your heavenly medicine."

Yesterday, you all were on the right track with the Good Samaritan's Oil and Saint Michael's Oil. Ask Me and I will give you the natural healing aids in your area to take care of any afflictions and infirmities."

"When war hits your shores, America, do not run around from place to place or travel. Diseases will be spread through humans and to stay standing, you need to be My faithful people. Pray with faith and believe in the power of prayer!"

That was the end of Jesus' very serious message to us.

My Mother grew up on a farm and as children we all ate extremely healthy. We rarely, if ever, missed a day of school. We ate dark, green leafy vegetables, onions, fresh fruits especially blueberries, strawberries and blackberries which had a very good medicinal effect on our bodies and also improved mental clarity. The darker the fruit or vegetable we were told, the better for you. These foods may help to fight off diseases and illnesses.

Let us heed the Lord's warnings and all stay, as best we can, in a continual state of prayer and truly believe Our God will deliver us from all evil and save us from destruction and judgment. Amen!

Cell Groups In America-Waiting

March 24th, 2022

Lord, please help is to have true love in our hearts for our enemies. Amen.

She reminded me that it was important that I get a message out about materialism in America. I did not do that last night, I was in prayer, but today I am going to have to do it. When she told me that, you were praying, “A voice crying out in the wilderness.” That is really what it is, when I bring this message forth.

And I asked her, please do not let me forget.

I got the feeling that Putin knows what is going to happen. He said something that kind of made me feel like he knew something was going to happen. And it was along the order – this is not a direct quote- It was along the order of, “I will not be the one to use nuclear weapons.” Like I said do not quote me on that because I do not remember exactly what he said, but it indicated that he would not be the one to break into nuclear war. When I thought about that, it reminded me of the nukes that were sold to Iran and the vision that Mike from Around the World had that the nuke that hit New York was-and was coming-they were coming in from our East Coast, and they were, they had Iran’s symbol on them. That tipped me off, you know, that he did know something, someone was going to use nukes, someone was going to start it.

Well, Our Lady came back to me, and she said, “He does know. That is why he has supplied Iran with weapons. Iran is going to do much of his dirty work, which, by the way, must be done. It is a horrendous job, purging the corruption of this nation and there will be much innocent blood shed. But there will also be protection for those souls who have chosen to pray through the events. There will be terror when the sleeper cells are released, yet there will also be mercy.”

I know there are terror cells – around here, I mean as remote as we are in Taos, I have seen them, I have seen-well, let us put it this way: I could not say they were terror cells but three men together, alone? It certainly felt like it. When I saw them and not only that, but there is a store owner in Penasco that is Middle Eastern – Penasco is right close to us- and a police officer, that was also a declared Muslim, he said “I am a Muslim. “And he said it to me in such a way that it was almost threatening. So, he repeated it because I did not react to it. He said, “I am a Muslim.” And I said, “Well, be a good Muslim, if that is what you believe, you know, be a good Muslim.” He was a little miffed by that but- we cannot afford to be afraid of anyone -we really cannot- do not give way to that, we know our Lord and we know He is going to protect us or if He takes us home, that is okay, too.

“Did I say there will be protection for those souls who have chosen to pray through events? “It has been very well planned, Our Lady continued, “for a great length of time.”

You know, there are people here, out in the desert, there is a Sikh community out in the desert that I have heard they have a lot of a storehouse of weapons from someone who worked for them. They are about forty-five minutes south of here and it is a huge Sikh community plus they have mosques as well. They have been contracted to protect Las Alamos. Well, they are trained and disciplined and, you know, so I can see how that would work out.

She replied to me, "It has been very well planned out for a great length of time. They have cells everywhere Clare. This is another reason why we are asking you to pray for your country, they are just biding their time."

And she said, "You will wear veils in public..."

We have veils, we do not always, always wear, when it gets really, really hot, but she was reminding us of a dream that we had, that we were protected. The women were protected because the women were wearing head coverings, and they respected that.

She continued, "Despite the well-planned offensive, God is with you and the community, and you shall come to no harm. Do not be frightened, just TRUST, and cultivate a love in your heart for them.

"All those Middle Eastern men who came across the Mexican border..."

Now this is me speaking. So many Middle Eastern men, fighting age, strong, came across the border, the Mexican border, they just streamed in, large, large, communities of them, came in.

And Our Lady answered me.

"Yes, all well trained in the ways of war. They are tucked away, biding their time until they get the word to be deployed. Truly, it is ugly, but so is sex trafficking and heroin addiction. The Earth is filled with filth and now is the time of its cleansing."

And because the Deep State is so in control of the media here, and the narrative that people just take for granted, they just swallow everything they hear, they are calling the evil people good and the good people evil. And this is part of the cleansing that is going to come.

"Do not be afraid, just pray for them. One particular man who has a coven is greatly in need of your prayers."

I know who that is. I have felt that in my heart, Mother.

She replied, "Yes, we allowed you to carry a burden for him."

When Heaven gives me a burden it is so much easier to pray with real intention, real compassion and caring for that soul, so I am going to continue to pray. For him, and for the cells that are around us. They have- They are everywhere, and they know the back country because they have been in the back country. They just- they have lived here, and they have explored and everything else, so they know. They know where they are, and they know the ins and outs of things. And there is also- a couple of Chinese women who do manicures in town. And I walked in there and I had the strangest feeling when I walked in, and it was just so cold. I had a feeling that these were also Chinese operatives that were planted there with a business.

America definitely needs to be prayed for; we are going to get it from several different factions of people.

So, keep your prayers up, dear ones, keep your prayers up and pray to be able love someone who is threatening you, ask God for the grace to be able to pray for them, and to show them Jesus' love for them.

God bless you, Heart Dwellers, and thank you so much for sustaining us with your donations, it helps a great deal. And we are growing, not a whole lot as far as space goes but we are going to be growing into another community location. And thank you so much for providing for us, we could not do it if it were not for your generosity.

The Lord bless you. Amen.

I Will Break Your Bondage To The World

March 25th, 2022

Dear Jesus, it is so scary, leaving the world behind, and this message is about what is about to happen in the world and what position we are in as believers. Please, I ask You to give us the grace to really hear this message and let it go deep into our hearts and prepare us for what is yet to come. Amen.

Jesus began, and He said, *"I am not against you Beloved. I am right here with you, loving you, encouraging you, chiding you in a good way. Oh, I wish I could pour My Heart out to you so that you would know beyond a shadow of a doubt, I am in love with you. And I love you. There are huge differences in these two expressions. You know that don't you?"*

He said, *"I am so grieved by the damage that has been done to our relationship over the last few years, how the devils have never left you alone for a minute, but continuously undermine "US".*

"When I say, I am in love with you, I mean it from the bottom of My Heart. Do you know, I love your quirkiness? And I AM SMITTEN WITH THE WAY YOU THINK ABOUT ME AND LONG FOR ME. I see your heart continuously longing for Me and plotting how you can get closer. The truth of the matter is that you have been engulfed in My love but opposed by very wicked ones with the strong intent of stopping or destroying you. Truly it grieves me that they have managed to convince you that you are more of an enemy or inconvenience, or a hopeless case. I am sick of hearing that and I long for you to turn their deadly narrative right back in their face and say, "YOU are the ones that are the true enemies of Jesus and His cross. YOU are the ones who are hopeless and going to the lake of fire for eternity." Because THAT is the truth.

"So, My darling Bride, I love you with all your imperfection and I dream of the day when you will feel secure in that love and stop ducking your head in fear that I do not love you. I know your faults so well, I see you working on them, I congratulate you when you overcome them, but most of all I see you becoming My spotless Bride in preparation for our wedding day, and truly I am smitten. So please take all this negativity and turn it back on the authors, because it does indeed apply to them.

"Now give Me your hand, look into My eyes and receive My great love for you. We have much work to do. I need your writing My messages to you. The whole world is about to go through a tremendous crisis, and I need them to hear your steadfast love and trust in Me, to calm their anguished hearts. You remember what you preached in Florida. Not many listened, well now things are going to change, and they will listen. So, recall your messages for them, now is the time to bring them forward."

So, when we were in Florida, the Blessed Mother was appearing at a group of nurses and medical people who were coming to the Rosary once a week. Our Lady at that time, the messages from the book that we put together, "A Hope in Winter Comes", are actually in that book. It was all about forsaking the world

and serving God. Letting go of all the things of the world and giving ourselves totally to the Lord. And as I said, you know, we have some problems in the prayer group, my daughter who thought I was deceived, came and showed up and told everyone "She is deceived."

I do not think they believed it all that much but not long after that, two guys show up who want to take over the prayer group, so we just left. And we were invited to Colombia to share our testimony and to tell the Colombian people, "Do not follow the example of America. Keep to your Colombian values, do not go lusting after things and a lifestyle that we Americans do, that is just wrong, and it is killing the soul of the country. Well, we went there for a tour, we just-we had our backpacks and just started walking, someone picked us up and took us to Miami at a friend's house and they were wealthy, so they brought our tickets, round trip tickets for all of us to Colombia and back, all five of us. We went there, you know, preached on that.

So, we went out with a bang. I mean they called Child Protection Services on us and everything. They thought we were nuts.

What-what happened was, this is funny, we had this two-story house, loaded with stuff, and the van and the bus, and what happened was we were praying, and I said "You know what, let's lay a fleece. If the Lord really wants us to ditch all this stuff, have someone show up that needs these things." So, we go to church that day and standing outside the church was a couple that had nothing. They had three children and she was pregnant with number four. They had nothing. I said, "Ok well that is it.", you know? That was what we asked the Lord to show us, and that is what He did, He showed us, so we gave them everything and put on backpacks and headed down to South America, not knowing how we were going to get there.

Anyway, as it turns out, we flew in there. But the whole message that Our Lady was very, very concerned about at the time was letting go of the world, get solvent, get out of the world, do not be entrenched in the world, serve the Lord with your talents and your gifts, and medical people, you know, so we were thinking about going into missions. Well, there was a lot of uproar in the community about that message, that it was just too harsh, and I told them, "I cannot help it, this is what the Blessed Mother is saying, I am giving you what she is saying, our Mother of Mercy." So, as an example of that, the Lord used us, to just strike our house and get our backpacks and leave, you know?

And that was around the time the Blessed Mothers' image was appearing on the side of a building. If you remember that, big, tall apartment building, and the image of the Blessed Mother was on the side of it, and it was kind of neat.

So anyway, the message, today, the reason I am telling you all this is because the Lord is telling me this is what I need to be talking about now on the channel and telling people.

So, this is Jesus speaking to me.

"My people you have been immersed in a lifestyle that has stolen you from Me. Your wealth has deceived you and led you astray into an ungodly reality, which you have heartily embraced and made the most of. But now all that you worshipped is about to be taken from you and you will find that all you ever needed was Me. This is a great work of mercy in your lives, My Beloved ones.

"I am about to show you who you truly are to Me and Who I truly am to you. This awareness will come in a blinding flash for some, in others a quiet but deep conviction that your lives in the world have been shallow

and futile and led you to a dead end, because you have not lived for Me. You have not known Me and wrapped your life around My agenda. This too is My Mercy at work for you.

"I will welcome you with open arms, when you quit the world and run to embrace Me. This is what I am calling you to do. To live a real life, centered on Heavenly values, forsaking what the world considers so important, and giving everything to Me in order that I may fill you with Heavenly desires and agendas.

"I long to hold all of you against My Heart. I long to speak to you even as I speak to Mother Clare, I long to show you the wonders of My Kingdom, and all that I have stored up for you yet with holding some happy surprises. I long to dress you in pure white linen and crown you with the most fragrant and intoxicating flowers and shower you in luminous graces. All of this and so much more is waiting for you as you forsake yourself and the world.

"For some, this will be imposed by circumstances, for others more fortunate they will have a sudden blinding light of truth and they will throw down all the things they cherished before, in order to have Me."

And that is what happened to me in Annapolis. I said, "that is it!" We got rid of everything and ended up in a tar paper cabin on the side of a mountain, but happier than we had ever been in our lives.

"These are the valiant ones who recognize their extreme poverty before the Heavenly court and they will race to discard the world from their lives and fully embrace Me, longing for the invisible but eternal values and graces stored up for those who seek the pearl without blemish, the pearl of great price. Yes, just like the merchant who sold all he had to obtain this one pearl.

"These are things you must address now Beloved so that My people will be ready to give it all up to have Me. They will not be distressed over their losses; they will be elated that their chains to corruption have been broken at last and they are free to fly with Me".

And that was the end of His message.

So, He wants me to start preaching this message on the channel, and the repercussions of it. It is scary, you know, when I went through this, it was like trying to jump a twenty-meter gap with a canyon a thousand feet deep, with the dead bones of people who have tried to make that jump from that lifestyle to a heavenly lifestyle. And it was scary, it was very scary.

We lost all our standing in the community, all our respect in the community, we almost lost our kids to Child Protection Services, fortunately we were doing this in the summer so it was vacation time, yeah, it was very, very difficult, and the hardest part was losing the respectability of the community, and being looked down upon as poor hippies or whatever, but it was for the Lord, period, and I will never regret, never regret what we did, because the Lord was so sweet.

When we got rid of all the stuff- and my mother was into fashion and make up- She is a make-up artist- And always dressed me, you know, to the nines, even though we did not have a lot of money, and so her whole outlook on life, and what I was raised in, was, the status quo- Look good, you know, look good and climb the ladder and blah, blah, blah. She was horrified when we did this, she was absolutely horrified. She did not understand it. My husbands' parents were horrified, and his brothers were horrified, and it was just a big fat mess, but we did it anyway.

The Lord gave us the grace to get through it and it was so beautiful because then He overtook me, and His presence in my life went from, oh, twenty percent to a hundred percent. He was just so sweet and so clear

and so there for me, really there, you know? So, I will never regret that.

But what is about to happen now is that our country is about to be plundered. The Lord is wanting people to know that this is not a bad thing, it is time. It is time for you to release yourself from the world and your worldly values and embrace God. And unfortunately having everything stripped from you sometimes has to do that to get it to be accomplished. You can either make the decision freely or circumstances can make the decision for you, right? But it is actually a great work of mercy for people who have been living for the world and they do not know the Lord, He is going to set them free, they are prisoners.

And by the way, as an aside, I have a book, "A Hope in Winter Comes" which is a book of messages from the Blessed Mother and from the Lord, the Blessed Mother as our Mother of Mercy, and it was finished at two- thirty AM on September eleventh. And I went to bed and got a phone call in the morning that the Twin Towers had just been hit, so it was finished the very night before that happened, right? That was kind of like the Lord's confirmation- *"This is Me, this is real, and this message is going to be very important now."* That spewing out lava are on the rise, this is so, so much like the book of Revelation, what is going on right now.

And by the way, "A Hope In Winter Comes", which was finished the very day of nine-eleven, is available at Amazon or Barnes and Noble and if you cannot afford to buy it, we have made it the lowest possible price we could, and we just put it there so we would get good circulation, but I would be happy to send you one for free if you drop us a post card or a line and let us know.

And I know it is a tremendous shock for people who come here, some come to visit, check it out and then they go home and they get rid of everything and they come, others just dump everything and come, and the blessings that they have gotten and the assignments, the advancement in their ministry has been wonderful, like the young man who left college, the day of college, got on a bus and came here, with nothing, left everything behind and he is now moving in prophecy and admonition and counselling and he is a priest, and it is beautiful, just beautiful to see what God filled him with when he was willing to give up what he had.

God bless you, dear ones.

Becoming a Satanist

March 25th, 2022

Precious Heart Dwellers, we have three witches' covens in the area we live in, and they are all about destroying us. But there is another reality to this attempt, truly they have done much for our community by the curses they have sent against us. We are learning how to love and support one another in difficult situations, even when there is conflict or misunderstanding, how to be long suffering with people who test our patience, and so many other virtues because of their curses. God is using them to exercise us in virtue. And there is a bright side to all of this, for them. And I am going to explain it.

Those of you in covens that hate us, I realized this morning, that many, many of you have been abused and wounded growing up. You have been molested and raped, beaten, tried to find comfort in drugs, and you were stripped of your childhood and self-respect by those who molested you.

You may have come from a family where your parents favored your siblings over you, or were gone all the time working, and their failure to be there when you needed them the most, and for some of you, worst of all, continually calling you ugly names, telling you that you will never amount to anything...because you are a loser. And when you tried to tell them that your uncle was raping you, they became angry and accused you of lying and gave you a beating. This and so many other terrible things are going on right now in families, just horrific things.

You had to get the love and acceptance you craved from your peer group or other family members, because your parents were too busy for you, working and making money to support the family, and some of your parents worked overtime or brought their work home. Year after year of neglect left you hungry for true friends and a family that really cared.

After a while you could not take it anymore and wanted to take revenge on them, run away, but you felt like a helpless victim and fell into despair. Then someone approached you, someone who was kind and understanding, a teacher or classmate, and they said they knew how you could get back at those who hurt you. They started to take an interest in you and made you feel good, then they demonstrated how witchcraft could give you the power to get back at those who had hurt you so badly.

After a while you became a member of the coven, cursing those who had done you wrong, and anyone else who hurt you. You started to feel powerful when the curses landed, finally you were not the helpless victim anymore.

You were taught and apprenticed to learn the ways of witchcraft. You were taught how to curse families with divorce, accidents, sickness and sudden death, incest, alcoholism, adultery, murder, rage, ambition, strife, jealousy, sickness, and abandonment that would cause fathers and mothers to neglect their children.

Other members of the coven were brought in through college associates, and the desire to be honored and esteemed, making a fortune impressing the world, becoming an important public official. But more painfully their parents did not acknowledge anything good in them, no matter what they did. In fact, they may have praised an older brother, making an example of his accomplishments, while calling you a loser. "Why can't you be like him??" This rejection left deep wounds, so they vowed to become a success. When they discovered what curses could do, they started practicing. They took on rivals and put them out of the way of your ambitions and you removed everyone in your way and become a great success, cursing anyone who crossed you.

Now I want to look at this cycle and see where it came from. Let us say for example, there was a rich and successful family that treated you badly and made fun of your poverty, and you came to hate them. So, you cursed them with a spirit of adultery, and a woman at the husbands' workplace started having an attraction to him. After time the husband spent more time away from home, coming in late saying he had to put in overtime.

His kids started coming over to your house, crying and complaining that their father was drifting further and further away from the family, and he did not care about them anymore. You lent a sympathetic ear, but all the while you were gloating, because the curses had worked. Then it surfaced that he was having an affair, and

you were happy to see that family break up in a divorce.

The kids still had money and nice things, and their mother got involved with another man. Turns out that this man was more interested in her children than her, and he begins to molest her daughters. One daughter finally tells her mother and if she is lucky the mother will believe her and put an end to that relationship with the man. If she is not so lucky, her mother is deeply in love with him, she may get angry and tell her daughter she is lying because she is jealous of the time that she spends with him. In any case it is a losing situation.

Do you see the cycle? Satan inspired you to curse the man to break up the family, now everything you went through as a child starts to plague this family, they start to drift, get into drugs and after a time you tell them how they can have power over their enemies and you recruit them for the coven so they can curse the strange man who came into their lives...and maybe he will die.

Satan got someone to curse your family and everything fell apart, you were hurt time and time again and nobody cared. That drove you to drugs and Satanism to get even and have a coven that cared for you and had your back. Satan has become a father figure because he rewards you for your successful curses, he pretends to respect you and treat you with love, which your parents never did. In time people come to you and ask you to curse their enemies, and you become successful, making money through curses, and also working your way up to high paying jobs, by cursing those in your way.

This is what I am getting at: Satan had someone curse your parents, so they would abandon you to make more money, and you suffered because of it, then you were invited into a coven, and saw it as a way to get back at those who hurt you, now YOU are working for Satan, but wait...isn't he the one who started all the pain in your family by inspiring others to curse them?? Has it ever dawned on you that you are working for the very one who ruined your childhood and molested you? It was not your uncle that molested you, it was a demon, working for none other than Satan, which molested you, working through your uncle.

Do you see? You have blamed their behavior on them, but they were not acting strictly on their own, demons were influencing them to separate your family. Behind every sin, if you trace it back to where it started, you will end up in Satan's throne room. He is the author of all sickness, adultery, death, and tragedy. But he hides his influence behind the people who do these things so that you will blame them, so that you will become bitter and be eaten up with a desire to retaliate. And if the ones who hurt you were Christians, you think that is what God is like and you do not want to have anything to do with Him.

Then Satan lures you into a coven so that you can keep the cycle of pain going in the next generation, never realizing that what was done to you was done by Satan, you are doing to others now for Satan. Eventually you become so bitter and taken up with revenge your life is an angry mess, and you hate about everyone around you. Satan has won you over with his lies, promises and perks, which you will find out he cannot deliver on anything after you die, his hands are tied by God and both of you are in Hell. Yes, he is the god of this world, but not the God of the Universe. He can draw you into his net with promises, he can deliver riches, women, fame, power and status, but after you die the cruel truth is exposed, he has no power to do anything but torment you which he will gladly do and enjoy every minute of it.

WHY IS SATAN HELL BENT ON HURTING PEOPLE, and taking them to Hell??? The answer is found in the Bible, it is jealousy, pride, and jealousy. Dear ones if there were ever an attitude that could rob you of everything, and ruin your life, it certainly is jealousy. God created Lucifer to be the highest angel in charge of worshipping Him in Heaven. Then God created man and lavished a beautiful Earth on him. God had a relationship with man, they visited every day before sunset. Satan was full of pride and became jealous of man and jealous of all the praise and glory that God received from His angels lavished in Heaven. So, he determined to get the

worship for himself so he could be greater than God.

To this end he deceived one third of the holy angels in Heaven to rebel against God. Then God banished him from Heaven and took his glorious name, which Lucifer means "shining one or light-bearer", God took that name from him, and named him instead Satan, which means adversary. In retaliation Satan took up the cause to curse everything God made. He hated the Earth and the humans who lived on it, so he made it his business to ruin everything God nurtured. Satan's motives are hatred and revenge. If you work for him long enough you will begin to resemble him and your life will be miserable.

In contrast to that, God teaches us to forgive those who hurt and abused us, and when we do that, we have peace and joy. So, to sum it all up, you are gladly serving and working for the very one who ruined your childhood, who makes people sick, who causes divorce and murder. He has done nothing good because he is pure evil, and that is the truth about who you work for. Now the Lord wants to speak directly to you.

Jesus began, "Thank you for this message. It clarifies so much that I have wanted to say to all of you who have taken up Satanism and devil worship. I know that you do not think of Me as your father, but truly you were created by My Father in Heaven to resemble us. How can a mother hate the child she gave birth to? The truth is that I will always love you, even though I do not approve of your commitment to do evil. What hurts me the most about this is that you will go to Hell unless you repent, and that means I will not have you with Me in Heaven. I have lost the one I loved and looked forward to being with in Heaven, forever, and you as merely human, cannot understand how deeply that hurts Me. In that sense, every time he takes a soul to Hell, Satan wins.

"I could tell you what he is going to do to you, but you will not believe me. Satan is a master of deceit, although he cannot outsmart Me. But he will produce visions and deceptions of his followers and their surroundings, the ones that have died, will appear in mansions and be healthy and rich, but that is only a deception. The reality is that he has prepared torture chambers that will make you feel a pain more severe than anything you have ever experienced on this Earth, and it will not stop there, there is no ending to their torture. The fallen angels have had thousands of years to learn how to make a human body suffer torments beyond anything you can imagine.

"They will take a finger and put needles under the nail and then cut the finger off, the pain is excruciating, but then it grows back so they can cut it off again. They will fry you in a kettle of oil and your body will be one entire blister from head to toe. Then they will puncture the blisters and peel off all the skin to expose raw flesh, just to rub salt into every place on your body. That is just one torture, they have hundreds of thousands of different ways to make you suffer for eternity.

"In the meantime, when you come to Heaven, you will be brought to the River of Life with orchards on either side. You will be given the most delectable fruit to eat which has healing properties that take away all the pain from your life. You will be able to feel forgiveness and pity for those who hurt you. If your heart has been broken, it will become whole again. Your body will be thirty-three years old in Heaven, no sickness, no pain, and no suffering. You do not have to take My word for it, listen to the many Near Death Experiences, or they call them NDE's on You Tube and you will hear firsthand the accounts of those who were bound to a wheel chair their entire lives and in Heaven they are perfectly healed.

"Do you really think that a being who makes his life's business, killing, stealing, destroying, do you really think he is going to all of a sudden be a generous host with all kinds of comforts and gifts in Hell? The truth is, Satan is a lame dog with broken teeth on a chain, and he can do nothing but sit in his misery and plot how to get others as well, in his sorry state. Think about this My children, can one so evil and wicked, all of a sudden

produce luxuries, mansions, limousines, and women for your enjoyment while he is being burnt by the flames of hell?

The sad truth is, he can deceive you into thinking anything, but when it is time to deliver, he is wringing his hands in glee, waiting to see how the poor sucker who served him, will suffer in the torments prepared for him. And the greatest pain you will feel will be betrayal. You will say, "But I loved you, I served you, I gave my life up to you, and you said you loved me. You brought me success, women, riches, good health on Earth, so how can this be, these torments and punishing demons? I thought you were my benevolent father. What happened? I loved you, I did everything for you. How can this be? Why are you laughing? I am hurting, don't you care? Why are you laughing? Why?"

What's Delaying The Rapture

March 27th, 2022

The Lord bless you Heartdwellers with a teachable spirit and open hearts. I, just like everyone else have been struggling with what looks like a word on timing that is difficult to reconcile with what I believe Jesus has told us.

The only exception that could qualify it is when the Lord last brought the subject up He said, "Minutes, minute by minute." Since then I've gotten numerous people declaring I said this and I said that. One in particular said "She told us the day the Dome of the Rock was bombed would be the day of the Rapture." No, that's not what I said. You misunderstood. I said the day Miami was bombed. The Lord told me, "When you see the bombing of the Dome of the Rock, drop to your knees. That's the beginning of WW3." So that clarified, let's move on.

It has deeply troubled me that there is still no sign of the Lord's coming according to what He has told me. I had a very heavy burden for it all day today. So, when I came into prayer, I was aching inside and I felt the Lord was going to speak to me about this very topic. And He did! Here's what transpired.

Lord, what am I to tell them? I am responsible before You for every word and I am not feeling the urgency. There is again a lull in my sense of imminence of you coming for us. Please, what am I to tell them?

"Tell them to stop praying for their relatives. Tell them to stop praying for their country. Tell them to stop praying for the world. Then I will come much sooner.

"Am I to ignore the believers that fast and pray and gather together praying for the nation? Am I to turn a deaf ear to My People when they humble themselves and turn to Me??"

There He's quoting 2 Chronicles 7:14 "...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

He continued, *"It's just that simple as that, Clare. If you are in such a hurry to be raptured, then stop praying."*

Lord the way I see it, forgive me if I'm wrong, there are three kinds of believers: The "weary-in-well-

doing," the bridesmaids that fell asleep, but are still waiting for your return. Then, the "true lovers," who also are waiting and longing, but are doing all in their power to bring all mankind to You. Their lamps are still full. They are the ones who are holding back the Rapture, even though they look like the ones who can't wait anymore. And finally, those who have been born again, but are busy in the world and don't want to hear about Your coming. Is this your thinking or mine?

"It is Mine. I have put these thoughts in your mind, so I could help you see where you stand before Me.

"The ones who are anxious and in a hurry for Me to come have not conquered their flesh yet. They are wavering, growing weary and even falling asleep. Their lamps are empty. They react badly when I am delayed, to the point of wanting to give up and fall in with the rest of the world. Not at all concerned about the lost, they do not see. Yes, they give lip service and pray, but they'd rather be raptured now than suffer any more for the sake of the millions who are yet unsaved. They do not see as I see, think as I think, nor feel as I feel. Many on our channel are this way, My Bride. My Brides, I love you, but you must see yourselves in My mirror if what is left of your life is truly an offering to Me.

"The ones who are in the forefront of ministry, working hard while the day yet dawns, they are My Lovers. They are the very ones who will be Raptured, even against their will on a certain level. They are so in love with Me and dedicated to My agenda that they pray for the nation and the world, EXPECTING Me to hear them and grant leniency and mercy. These are the ones I am eager to have with Me in Heaven. They are the Bridesmaids with lamps full of oil.

"Then there are what I call the worldly and truly backslidden Christians who do what is convenient. They support missions, give to ministries and lead the 'good' life, enjoying certain aspects of the world. They, too, pray - but when push comes to shove, they will bail out or snap to. They are not well acquainted with suffering, not on the same scale as the Lovers are.

"Now I will address the readings you got for your service."

I had a communion service just before I came into prayer.

Before I share that with you dear ones, I want to tell you about the service James, the brother of Jesus, established around 50 AD. Many of the liturgical churches use this form in the present day. I love it because it gives readings from the Psalms, the Letters, the Old Testament, and the New. The form that it comes in is called a missal and I use the one for Sunday, because it has more readings. I use it for a Rhema. I have rarely gotten a service that was not a direct Rhema to my situation with all these different readings backing it up. So, lately I've been taking readings from this missal at random, according to Holy Spirit's choosing. So, now I will proceed with the Lord explaining them to us.

"The first reading. Lord, where do You want to start?"

"In Peter: But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day. 2 Peter 3:8

"Stop here," Jesus said, "Yes, in Heaven time is altogether different. But when I speak to you, I speak of Earth time because that is what you live and understand. I do not speak to you in the heavenly concept of time.

"Continue."

The Lord is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance. 2Peter 3:9

Jesus began again, "You look at Me and pray, 'Lord have mercy on my family.' Am I a deaf idol or do I respond by granting mercy??"

"You pray the divine Mercy Chaplet; am I again as one who cannot hear???"

"You weep over the rejection your relatives give you when they mock you. Am I not weeping with you? Do your tears and agony not move My heart to pity them and give them more grace, more time and more mercy??"

"Those who continually say My mercy is at an end, are wrong. My mercy is everlasting from age to age."

And then He quickened this Scripture to me: The steadfast love of the LORD never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. Lamentations 3:23

"My people, you must take into consideration that My heart is pure gold, pure love, pure good. I abhor judgment. I hate having to mete out judgment. You have no way to reckon the pain I suffer at judgment. The murder of innocent children, pregnant women, young children... you have no idea what it costs me to mete out judgment."

"So, it shouldn't surprise you that I am anxious to answer prayers for mercy. Have I not been telling you to pray? Have you not been praying for the unsaved and your families?"

"So, I ask you to pray, you pray and I ignore you???" Is that the kind of God you suppose I am?"

"What did Jonah do when the people were not slain in My anger? Are you not just like him? You prophesied judgment and I relented because they repented...now you want to lay down and die? Are you not all just like Jonah??"

"I chide you, My Bride. I am not condemning you, I am drawing your attention to what is lacking before the saints in Heaven. They see this lack and they pray for mercy for you."

"And by the way, this knee-jerk reaction you have to anyone in Heaven praying for you comes from the enemy...it is pure nonsense. Literally. Shall not those in union with Me weep when I weep, rejoice when I rejoice, pray when I pray???" You ask your friends to pray for you, but the cloud watching your every move...they can't? As I said - this is senseless."

"Just because one church abused this understanding, does that make it invalid? They abused baptism and marriage as well, charging money for it. So, do you abandon baptism and marriage too? I do not wish to go any deeper with this. Seek Me and I will show you the truth. In the meantime, those in Heaven and Earth and all creation are groaning on your behalf."

He quickened this Scripture to me from Romans 8: For we know that the whole creation groans and suffers the pains of childbirth together until now. And not only this, but also we ourselves, having the first fruits of the Spirit, even we ourselves groan within ourselves, waiting eagerly for our adoption as sons, the redemption of our body....Romans 8:22-23

Jesus continued, "Yes, creation groans, just as you groan. Weary of the corruption of this world."

"Now, you ask Me when, and I cannot tell you that until the Father reveals it to Me. I have chosen to stand behind the Scriptures. I can tell you other things that will happen on that day, but I cannot name the day. It

is being kept from Me. I did tell you that a date had been set, but then I was given more time to gather and I told you time was being extended in very tiny increments. Then I clarified that and said the tiny increments were minute-to-minute. So, time is being extended minute-to-minute.

"Do you know what I'd do...if I were living on Earth? I would say, 'Do you know what I do first thing in the morning? I thank the Father for yet another minute to redeem souls. One more minute. I thank Him and I set My sights on those who are beginning to respond. That's what I do.'

"So, how do I feel about those who are eager for the Rapture? I am happy they are eager to see Me and be relieved of their suffering, which is only natural. But I am sad to see such selfishness that would have Me leave so many behind to suffer even more - and for eternity.

"And those who are about My business, pressing in? They make Me cry for joy. Why, you say? Because their hearts are one with Mine, and they comfort Me with their love for their brother.

"Which brings me to this: they are the Early Church at Philadelphia. Yes, they are the ones I have promised redemption and deliverance from the evil days that are to befall this Earth. My people, either you are for Me or against Me. Either you are listening and responding to My pain and ignoring yours, or you are complaining of the very things that will bring you the most merit and glory in Heaven. And joy to Me.

"My children, I hear every voice - do you understand?? I hear the voice of the unborn child in the womb. I hear the voice of the aged afflicted with Alzheimer's. Yes. They, too, have a voice. And I hear every voice in between. How, then, do I justify crushing the needy in their anguish? Shall I not long for Mercy from My Father for these? I say these things just to acquaint you with My dilemma, not to condemn you. I want your hearts to correspond with Mine.

"Do you know this world should have been thrown into confusion, chaos and war a long time ago?? Yes, a LONG time ago. Do you know many of you weren't as yet saved? Oh, shudder where you stand, you were Hell bound. And now am I to abandon those just like you to the Abyss??

"I will not. And I want you on MY side, on My Father's side. Yes, listen up My people, GET MY HEART for the lost and stop tempting your God with judgment on these. Prove to Me that you are My true spouse, that all that matters to you is what matters to Me. Do you know all of Heaven is united to Me in desire and prayer? Well, it is.

"So, this is what I am doing. For all of you. And this even benefits the lukewarm, and gives them a little time to wake up. I am giving you joyous things to do for Me. Things you were born to do, I am giving you. I am bringing out your talents so that you won't grow bored and weary but will press in and blossom. You may very well get picked from this earthly garden before you blossom. Such is the nature of timing. However, you will be in the process of blossoming. You will not be sitting beside the road steeped in self-pity and bemoaning your sufferings here. No, you will be rising up to take the Kingdom by storm, with the particular attributes I have endowed you with.

"Yes! You will be productive, IF you obey Me. I want you to forget earthly time, because I still do not know the day or the hour and I don't want to look down on a dour bride bemoaning My delay. It is not in My hands. Do you understand? It is in the Father's hands, and in the meantime, I must appease My Bride and get her to focus on the good yet to be done. So you see (I hope you see) I am bending over backwards to bring joy to your lives in these circumstances. Yes, I am pouring it on. Ask and you shall receive. Some of you still have not pressed in far enough to know what it is you can or should be doing. Until that is revealed to you, do whatever your hand finds to do to bring Me to others.

"I will lead you by necessity. I will bring needs to your attention. Be sensitive and respond. You do not know how I will write straight with crooked lines. Just be obedient and do whatever your hand finds to do to make me real to others. By your obedience, I will lead you.

"Alright, now we come to the crux of the situation. And for this I want you to listen very carefully.

And He quoted 2Peter 3:10 "But the day of the Lord will come like a thief."

"Now. Have you ever been robbed? Were you expecting it??"

"Right. You were not, it was a surprise. This is just a microscopic scenario of what will happen.

"Suzanne is busy at the nursing home. She works there, but also volunteers. She has just organized a musical presentation about Heaven for the senior citizens and is in the middle of getting props together with other volunteers. All of a sudden, she hears the sound of the trumpet and the Earth begins to shake. Immediately, she knows what it is, and she looks up at me and says, "Now? I was just....." but before the word of complaint can escape her mouth, she is taken up into My waiting arms.

"Across town, Alex has just begun a bible study in the park. This is his third week. He hesitated to do this for so long, but because He heard that I wanted him to press in, he went forward with it. So, here he is with a group of homeless men who are really beginning to enjoy the simple teachings and gracious meals he's been bringing to them. They are seeing the gospel in action. All of a sudden, they hear a roar in the skies and hear trumpets blazing!! Alex looks up at Me and says, "But Lord, I'm just beginning!"

"Two towns away, Lisa has just been abandoned by her husband because of her faith. She has three little ones to take care of on her own now. She's being put up by some friends from the church and at long last polishing up some songs she wrote and learning how to play them and sing. This coming Sunday will be her debut - she's been invited to sing one of her songs to Me, in church. A deafening roar penetrates the house. The children who were napping are all waking up. 'Mom, what's happening?' She puts her guitar down, runs to the window and there I am 'Now, Lord? I just mastered this song....' she begins. But before she could finish, she's taken up with Me and her children.

"Ethel is organizing a bazaar to help with the medical expenses of a child with cancer. The church is packed with donations and she's just organizing and labeling them with her two volunteers. All of a sudden, she hears the roar and trumpets blazing as well. Her mouth drops open as she's taken up to meet Me in the clouds.

"Now, for all of you naysayers. Don't write in to this channel, talking about how Miami has to happen first. I've established that. I'm speaking to you here about principles, not details."

Then the Lord quoted another Scripture, Luke 12:40. "The Son of Man is coming at an hour you do not expect"

He continued, *"Do you all get the point? Have I made Myself clear? Whatever you see before you that needs to be done, do it! For Love of Me and your brother and you will be joyously surprised in the midst of it. You won't be expecting Me. Just as the Scripture says, you will be taken by surprise!"*

"Why do you suppose I put it that way?"

And then He brought to mind: "...make every effort to be found spotless, blameless and at peace with him. Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with

the wisdom that God gave him. 2 Peter 1:5

"And for My final word to you, I knew this was going to happen. I knew it, I wrote it, and it's been passed onto you."

"The bridegroom was delayed a long time, they all became drowsy and fell asleep." Matt 25:5

"He was delayed a long time because He was on a search and rescue mission and just when He thought the last one was found, more started coming up out of the crevices of the mountain, running towards Him. What was He to do? Keep on going or stop and pick up the tender lambs in His arms, and bring them home.

"You see, the world does not revolve around you. It revolves around the ones who still have not been found. I am not in the position to call the question. The Father IS. And when He sees fit, I will get the call to come get you. Until then I am busy about My Father's business, and I am asking you to be as well, My Bride.

"Eternity is assured to you, but for many there is no hope. Remember, the Shepherd left the 99 and went after the one, and you must do likewise. As you are lifting this precious one in your arms, the trumpet will sound, and you, too, will look up into the skies and ask, 'Now Lord? but..'

"Know for a certainty, that every time I am teaching you, I am imparting the graces to move on that teaching. To correspond and set your hand to the plow. Even now, I am showering you with the graces to turn your hearts around and wrap them around Mine. I love you, My Bride. We are going to do this together. And on that day you will look at Me and declare, 'Lord, I'm so happy you delayed your coming. Look at these I have brought you for a wedding present.'"

Things Are Coming To A Head

March 28th, 2022

Lord, help us to prepare in this critical time for what is ahead. Amen.

Well, my dear Heart Dwellers things are coming to a head. "And you can see it in the restlessness of the land masses on Earth, and the increase in earthquakes.

Things will become more and more defined as different strands of this massive purification get underway". And I think what she is talking about here is the finger links, I mean there are so many, there are so many different things that have been started to cause trouble. It is like an octopus of darkness that is overtaking the Earth.

She continued, "You remember when you were told that everything would happen at once. An attempted invasion, and the magma coming to the surface warding off the invaders, who were Chinese and Russian. You are getting very close to that time. My people you can watch the earthquakes as they are taking place and you will see that they are increasing in both magnitude and quantity.

The Earth is becoming highly unstable and as it does there is an acceleration that takes place. One area is shaken loose, and another area responds to that, which shakes yet another area, until all of them are shaking like jello in a bowl. It is a severe movement of land masses, and there are yet things that cannot

be accurately calculated or predicted.

“There are also the actions of men which cannot be properly assessed ahead of time but know this: If you are praying when these things come to a head, you will feel a burden to either leave the area or redouble your prayers. It is good to have prayer partners that you can be in touch with so you can pray together and discern together.

“It is a shame and a tragedy that innocent victims get caught in the crossfire, but remember, those I will have in Heaven with me. This should be a consolation to you, but you must pray for the unsaved. Make it a simple prayer, Clare. Or pray in tongues at all times. Holy Spirit will be faithful to make the perfect petitions for the salvation of so many who never cared about God before.

“This is a huge move of God to wake up America and challenge them to see another narrative on how their government has been run and just how corrupt and evil these people are. This will be a time like no other, just as Jesus said in Matthew 24. Never again will the Earth have these highly destructive technologies. Believe it or not, but the most pleasing prayer you can say to comfort Jesus is that sinners would repent and receive Him and the Salvation He is offering them in the last moments of their life.

“The greatest desire of His heart is to save as many souls as possible. The more wretched the soul the better. These, when they convert are most passionately in love with Him and grateful for the forgiveness that He offers them from a life full of sin. Never look at a soul and say they are hopeless, that is the worst condemnation you could possibly make. It comes very close to sealing their fate, when in truth you have no idea how close they may be to repentance. Give such as these more prayer effort.

“This will also be a great opportunity to bring souls to the Lord because their lives and hearts will be shattered, and they will have nothing left. Yes, there is hope for the sinner, great, great hope because all of this was arranged by my Son to give the lost ample opportunity to repent. Please take advantage of it and be very, very alert to those around you who are hungry and ready to give their lives to the Lord”.

Actually, that is the end of the message.

And I want to just qualify something here that she said- “This was arranged by my Son”. And He is not the author of evil, and obviously war is evil, but He does have control over when these things can be done and when they cannot be done and He can manipulate that into being the opportune time for that soul to give their life to Him, to give Him a chance.

He does not create the evil, Satan creates all the evil, but He has control over how it is carried out that will be to the best possible effect for those who are lost, which is all He really cares about. He wants to bring sinners to Heaven.

God bless you Heart Dwellers.

The Root of All Evil

March 28th, 2022

Heavenly Father, we thank You for the power in the name of Jesus as we boldly enter into Your throne of grace and receive mercy for all our unrighteousness, and thank you Lord for delivering us from all evil. Amen.

I was thinking about a prayer point for our intercessory group, something to do with pulling up satanic roots, when the Lord broke into my thoughts and said, *"You are on the right track, Elisabeth, I do want My intercessors to address the root cause of the evil in this world which all stems from Satan. My Spirit has been and will continue to help you formulate these prayers."*

I stopped typing and listened for Holy Spirit's voice. One minute went by, two minutes goes by, five minutes goes by and then I heard, "Pray that every evil establishment and satanic tree in all nations be uprooted and cast into fire." I thought ooh that's good and quickly wrote that prayer down.

Jesus continued, *"I am very pleased with My Heartdweller Watchman group and your efforts to intercede on the behalf of others. This type of deep, intercessory prayer, when prayed with intention, helps heal the hearts of those you are praying for and consoles Our hearts as well, which is very pleasing to Us."*

"What makes up these roots of evil you are thinking? Pride, fear, jealousy, love of money and greed to name a few. Does it not say in My Word, "For the love of money is the root of all kinds of evil." That's found in 1 Timothy 6:10.

He continued, *"I do not condemn money as the root of all evil, but the love of money. My servant, Paul, wrote instruction on this point in Scripture and I would like all My people to have a firm grasp of what it means to be transformed into My image and lead a godly life. No true believer's life remains untouched by My gospel and this includes their finances. My love and work and the Holy Spirit's indwelling should have real implications for the way in which you interact with money."*

"False teachers and those who are being led astray believe that godliness is a means of gain. On the contrary, godliness with contentment is great gain. You brought nothing into the world and you cannot take anything out of the world. If you have Me, and simplicity in food, clothing and shelter, you should be content."

"If you desire to be rich for personal gain, you will fall into temptation, into the devil's snare, into many senseless and harmful desires that will plunge you into ruin and down the road of destruction. All unhealthy cravings cause people to become short-sighted and you lose focus on the things that are eternal, causing all kinds of problems for yourselves, then you begin to wander away from the faith, feeling self-assured in your own temporal success."

"Use your finances for what you need to live on and give the rest to the poor. Whoever loves money never has enough; whoever loves wealth is never satisfied with their income. Wealth is worthless in the day of wrath, but righteousness delivers from death." And that was the end of the Lord's message.

Proverbs 11:28 reads, *"He who trust in his riches will fall, but the righteous shall flourish as the green leaf."* Amen!

The Joy of Community Life

March 29th, 2022

Lord Jesus, please give us the grace to bring an attitude of love and cheerfulness in our communications with one another. Amen.

Mother, where should we concentrate our prayers?

She said, "The answer to that is simple, MERCY, especially mercy for the dying. Heavenly Father, please dispense mercy and the grace of conversion to those souls who are not prepared for death. Send the warmth of Your love to remove all fear of saying yes to Jesus.

"That is a good prayer, there is nothing wrong with amending a prayer that can be improved, unless it is from us. We gave you the idea so you could put it into your own words".

And then I was having trouble hearing her, and I asked her to please help me hear you.

She continued, "You had a thought today, and it is good to address those things when you see them. My children, those of you who have much on your mind, I desire for you to work these things out privately and not present a gloomy face. In this world you will have many troubles but be of good cheer for He has overcome those troubles and came forth shining and loving.

"In a community, this truth is more apparent than when you live alone or with just one person. To present a troubled countenance in times of trial, causes others to feel badly as well and what is needed is a cheerful countenance and a responsive attitude. St. Francis would send a brother out to the woods to work out his problems rather than letting him join the brothers who were happy, with a gloomy countenance. At all times he desired the brothers to be full of joy and singing to elevate the mood of others. As a saint once said, "God save us from gloomy saints.

"I want you to be aware of others, and how your attitude can bring them down. The world is such that there is enough doom and gloom, but here, in a monastic setting, you are called to lift one another up by being very responsive and cheerful".

You know not all of us were raised that way. Some of us were raised in an environment where a sentence never got finished, no one ever said thank you, may I, or please or anything like that. And so, it is a rough, it is kind of a rough transition, coming into a community to learn that attitude of gratitude and being responsive with one another.

"I want you to be aware", she continued, "Of others, and how your attitude could bring them down. St. Francis was very keen on good manners. He would thank others and respond to their questions in a timely way".

Mother if he had a walkie, would he always answer and be polite?

Yes, of course, unless he was eating, which he did very little of. But you have a good point, when you are asked something or are in a conversation, please, end it properly, do not just go silent and walk away".

Now see that is where I am afraid, I am getting in, because that really irks me, when I am talking to someone and they do not answer it at the end, you know, because I do not know if I should answer or hang up or do what.

But then she continued, “Finish that conversation with an answer and a kindly word as well as a cheerful attitude. Before when you were on your own, none of this mattered. You could be sullen or quiet and nobody cared. You could leave a conversation without a good closing, and those around you just saw you as normal. But in religious life that is not normal, it is rude and brings others down.

“In all your interactions with one another, learn to always give a loving reply, something that will encourage and lift up the other person. Never be sullen or sulk, this is childish behavior that hurts others and can be contagious. Bring your brothers and sisters up. Be thankful for all they do, be responsive when they have an issue, they need help with no matter how busy you think you are; these are tests in selfless love and virtue, sent to you from Jesus. They can become wedding presents if you do them cheerfully.

“Be thankful for all the souls around you in this community, it is a privilege to live with others of a like mind and heart, serving the Lord. Do not allow yourself a sour attitude, this is an invitation from the devils to become bitter. A bitter seed, when planted, grows quickly spreading its branches all around your heart to shut down the movement of the Holy Spirit and all the good you could be doing.

“I want this community to be known for its extreme kindness and good manners, in this way all will know that you belong to Christ. Selfless love, forgetfulness of self and engaging the lives of others, is also a mark of maturity and holiness. Self-absorption is not edifying to others, and you must always bring Jesus to others by your selfless loving communication with them.

“Be a light unto the nations Beloved ones and work your problems out away from the group who needs your smile and your kindness. Please, thank you, may I, and other such details when you speak with others is so very edifying and uplifting. Again, be a light unto the nations to your brothers and sisters especially around you in your community which is beautiful to behold and a light to Our hearts. I love you and will nudge you when you need help in closing a conversation”.

And that is all she had to say.

It is Darkest Before the Dawn

March 29th, 2022

Lord, You provide the flame for our lamps and turn the darkness around us into Your light. Amen.

Mother Clare began, “Hello Lord I’m here.”

“How are you feeling,” Jesus replied?

“I don’t know Lord but utterly discouraged like all hope and joy of the future just zapped from me this morning, like a cloud of sadness has come over my heart although I am trying to smile through it.”

“Well, beloved, it’s what your meditating on and who you are receiving from. There are lying spirits and many demons of discouragement that want you to give up and stop your forward motion that is why the rhema was given and you are constantly being taunted by demons of unbelief. I know it’s been hard my beloved to walk by faith and not by sight when nothing seems to have come to rotation or resulted in anything, but remember “give grace time to work”. I am working and moving in your life, the lives of your loved ones, in your nation and the life of this community.

“All is working according to my plan, although the enemy of your soul would like for you to think rather because they really believe they have the upper hand in all that is going on in the world, it is darkest before the dawn and dawn will and is breaking through, will you trust Me?”

“Help me Lord, please help me to trust and believe your words.”

“Your great trust in Me, causes Me to continuously give you many graces. You are riding on My grace even now, You are being held together fast and sustained by My grace. It will carry you through this threshold and in all your trials you will make it through each one.”

“Thank you for stopping me, Lord, in prayer to talk with me.”

“Well I know you were hurting and persevering through your pain to continue on with prayers and duties, but I hate to see you this way beloved I hate to see My joy stolen from you and how I appreciate so much your efforts to be obedient and to persevere in your prayers when you’re hurting, but I am your God man, your honey God (He said smiling), and I long to comfort you and talk with you always to bring a smile upon your face. I am not distant but so present to you beloved little one, I am here for you and would prefer you talk to me about these things rather than just to move past how you’re feeling because I feel your pain too. I am suffering with you and how very good it is when we talk to one another, it brings Me great comfort and joy as well when your heart is healed, My heart is healed, do you understand now?”

“Yes, Lord I do, I love you Jesus, thank you for being such a great friend and spouse, I can feel the ache in my gut going away slowly but surely.”

“You see there, My words bring life and healing thank you for listening beloved I want to talk with My brides about grace. You are not the only one battling these emotions and feelings, its been hard on everyone. My brides, I am so pleased and proud of each of you for so many of you have battled with wanting to give up in the storm you find yourself in, but I am in the boat with you and will quiet the storm at the appropriate time. Trust me, My grace is sufficient for each of you in your weakness. I love to see My brides weak, vulnerable, incapable, and looking to Me for help because this your true state, you are so very weak and the more you embrace your weaknesses, the more I rush to you with My grace. It is true that My graces rush down to the lowliest places. The more weak and lowly you are the more My strength is made perfect. You see weakness is what qualifies you for My grace, I want you to really understand that. So many despise their weaknesses, you are taught in this world to be strong, to have it all together, to know the right thing to do, the right thing to say, to have an attitude that is self-sufficient, self-reliant and self-confident...the key word in all of those things is “self”.

“In this world you are taught to rely so much on yourself, therefore you despise any weakness you see in yourself and even in My church it is rampant. You have ministers, pastors, shepherds and servants who are hurting deeply, but in order not to come across as weak they wear a mask, they can’t be open with their flock

because they will be seen as weak, and they cannot for sure expose their faults or struggles, why? Because they must be a strong leader not to weaken the others. But I tell you My brides what weakens a soul is when they carry the burden on their own, when they allow pain, hurt, to go undetected or not confessed, it weakens them and grows like infection in their soul. It is worse when they cover it all because they then produce other souls who will fall by not sharing their weakness and putting on the facade that they are strong when in fact they are the weakest.”

And as a side, because you’re appointed in the place you don’t come equipped, you’re appointed and He equips you afterwards. It’s Christ working through you that people see not you being a high hot shot, you come weak and broken in that role so that God can use you. But if you think you have to be someone before you become somebody, you will get humbled and God will expose who you are.

“My beloved little ones, I took on human weakness during My passion I looked utterly pitiful in the eyes of everyone, even My Mother couldn’t do much in the midst of her silent tears and pain, sighing in pity of what the Father had decided to do to Me, in Me and through Me. I fell not only once, but three different times at the width of My cross and My utter human weakness and incapability to walk any longer.

“With one sigh of My heart I could’ve have had legions of angels come to My rescue, the cross obliterated in pieces, the ground shaking and the soldiers and crowd goers who were taunting me struck dead in a millisecond just with My sigh, that is the power and authority the Father gave me. I could’ve rose up like the superhero of your day and completely brought My enemies to nothing in strength and much power, but I didn’t. I was not to be God carrying the cross, but a mere man who laid down His divinity to the Father for the sake of your salvation. For the sake of grace, the grace of courage and perseverance that I knew was so desperately needed to overcome this world’s trials and suffering.

“I had to be weak, vulnerable and pitiful before man, so that the Father’s strength would be perfected in Me and it was perfected until the end, at My last words, “It is finished”. Meaning, every grace needed for mankind was perfected in me, it was indeed finished now I knew that souls could endure, could persevere, could live as I lived and could also make it to finish the race as I did. I finished it so that you all may finish well. Your weakness is so very beautiful to Me My brides, I know each of you and each of your weaknesses very well, and I don’t turn in shame, but rather I run to comfort, carry and strengthen you so please don’t despise your weakness, don’t be discouraged by it, nor hid it from others.

“I don’t want a bride who is all together, nor do I want the world to see that. I want a bride who is faithful, admits her mess, who is enduring, admits her many falls, who is utterly helpless, but continuously relying on Me, who boast in her weakness and who humbly accepts who she is not and who she is by the grace of God. Each of you are a woven tapestry of My grace, flying high above the worries and woes of life. Rely on My grace and call upon Me for more grace, and I will carry you through.”

Good vs. Evil

March 30th, 2022

Forgive us God, as You cleanse the earth and save us from Your judgment. We ask for Your mercy and Your love to strengthen us in these times of trials. Amen.

“My people,” Jesus began, *“I do not wish for you to remain in the dark as to who are the bad guys and who are the good guys in this Russian/Ukrainian war. What I do wish for you to do is lay aside your prejudices and judgments against both sides*

and especially Russia.

“Do you remember in the Old Testament when I sent Nebuchadnezzar to destroy the temple in Jerusalem and strip it of all its riches and people? This was a foreign nation steeped in idolatry who knew nothing of My ways. My people had seriously rebelled against Me with witchcraft, satanic child sacrifices and all manner of filth, even in the hidden chambers of the temple proper.

“Shall I allow such wickedness to continue and thrive or shall I put an end to it. Many have criticized Me for sending My armies to totally destroy every living thing in Jericho, and many other sorties to smaller towns. Do you really think I enjoyed doing it, or that I did it out of retaliation, or to provide the Israelites with treasures?

“If you knew the level of depravity that the city was practicing, sacrificing their babies to Satan, and practicing witchcraft and numerous other sins of divination and lewdness, you would not question My motives.”

Here are some scriptures that talk about the sins of the Canaanites:

Joshua 6:21-30 says that they killed every living thing in the City of Jericho -- "men, women, young, old, cattle, sheep, donkeys," except for Rahab and her family, which is a good thing because she becomes part of the lineage of David and then Jesus Christ, but then the Israelites burned what was left. The sins that the Canaanites practiced were disgusting to the Lord. They even defiled the animals by having intercourse with them.

“Incest with blood relatives, sex with animals, sacrificing infants to Molech, homosexuality.

‘Do not defile yourselves by any of these things; for by all these the nations which I am casting out before you have become defiled. For the land has become defiled; therefore, I have brought its punishment upon it, and the land vomits out its inhabitants. But as for you, you are to keep My statutes and My judgments and shall not commit any of these repulsive acts, neither the native-born, nor the stranger who lives temporarily among you, for all these repulsive acts have been done by the men who lived in the land before you, and the land has become defiled; do none of these things, so that the land will not vomit you out, should you defile it, as it has vomited out the nation which has been before you. For whoever commits any of these repulsive acts, those persons who do so shall be cut off from among their people, excluding them from the atonement made for them. So, keep My command: do not practice any of the repulsive customs which have been practiced before you, so as not to defile yourselves by them; I am the Lord your God.’”

It is interesting to me that the Word says the “land will not vomit you out.” I have noticed a certain dynamic here in Taos, those who use other people and do not contribute to better the town, don’t last long here. They encounter situations that force them to leave.

The Lord continued, *“When they followed these statutes, they remained healthy, their farms flourished and they conquered their enemies. But when they began acting like the Canaanites, burning their babies in a brass*

cauldron, having orgies and uncovering their children's children, which is your modern incest, crops would fail, drought, pestilence, and wars destroyed the people and their children. They invited the demons into their lives and defiled their children, animals, and one another.

"I did not want My people to follow their practices so they had to be destroyed from the land. The immorality and depravity was an open door to demonic infestations. And now the world is facing many nations which practice Satanism behind closed doors. This has not been divulged to the general public so they do not understand all the motives for this war.

"My people you have been lied to by your media which is paid to make the good look bad and the very bad look like heroes. You must go deeper in your understanding and knowledge of what these elected officials really stand for. The repression and rise of Nazi-ism is unmistakably evil and has its roots in Baal worship from ancient times." And that was the end of His message.

God bless you dear Heartdwellers and thank you for your prayers and support of the Lord's ministry.

Fire Blue Cross Filled With Graces

March 30th, 2022

During our Friday night Heartdweller Watchman intercession, some of us saw a blue Cross in Mother Clare's skylight, it was lit up with Holy Spirit's blue fire and glowed brightly. While we were praying for the grace to correspond with the Lord's graces, I saw little, blue fireballs flowing down from the Cross onto all of us, each fireball was filled with a grace. There was purity of mind and body, forgiveness, humility, detachment from the world, charity, obedience, resignation to the Will of God, mortification of the senses, patience, love of our enemies and long suffering. I tried to get under the grace of patience (the Lord knows I need it), but the grace of long suffering for the second time, plopped me on the head. The first time, Mother Clare randomly on a Sunday threw out graces to all of us and sure enough, I caught the grace of long suffering!

It was very interesting when the grace landed on someone, it would burst open and multi-colored stardust would continue to envelop each of us. I've seen this before when we were having a tea party in Heaven. The Lord said this is His way of continuing to bless us and equip us with what we need to stand firm to the end. So, what we can glean from this, is that when the Lord grants us a grace and we correspond, multiple blessings will follow and He will increase us. If we do not correspond, then God's favor is removed and blessings and growth in holiness will not follow.

Dear Heartdwellers, let's prepare ourselves to work in union with Holy Spirit so that we can receive all the graces and virtues that the Lord has for us and which are most pleasing to Him in us. God's life, power and righteousness given to us by unmerited favor should be greatly pursued and much sought after. It is through grace that God works effective change in our hearts and lives. Grace gives us a new life which we should embrace and hold tightly in our hearts.

We find in Hebrews 4:16, *“Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.”*

Our Time of Trial is Coming

March 31st, 2022

God, we ask for Your wisdom and perspective during our times of trials. Please provide it generously and show us how to see our circumstances through Your eyes. Amen.

“My dear family,” Mother Clare began, “Our Mother of Mercy has asked me to tell you all about the messages I was getting in Florida, when she first began to speak to me. We had a small prayer group, of medical professionals from the Philippines, that faithfully attended the Rosary. During this time, Our Mother of Mercy was speaking to us about the evils of materialism and how it has corrupted our nation. She asked them to pay off their debts and live much more simply without credit cards, etc.

“And now with war on the horizon, she has asked me to speak with you about these very same issues. The Lord has made it clear that war is imminent and could even begin this month, on our own soil. The casualties will be heart breaking, but Americans are about to be stripped of the excessive lifestyle and materialism, so they can discover what is truly important in their lives.

“In many ways this is an act of mercy to pull people away from their addictions to things so they can embrace Jesus like they have never embraced Him before. There is a spiritual equipping coming to us so that we can lead them in the ways of God. Their sense of self-worth is tied up in these things, and Jesus wants them to discover how very precious they are without all the trappings, just as they are, without any status symbols, power or influence. He is going to allow a stripping away of all the measurements of human worth they have become prisoners to.

“Many of us are bound by possessions and desires for more things, upgrades and new apps, etc., when what we have would do just as well for us. It is a whole culture that has been seduced by technology and staying on the cutting edge. It has left many in debt way over their heads. Our lives have become so full of the world that we don’t have time for God, and yet He is at the core of our very existence.

“When we are stripped of everything we hold dear, things we have labored for years to have, we will discover God and His all-encompassing love for us, and that is truly the fulfillment of life, to belong to Jesus, to walk with Him, talk with Him and depend on Him for our food and sustenance. During this great trial we will finally have a need for God that breaks us away from all that we have and count as important in our lives.

“I have resigned myself that Jesus is enough, but I am much weaker than I think and I, and all of us, will probably need more grace in our times of trials.”

Be Ruthless in Handling Distractions

March 31st, 2022

Lord, help us to heed your call to prayer in a timely fashion, and not substitute that time that belongs to You with worldly pursuits. Amen.

So, just to pre-empt this message, yesterday I was wanting to spend time with the Lord, the whole day, and one thing after another got in my way, just one thing after another. I wake up this morning, and other plans are changed, so again, I had the whole day to prayer. Well, other things came up as well, and I just got very frustrated because I missed my Jesus. So, I began, Lord, I hunger for You. How am I going to have You, as bad as things are?

Jesus began, *"I want you to pull up your patience muscle, everything does not have to be done all at the same time. I think you know your priority is ME?"*

In theory I do, Lord.

"Now it must develop into practice. There is much I could use you to say, if you were with Me more consistently." He smiled. "That is nothing compared to the time I want to spend with you as My Spouse...that I grieve over".

Oh Lord, that is terrible.

"Well do something about it My Love. Really, do something about it. You have it in your control to bring an end to this, doing it is what is left. Lead by example Clare. I do need this example from you because you keep putting other things before Me. You know that wounds Me

Not always Lord. I do not always know that.

"Well, it does. Because I know what you need to fulfill your mission, I have it here in My Hands, but without our time together, meaningful time together, I cannot impart this to you. Do you understand?"

I do. Lord, how does this happen?

He answered me, *"You put your agendas ahead of being with Me, that is your error. Come on now, I will help you when you call upon Me. Neither one of us wants this but you have to make a concerted effort because you have some very clever justifying demons convincing you," it will only take a minute and you will be back." But it never does, it is always ending up in a more lengthy sidetrack."*

Yeah. I can see that.

"Therefore, be ruthless in handling those distractions which are sent from Hell to get you so busy you have nothing left for Me. How sad that is."

You know, and I can see that. Yesterday I kept saying, ok, I am going into prayer now. Something came up. I am going into prayer now. Before I knew it, it was eleven thirty. And that is no time to start praying, because I am sleepy, by that time I am sleepy. What He said that I had nothing left for Him, that is

absolutely true. So, we have to change that. One of my problems is I just cannot get up in the morning because I record music at night, but I have not been recording music so what is my excuse? I do not have one, really, let us be honest. Well, I guess I could say the war is concerning to me, and I did check the internet last night for a few minutes just to see if anything new had been decided or what is happening, but you know, you get on the internet for five minutes and you end up there an hour, so that is not working, either. I just need a lot more self-control. Holy Spirit help me!

So, I said Lord, I will really apply myself to this.

Now all you Satanists out there that are listening to me I know just what you are going to do. You are going to send more demons of distraction and other things to keep me out of prayer, but you know, it is going to be a muscle bender, it is going to be applying myself and strengthening my resolution muscle. If you do that, you only are going to help me get stronger, so it is up to you.

Then Jesus said, *"It is so very important because you have been given a very important training, just to be there when they need you, as you were on Sunday for one sister. Indeed, I sent her to give you that message so you could weight your actions and realize how very important it is for you to be prayed up and in My continual presence so I may minister to those who are really hurting, just as she was.*

"I have so much more to impart to you Clare, but you must spend more time with Me."

Thank You Lord, thank You so very much.

The Blessed Mother began, I will support you in this adaptation. The whole world will soon be in mourning, and I need more prayers for the unsaved. There will be a brief time when you can come together in deep prayer, inviting many others to come together with you before it progresses any further."

So, in other words I got the impression she was saying some things are going to happen that will cause everyone to go to their knees. There will be a break in time where everyone will be praying, and something else is going to happen. Now that fits in with Dmitry Duduman, the first thing has already happened, that would have been the Twin Towers, the second and third things have not happened yet. So, she is saying after the second thing happens there is going to be a brief time where everyone is going to want to be praying very seriously.

"There will be a brief time when you can come together in deeper prayer, inviting many others to come together with you before it progresses any further. People will pick up on these messages so they can be more prepared and ensure the Lord's wonderful plans to save their nation and the world."

So right after 'Lord's wonderful plans to save their nation and the world,' Jesus broke in and said, *"It will always be a time of holy preparation before I come that these things will happen."*

So, they are in preparation for us and I know one thing for sure, and the Bride is still too self-absorbed and selfish and I know I am definitely guilty of that, and He is going to give us an opportunity to be totally loving and to give everything we have, pass it out to people, give everything we have without any concerns about whether or not there is any food left for us or not, just trusting the Lord and taking care of the people that need it. And that will be a time of extreme exercise in virtue for the Bride. That is exactly what It is going to be, and a lot of spots, wrinkles and blemishes are going to come off their wedding gowns.

So, I look at spots as something that gets splashed on you, like gossip, maybe? Wrinkles are bad habits,

and blemishes are from inside of us, poisonous attitudes from inside of us. So, spot, wrinkle, and blemish you will get it- you will get a chance to prove our faithfulness to the Lord and take these spots, wrinkles, and blemishes off our wedding garments by acting selflessly to those who need us.

Ok, and so that is the end of the message, thank you so much, Heart Dwellers, for listening in for your cards and your sweet responses to the messages, I appreciate it, it really does help me to be more committed, and thank you so much for supporting this channel and our community, we appreciate that more than what we can say.

And we are all busy growing in the Lord. Several new prophets have come up, people who have been given the gift of prophecy, and it is very exciting what the Lord is doing, so thank you so much for being a part of that.

The Lord bless and keep you now and help us all to remember He is our priority, and He does hurt when we put something in front of Him.

God bless you.
