

Interdisciplinary Online Writing Workshops
The Literature Equation® and Cyborg Matrix®
[2020 Editions]

My copyrighted academic, business, professional and creative writing workshops are designed to engage writers in a true interdisciplinary reading-writing experience free of creativity-suppressing 'English composition' courses. The Learning Outcome Objective for my workshops [Novice, Apprentice, Journeyman and Master] is to *Wake Up!* your powerful *Natural Intuitive Creative Potential*®.

If you wish to proceed, please provide me with [1] online contact information, [2] a statement of your learning or writing objective, [3] a sample of your writing (Word document, ≤1500 words, 12 pt. Times New Roman font, double-spaced, 1" margins L/R and T/B, [4] a non-refundable \$50.00 critique fee. Based on your writing and your stated learning outcome objective(s), I will provide you with a critique and specific suggestions/recommendations on how to proceed.
