

VERTICAL DOOR DRYING RACK ACCESSORIES

Set of 2

- Holds up to **11** doors vertically!
- Easily sets onto the Adjustable Cart
- Made of 1/8" Cold Rolled Steel

Add (2) Cross Supports on the bottom of the Adjustable Cart and a piece of plywood sheet to add storage for your tools!

- Drying 11 doors vertically in a 9' x 3' space.
- The vertical drying rack can be easily wheeled around on the jobsite to the hang doors.
- This is great for the 100 lb. doors.
- Nice to wheel around verses carrying the doors.

- Single-User Capability!
- Fast Rack Spray Transfer Cart docking to Fast Rack Vertical Drying Rack allows a single-user to transfer doors while wet!
