Children

~Trust Me With Your Children – July 9, 2016

Demon/Aliens

~Evangelize w/Brotherly Love & Pres. Putin's Anti-Freedom of Rel. Law – July 21, 2016

- **Putin** has signed a law that restricts prayer in Russia. Why – if the Lord is with him? Just because God approves on part of a life, doesn't mean it all is. Jesus was more concerned about **averting WWII** at the time – law may have been lesser of 2 evils. Clare: not wise to wise to over-react to things. Putin also wants **disclosure of the demon/aliens**. Wants the

American people to know Obama is pushing to start nuclear war. (synopsis under: **Love/Brotherly Love**)

- Jesus: My goal is to **wake up the masses** who are “asleep” in their ignorance of the evil around them. Prayer changes things! The **Elite** cannot change the praying public it’s an unknown to them. If the population wakes up, things will begin to turn around. They will see the liberal agenda for what it is-evil.
- The prophecies/**Tribulation must come to pass** – but the more prayer, the less devastating and the more souls saved.
- Tragedy will wake them up, cause them to seek what they missed – Me.

- Arguments in **marriage** are often underlying demons. The demon of Division assigned to a couple to cause division. Once a door is opened, the demons may flood in. **Demons** are vicious and only care about destruction. They can collect your very life-force from you if you continue in sin. This leaves your heart with open wounds, abrasions, broken w/effluent all over. Not seeing the real source, you blame one another – and open more doors. Left unchecked, they can destroy the marriage that was meant to keep you strong.
- By **His Blood** we have the ability to cast them to the abyss, but if we are not walking in substantial **Virtue** – they will soon be back. Virtue keeps the doors closed.
- Jesus does allow **suffering to aid souls**, especially right now an influx from Middle Eastern peoples misplaced. So, it could be a burden.
- When you feel Grief and Sorrow (other negative emotions) with no reason, look for a demon/open door. What did you do that may have caused it? Critical? Disrespectful? Ungrateful to one another? **Attitudes** begin small and grow swiftly. **MUST** be repented of swiftly or door is created. If it happens, confess/repent of any sins and cast them and doors away.
