When children bring their own food for meals and snacks to the program, if the food does not meet the nutritional requirements specified in Paragraph (a) of this Rule, the operator must provide the additional food necessary to meet those requirements unless the child's parent or guardian opts out of the supplemental food provided by the operator as set forth in G.S. 110-91(2) h.1. A statement acknowledging the parental decision to opt out of the supplemental food provided by the operator signed by the child's parent or guardian shall be on file at the facility. If the child's parent or guardian has opted out but does not provide all food and drink for the child, the program shall provide supplemental food and drink as if the child's parent or guardian had not opted out of the supplemental food program.

Since I opted out, if I do not provide all the meals, snacks or drinks for my child, I understand that the program will provide supplemental food and drink.
